Four semesters of MUS 153 are included in this suggested four-year plan of study. MUS 331 is offered every other year. If necessary, students should take this course either during the Spring of second year or during the Spring of the third year. MUS 331 should never be taken during the senior year. See advisor for details. For Education Alaska Studies or Multicultural Elective, suggest selecting courses that meet the "W" requirement:

See Catalog for See your advisor or School of Education for a list of courses that satisfy this requirement.
