

Museum Education: Hands-On Collection

Checkout Request

Education & Public Programs has a large hands-on collection used in our teaching and displays. Many objects are available to borrow for educational purposes. Use objects in your classroom or within the museum when you visit to enhance your lessons. Loans are typically made for two weeks. You will need to pick up and drop off your objects at the museum (8 am-5 pm, Mon-Fri). Please request objects at least one week in advance.

Send request to Museum Education & Public Programs:
