

Harmonization/Transposition Tune List Version 1.1

This list was compiled to help students select tunes that can be used to fulfill the harmonization/transposition part of the Piano Proficiency Requirement. All of the tunes listed below can be harmonized using **I**, **IV**, and **V** chords. This is not an exhaustive list. There are other tunes that work as well. If you know of other familiar tunes, please let Dr. Stech know so he can add them to this list.
