**Guest attending:**

Stan Justice, UAF Trails Club  
Don Lokken

**Old Business**

Recapped archery range proposal (showed pictures of targets, brief discussion of proposal).

Peter Fix made motion to “Approve with dirt berm extending to cover the entire backdrop and signage, with design and placement developed in consultation with Risk Management, and paid for by ADF&G, put in place.”

Second by Scott Jerome.

Passed 7/0

### **New Business**

1. Marie Heidemann presented the UAF Invasive Plant Management Plan
  - a. Propose to hire an invasive plant coordinator part time
  - b. Three overall goals included in plan:
    - i. Implement a best management practices program to prevent the spread and new establishment of invasive plant infestations.
    - ii. Promote awareness and education about invasive plants to the UAF and Fairbanks community.
    - iii. Manage invasive plants using integrated weed management strategies.
  - c. Goals for North Campus:
    - i. Keep invasive plants out of undisturbed natural areas.
    - ii. Eliminate several invasive plants, which have a low infestation; and cost-effectively eliminate or control others.
    - iii. Focus volunteer weed pull events on these areas.
  - d. For North Campus implementation actions might include:
    - i. Signs
    - ii. Volunteers
    - iii. Herbicide
  - e. North Campus Subcommittee would review actions taking place on the NC before they occur

Scott Jerome: motion to “recommend approval of IPMP to Master Planning Committee.” Second by Knut Kielland

Passed 6/0, Cynthia Steiner abstained from the vote.

2. Stan Justice presented a case that the “short cut trail” should be open.
  - a. Based on the language in the MOU stating “Existing trails within the 500-800’ foot buffer shall remain open.”

Peter Fix made a motion to “Verify if “short cut trail” is outside of 500’ foot buffer. If the trail is outside of the 500’ buffer, the committee believes the agreement states the trail should be open.” Second by

Scott Jerome.
