Your Success is Our Success!
Financial Aid Information: Students who plan in advance can find many ways to help pay for college.

The first step to financial assistance is to file the Free Application for Federal Student Aid (or FAFSA) online at www.fafsa.gov. You may be eligible for up to $5,645.00 in Pell Grants for the year. In addition, filling out the FAFSA is a requirement for many other scholarships and grants.

The FAFSA is best filed as soon as possible after Jan 1st. Deadlines for some scholarships (such as UA Foundation) are as early as Feb 15.

FAFSA Eligibility Requirements:
- Have a High School Diploma or GED
- Be a US Citizen or eligible non-citizen
- Register for Selective Service (males only, ages 18-25).
- Have a valid social security number
- Be enrolled/admitted into a degree program.

Tips for Filing the FAFSA:
- Use your full legal name
- Apply for your FAFSA PIN at www.pin.ed.gov
- The University of Alaska Fairbanks/KuC school code is 001063.
- Transfer your IRS tax data from the IRS data retrieval tool if possible.
- Respond to notices from the US Department of Education or your college asking for additional information. Your awards will not be processed until you have responded.

Tips about Fee Payment:
Students are financially responsible for all courses they enroll in and should have a financial plan before they register.
Avoid late fees by paying for your classes by the fee payment deadline even if your financial aid has not posted. See your Financial Aid Coordinator if you need help.

Make a plan to help pay for college!
There are excellent scholarship opportunities for students in the State of Alaska and within the Yukon-Kuskokwim Delta Region.

Contact the KuC Advising Office 907 543-4559/4599 or the Financial Aid Coordinator 907 543-4563 to receive a list of scholarship opportunities. Additional information is also available on the KuC Website: www.bethel.uaf.edu

REMEMBER:
You must apply for FAFSA every year!

“TO-DOs” BEFORE YOUR CLASSES BEGIN

Double check the section number and the delivery method to ensure you are in the right class!

Order your books for KuC and CRCD Courses:
CRCD  http://www.crcd-gotbooks.com  1-877-651-4002

E-learning, X and FM section course books:
Contact the UAF Bookstore in Fairbanks 907-474-7348 or via E-Mail at 1191tat@follet.com. Credit card or full payment of books is required.

University Accounts:  Use ELMO (Easy Login Maintenance Option) to find and authorize your UA username, student number, or reset forgotten passwords. Below are abbreviated instructions. Detailed instructions can be printed at the ELMO website.

Go to https://elmo.alaska.edu
1. New students, select option 3. Inactive or returning students, select option 1, 2, or 3. Click GO ELMO.
2. Depending on which option you selected, ELMO will ask you some questions to validate and activate your account. Click Confirm. You will also be asked to select a “security setting” for future account maintenance. Read the choices carefully and choose the one best for you: standard, custom, or maximum. Select apply or OK.
3. Your username will be displayed on the next page and you can activate your password by filling in the New Password box. In choosing a password, the UA Technology Department requires at least 8 characters including at least one number and uppercase letter or character.
4. Click Set Password
5. Allow several minutes for your username and password to be established then hit the Ctrl-Alt-Del keys to log out.
6. Be sure to keep your passwords in a safe place!

Note: Directory or confidentiality holds on your records will prohibit you from using ELMO. Contact your local UA registrar for assistance.

Your UA Username is “generally” your first initial, followed by your middle initial (if you have one), your last name and possibly a number to guarantee uniqueness.
Example: tsturkey8

Your UA Student ID Number is a unique, 8 digit student number that is used to identify your student records.
Example: 30000000

The user ID activated in ELMO is used for logging into many UA Services: Gmail, Google Apps@UA, UAF Blackboard, UA Enterprise Directory (EDIR), and others. Once a student is registered he/she should become familiar with several student support platforms:

Activate your University of Alaska (Google) g-mail http://www.alaska.edu/google
Click on the Mail icon and enter your UA username and password (set up in ELMO). The address consists of your username @alaska.edu. Example: tsturkey8 @alaska.edu

Students should forward their university mail to the e-mail they check the most.

UA Online https://uaonline.alaska.edu
This portal provides access to register, view student schedules, grades, transcripts, billing, and other services. Detailed instructions for using UAOnline are found at https://uaonline.alaska.edu.

Blackboard (Bb) http://classes.uaf.edu
Blackboard allows students to download the class syllabi, assignments and participate in discussion rooms. Use your username and password set up in ELMO to log in. Your instructor will advise you if Bb is used. Firefox Browser is recommended: http://getfirefox.com.

