B.B.A. Degree

Minimum Requirements for Degree: 123 credits

The accounting department offers an extensive program for those interested in the fields of general accounting, auditing, managerial accounting, taxation and government accounting. The objectives of the program are to provide a strong business background through an understanding of accounting and to train students for employment in accounting work.

The UAF accounting program is accredited by the Association to Advance College Schools of Business. The AACSB accredits 120 programs nationwide, and the UAF accounting program is the only program in Alaska with AACSB accreditation.

The accounting program prepares students for certification as Certified Public Accountants (CPA), Certified Management Accountants (CMA), Certified Financial Managers (CFM), Certified Internal Auditors (CIA) and Certified Fraud Examiners (CFE). The UAF accounting program places nearly 100 percent of its graduates.

Admission Standards to UAF School of Management's Upper-Division Courses, effective Fall 2005

1. Complete at least 30-40 credits with a cumulative GPA of 2.25 or higher.

COMMUNICATIONS (9)
Complete the following:
ENGL 111X ...................................................... (3) ___
ENGL 211X OR 213X ........................................... (3) ___
COMM 131X OR 141X ........................................... (3) ___

LIBRARY & INFORMATION SKILLS (0–1)
Complete the following:
LS 100X OR 101X ........................................... (0-1) ___
OR Successful completion of library skills competency test.

PERSPECTIVES ON THE HUMAN CONDITION (18)
Complete either the following six courses:
ANTH 100X OR SOC 100X ................................ (3) ___
ECON/PS 100X ................................................. (3) ___
HIST 100X ...................................................... (3) ___
ART/MUS/THR 200X, HUM 201X OR ANS 202X .................................................................. (3) ___
ENGL/FL 200X .................................................. (3) ___
PHIL 322X, NRM 303X, COMM 300X,
PS 300X OR JUST 300X ........................................... (3) ___
OR Complete 12 cr from the above list PLUS two semester-length courses in a single non-English or Alaska Native language at the university level OR three semester-length courses (9 cr) in American Sign Language.

MATHMATICS (3–4)
Complete 3-4 credits from the following:
MATH 107X ...................................................... (3) ___
OR MATH 131X (except for BBA) ........................................... (3) ___
OR MATH 161X ...................................................... (3) ___
MATH 200X ...................................................... (4) ___
MATH 201X ...................................................... (4) ___
MATH 202X ...................................................... (4) ___
MATH 262X ...................................................... (4) ___
MATH 272X ...................................................... (3) ___
NOTE: Additional 3 cr of math needed for degree requirements.

NATURAL SCIENCES (8)
Complete 8 credits from the following:
ATM 101X ........................................................... (4) ___
BIOL 103X OR 104X .......................................... (4) ___
BIOL 105X–106X ................................................. (8) ___
BIOL 111X–112X ................................................. (8) ___
CHEM 100X ...................................................... (4) ___
CHEM 103X–104X ................................................. (8) ___
CHEM 105X–106X ................................................. (8) ___
GEOG 205X ........................................................... (4) ___
GEOS 100X OR 120X OR 125X ........................................... (4) ___
GEOS 101X–112X ................................................. (8) ___
MSL 111X ........................................................... (4) ___
PHYS 102X OR 175X ............................................. (4) ___
PHYS 103X–104X ................................................. (8) ___
PHYS 211X–212X ................................................. (8) ___
PHYS 211X–213X ................................................. (8) ___
PHYS 212X–213X ................................................. (8) ___
