

Faculty Web Grading for Final Grades

Office of the Registrar
University of Alaska Fairbanks

Web grading...Quicker, Easier, and More Efficient.

Thank you for grading your students on the web. Web grading has many benefits, including but not limited to:

- The ability for faculty to grade anytime and anywhere
- The ability for students to view their grades in “real time”
- The ability for faculty to withdraw students in full-term courses electronically up to the last day of faculty-initiated withdrawals

The instructions below are for entering final grades electronically. Web grading cannot be used for the following grade types. If you have any of these types of grades, submit the hard copy grade roster to the Registrar’s Office.

- I - Faculty must submit Incomplete Grades Forms directly to the Registrar’s Office
- DF - Faculty must submit “deferred” grades directly to the Registrar’s Office
- W – The faculty-initiated withdrawal deadline has passed. Withdrawals are not permitted during the final grading process.

Use the following notes and instructions to assist you with Web Grading:

NOTE: Please submit grades often. Each Web Grade Session is limited to 10 minutes.
