Advisor _____

I have attached the following:

- Nomination letter from thesis advisor. The letter must include the current status of the thesis project, the student's support status and a statement that addresses when he/she expects applicant to graduate, i.e. is it realistic for the student to graduate within the timeline provided?
- A detailed plan and time-line for completion of the thesis that has been approved by the advisor. For example, include dates of completion of data collection, data analysis, completion of chapter one, chapter two, etc. This plan should also provide a general idea of what remains to be done.
- A written statement (maximum of two pages) from the applicant. The statement must include information on the overall thesis progress, future plan, and research achievements.
- A comprehensive list, by semester, of all sources of funding received since the student began his/her degree (i.e., research/teaching assistantships, fellowships, etc.) **Do not include financial aid and/or scholarships.**

I verify that I have enrolled in nine credits in Fall 2011 and Spring 2012 semesters and that I will receive no other financial income (except supplementary income from my advisor's research grants - if approved) during the 2012-2013 academic year.
