B.A. Degree

Minimum Requirements for B.A. Degree: 126 credits

This program provides the necessary preparation for early childhood educators who wish to advance their professional knowledge and career opportunities with specialized study in curriculum, administration or family support. A strong desire to work in an early care and education setting, with children and their families is important.

Students who have completed the A.A.S. in early childhood education program will have completed the first part of the B.A. program, although completion of the A.A.S. degree is not a requirement for entry to this program. Students majoring in this program must work closely with their advisors and be willing to work collaboratively within their concentration to fulfill the practicum components of the course of study.

This program is available through flexible course delivery methods to early childhood educators living in both rural and urban Alaska. Graduates will be highly competitive candidates for positions of greater responsibility and compensation in the early care and education profession in Alaska.

Major—B.A. Degree

Concentrations: Administration, Curriculum and Teaching, Family Support

1. Complete the general university requirements (page 106. As part of the core curriculum requirements, BIOL 104X and GEOS 100X or GEOS 120X or GEOG 205X are recommended.)

2. Complete the B.A. degree requirements (page 109. As part of the B.A. degree requirements, complete: PSY 101 and SOC 350W.)

3. Complete the following program (major) requirements:*
   a. ECE 110—Safe Healthy Learning Environments ..................3
   b. ECE 111—Nutrition .........................................................1
   c. ECE 130—Culture, Learning and the Young Child ..............2
   d. ECE 205—Overview of the Profession ...............................3
   e. ECE 210—Child Guidance ................................................3
   f. ECE 230—Introduction to Children with Special Needs ..........3
   g. ECE 245—Child Development ..........................................3
   h. ECE 340—Family Relationships ........................................3
   i. ECE 445W—Adolescence through the Lifespan ...................3
   j. ECE 470—Advanced Practicum ..........................................3

   b. Complete 6 credits from your chosen specialization.

4. Complete 1 of the following concentration areas:* 126

   Administration
   a. Complete the following 15 credits:
      i. CIOS 150—Computer Business Applications ......................3
      ii. ENGL 212—Business, Grant and Report Writing ...............3
      iii. BA S301—Principles of Management (UAS) ....................3
      iv. BA S343—Principles of Marketing (UAS) .......................3
      v. BA S490—Political and Social Environment of Business (UAS) 3

   Family Support
   a. ECE 301—Parents as Partners in Education ......................3
   b. ECE 442—Family Resource Management ............................3

   Curriculum and Teaching
   a. Complete the following 15 credits:
      i. ECE 121—Physical Activities .......................................1
      ii. ECE 140—Social Development .....................................3
      iii. ECE 220—Infants and Toddlers ..................................2
      iv. ECE 420W—Developing Literacy in the Early Years ..........3
      v. ECE 430—Fine Arts in the Early Years ..........................3
      vi. ECE 440—Exploring Math and Science in the Early Years ...3
   b. Minimum credits required ..............................................126

Note: This specialization is offered in collaboration with the University of Alaska Southeast. For course descriptions of UAS courses see current University of Alaska Southeast catalog.

h. Minimum credits required ..............................................126

Family Support
Complete the following 15 credits:

General University Requirements

All degrees (e.g. B.A., B.S., etc.) require additional courses. Refer to specific degree and program requirements.

**COMMUNICATIONS (9)**
Complete the following:
- ENGL 111X ........................................................... (3)
- ENGL 211X OR 213X ............................................. (3)
- COMM 131X OR 141X ............................................. (3)

**LIBRARY & INFORMATION SKILLS (0–1)**
Complete the following:
- LS 100X OR 101X .............................................. (0-1)
OR Successful completion of library skills competency test.

**PERSPECTIVES ON THE HUMAN CONDITION (18)**
Complete either the following six courses:
- ANTH 100X OR SOC 100X ..................................... (3)
- ECON/PS 100X ..................................................... (3)
- HIST 100X ........................................................... (3)
- ART/MUS/THR 200X, HUM 201X OR ANS 202X ...... (3)
- ENGL/FL 200X ..................................................... (3)
- PHIL 322X, NRM 303X, COMM 300X, PS 300X OR JUST 300X ............................................. (3)
OR Complete 12 cr from the above list PLUS two semester-length courses in a single non-English or Alaska Native language at the university level OR three semester-length courses (9 cr) in American Sign Language.

**MATHEMATICS (3–4)**
Complete 3-4 credits from the following:
- MATH 107X .......................................................... (3)
- OR MATH 131X (except for BBA) ............................ (3)
- OR MATH 161X ..................................................... (3)
- MATH 200X ........................................................... (4)
- MATH 201X ........................................................... (4)
- MATH 202X ........................................................... (4)
- MATH 262X ........................................................... (4)
- MATH 272X ........................................................... (3)

**NA**
TURAL SCIENCES (8)
Complete 8 credits from the following:
- ATM 101X ............................................................ (4)
- BIOL 103X OR 104X .............................................. (4)
- BIOL 105X–106X .................................................... (8)
- BIOL 111X–112X .................................................... (8)
- CHEM 100X ........................................................... (4)
- CHEM 103X–104X .................................................... (8)
- CHEM 105X–106X .................................................... (8)
- GEOF 105X ............................................................ (4)
- GEOF 100X OR 120X OR 125X ............................... (4)
- GEOF 101X–112X .................................................... (8)
- MSL 111X ............................................................. (4)
- PHYS 102X OR 175X .............................................. (4)
- PHYS 103X–104X .................................................... (8)
- PHYS 211X–212X .................................................... (8)
- PHYS 211X–213X .................................................... (8)
- PHYS 212X–213X .................................................... (8)