Blackboard Collaborate, (Coll) (formerly E-Live) allows for sharing of two-way audio, program applications and graphics. It is accessed through the UAF Blackboard Course site. Load the Collaborate software on your computer well in advance of the course start date: http://www.blackboard.com/platforms/collaborate/support/support-for-blackboard-collaborate.aspx. Select “First Time Users” and work through the instructions. Be sure to test the audio path on your headset. A computer headset with microphone can be ordered with your books.

Yup’ik Language and Culture Baccalaureate Program

Picture courtesy of Carol Sanders of Bethel, AK.

The program is Yupiit Nakmiin Qaneryaraat Piciraraat-Illu. It strives to reinforce a Yup’ik identity, prepare students for success in the world, and leads to acceptance at home. It is based on a philosophy that a strong command of the Yup’ik language leads to a complete understanding of the Yup’ik way of life, the world around us and our place in it. Students are encouraged to complete a minor in Education or Alaska Native and Rural Development.

Adjunct Faculty:
Oscar Alexie, ofalexie@alaska.edu
Sophie Alexie, salexie@alaska.edu
Advising: Janet Kaiser, jskaiser@alaska.edu, 543-4587

UAF is committed to equal access for students with disabilities. Students experiencing a disability should contact the Disability Services Office, 208 Whitaker Building, by phone at (907)474-5655, or on the website: www.uaf.edu/disability/. Accommodations are determined through an interactive process that includes the completed application, the documentation of the disability and essential requirements of the course.

Information Release and FERPA:
Access to records: Under the Family Education Rights and Privacy Act of 1974 (FERPA), you are entitled, as a UAF student, to review your records. Except for directory information, no personally identifiable information is disclosed to agencies outside UAF without the written permission of the student. Records are made available for legitimate UAF professional use on a need to know basis.

Directory Information: UAF may release certain directory information to the public on a routine basis unless a student requests, in writing, that the university not release it. Forms to request that directory information not be released are available. Please check with your local campus if you would like to request this. No directory information will be released until the last day of late registration. Any requests to withhold directory information will continue until a student provides permission, in writing, for the University to release such. After that, information will be released when appropriate.

The following information is designated as Directory Information by the University:
✅ Names of students
✅ Dates of attendance at the university
✅ Program/major field(s) of study
✅ Degrees and certificates received and dates
✅ Participation in officially recognized university activities
✅ Academic and co-curricular awards, honors, and scholarships received and dates received.
✅ Weight and height of students on athletic teams
✅ Students’ electronic mail addresses
✅ Hometown, city and state

Honors & Scholarships: Names of students receiving awards or appearing on the UAF dean’s list and chancellor’s list are released to the media unless a written request not to do so has been received by the Office of University Relations (UAF), by five working days after the end of the semester in which the honors have been earned.

No other information from a student’s educational record will be disclosed to anyone outside the institution without the written consent of the student. The only exceptions are to personnel within the institution on a need to know basis, officials of other institutions in which a student seeks to enroll, in compliance with judicial order, to persons in an emergency in order to protect the health or safety of the student or other persons, or as otherwise permitted under FERPA.

Student Code of Conduct:
UAF students are subject to the Student Code of Conduct. In accordance with the board of regents’ policy 09.02.01, UAF will maintain an academic environment in which freedom to teach, conduct research, learn, and administer the university is protected. Students will enjoy maximum benefit from this environment by accepting responsibility for their role in the academic community. The principles of the student code are designed to encourage communication, foster academic integrity and defend freedoms of inquiry, discussion and expression across the university community.

UAF requires students to conduct themselves honestly and responsibly, and to respect the rights of others. Conduct that unreasonably interferes with the learning environment or violates the rights of others is prohibited. Students and student organizations are responsible for ensuring that they and their guests comply with the code while on property owned or controlled by the university or at activities authorized by the university.

The university may initiate disciplinary action and impose disciplinary sanctions against any student or student organization found responsible for committing, attempting to commit or intentionally assisting in the commission of any of the following prohibited forms of conduct:
✅ Damage or destruction or property, theft of property or services
✅ Harassment, endangerment, assault or infliction of physical harm, disruptive or obstructive actions
✅ Misuse of firearms, explosives, weapons, dangerous devices or dangerous chemicals
✅ Failure to comply with university directives
✅ Misuse of alcohol or other intoxicants or drugs
✅ Violation of published university policies, regulations, rules or procedures
✅ Any other actions that result in unreasonable interference with the learning environment or the rights of others.

Honesty is a primary responsibility of yours and every other UAF student. Students will not collaborate on any quizzes or exams that contribute to their grade in a course. Students will not represent the work of others as their own. (Attribute and cite sources in your assignments). This list is not intended to define prohibited conduct in exhaustive terms but rather offers examples as guidelines for acceptable and unacceptable behavior.

For additional information about Student Code of Conduct, contact the Dean of Student Affairs http://www.alaska.edu/bor or contact your local campus.
