Include the date that each student took the test

- Make sure to use the full date for including month, day and year

Indicate the student's full name and grade level

- Please use the student's full name, first and last. Names are coded later for privacy
- Let us know each students grade level

Please indicate each student's ethnicity and any special circumstances

- Having this information recorded is extremely important for MCC's research
- Remember that names are coded to preserve confidential student information

Students who are absent

- Mark a # "1" in column F for that student
- Leave all of the student's scores blank

Students who refuse the entire test

- Mark a #"2" in column F for that student
- Leave all of the student's scores blank

Student Who refuse part of a test

- Mark a #"3" in column F for that student
- Leave the questions that the student refused blank (i.e. refused to answer questions after #9)
