Semester _____

P _____

A minor may only be issued concurrently with a baccalaureate degree. A minor from UAF will consist of a minimum of 15 credits, but a specific minor may require more. Students must earn at least 3 credits in residence in their minor field. They must also earn a UAF cumulative GPA of at least 2.00 ('C') in the minor. The same catalog year must be used to meet both minor and baccalaureate program requirements (refer to each discipline for specific requirements). All correspondence regarding this form will be sent only to UA email address.

Accredited Associate of Applied Science and Certificates

An Associate of Applied Science (A.A.S.) degree or certificate of at least 30 credits earned at any regionally accredited college or university may be used to meet requirements for a minor for the Bachelor of Arts (B.A.) degree.

Double Counting and the Baccalaureate Core:

Courses used to meet a science or mathematics Core requirement may also be used to satisfy the major and/or minor degree requirements. Other Core courses may NOT be used to meet any other requirements for a degree. (i.e. the Core "Communication" and "Perspectives on the Human Condition" courses)
