

Student Organization Awards

2010-2011

Due Friday, April 8, 2011 by 5pm
to the LIVE Program Office

Community Service Award

Intent:

To recognize a student organization that provides meaningful and outstanding volunteer service to the UAF and Fairbanks communities. Single projects will not be judged any differently from semester-long or year-long projects or a compilation of a number of projects.

Criteria:

- The service must be shown to have made a positive impact on both the community and the student organization. The service should be both thoughtful and meaningful. Please answer the following questions to illustrate the impact:
 - What community need was addressed?
 - How were volunteers educated about this need?
 - How did this service make a difference or impact the community?
 - How did this service impact the student organization?
- The service must have been done in the spirit of volunteerism and should not have been done in return for monetary compensation.
- The service project(s) described should have been attended by a majority of the group's members.

Requirement:

- A description of the group being nominated and why this student organization deserves the Community Service honor by specifically addressing the above criteria (no more than **two** double-spaced, single-sided pages).
- At least **two** recommendation letters and no more than **five** letters from any of the following: students, faculty/staff, community members, or anyone else who is familiar with the group and/or the service project. It is encouraged, but not required, to provide **one** letter from those who were impacted by the service project.
- Additional supporting materials that are pertinent to the nomination are encouraged but not required. This could include newspaper articles, photos, reflection pieces, budget worksheets, records of attendance, training certification papers, etc. A maximum of **five** pages of such supporting material will be accepted.
- All of the above should be turned in together as one packet, paper-clipped or stapled in the above order with the attached completed cover sheet.
- The project for which the group is being recognized must have taken place between April 2, 2010 and April 8, 2011.

Contact the LIVE Program at 474-1959 or email fystuorg@uaf.edu with questions.
