## CLUB COUNCIL NEEDS YOU!

### Student Organizations SPOTLIGHT:

**Associated Students of Business present Lemonade Day!**

Lemonade day is a nation-wide event that teaches kids the skills they need to be successful in the future. Youth learn to set goals, develop a business plan, establish a budget, seek investors, provide customer service, and give back to the community.

This year there will be 3,500 registrations in the state of Alaska.

ASB is looking for volunteers willing to help. If interested please contact Rebecca Leivdal at

rkleivdal@alaska.edu

The LIVE Program is pleased to announce the spring semester officer training and student organization summit. We will be working to ensure clubs have the opportunity to socialize and network while obtaining valuable information regarding resources on campus. Clubs and Organizations are required to send at least one representative to one meeting, but we encourage multiple members to come.

We are looking for students willing to sit on the club council ad-hoc committee, this is the committee responsible for distributing club council funds. If interested please email Josh Hovis at [jwhovis@alaska.edu](mailto:jwhovis@alaska.edu)
