Article 4 of the Collective Bargaining Agreement between the University of Alaska and United Academics-AAUP/AFT, allows the faculty member to revoke a dues or agency fee deduction authorization by giving written notice to the treasurer of United Academics and to the University.

I elect not to continue a dues or agency fee deduction from my pay.

I understand that if my current workload does not exclude me from the United Academics bargaining unit, revoking my dues or agency fee deduction authorization does not release me from my obligation to pay dues or agency fees to United Academics AAUP/AFT to the extent such payments may be required after United Academics has met its obligations under Article 4.1 of the Collective Bargaining Agreement and state and federal law.

Please revoke my dues or agency fee deduction authorization effective immediately.
