

2009 Tuition Waiver Application
New University Students

UAF Summer Sessions is offering a limited number of tuition waivers for summer 2009 study on the UAF campus. Applicants must be 18 years of age or older, need financial assistance and have fewer than 12 credits accumulated. To apply, complete this form and submit as early as possible with a one-page personal letter and two completed reference forms (http://www.uaf.edu/summer/information/financial-aid/tw_ref_2009.pdf). Textbooks and fees are the responsibility of the student. The course for which the tuition waiver is used must be a 100-200 level course sponsored by UAF Summer Sessions. These courses can be identified by the section number starting with 'F' and followed by a number, not a letter. Contact Summer Sessions if you have any questions about qualifying courses. Applications will be accepted as long as funds remain available.
