B.A. Degree

Minimum Requirements for Degree: 120 credits

The communication program teaches students to communicate effectively and ethically in a rapidly changing world characterized by diversity in gender, culture and belief. It offers a comprehensive background in the discipline in preparation for employment or further education. Students majoring in other disciplines find communication electives valuable additions to their programs.

The program is both theoretical and pragmatic, designed to prepare students for the professional workplace or for advanced study.

Major — B.A. Degree

1. Complete the general university requirements (page 124).
2. Complete the B.A. degree requirements (page 128).

All degrees (e.g. B.A., B.S., etc.) require additional courses. Refer to specific degree and program requirements.

**COMMUNICATION (9)**

Complete the following:

- ENGL F111X ................................................................. (3)
- ENGL F190H may be substituted.

Complete one of the following:

- ENGL F211X OR ENGL F213X ................................................. (3)

Complete one of the following:

- COMM F131X OR COMM F141X ............................................. (3)

**PERSPECTIVES ON THE HUMAN CONDITION (18)**

Complete all of the following four courses:

- ANTH F100X/SOC F100X .................................................. (3)
- ECON F100X OR PS F100X .................................................. (3)
- HIST F100X ..................................................................... (3)
- ENGL/FL F200X ................................................................. (3)

Complete one of the following three courses:

- ART/MUS/THR F200X, HUM F201X OR ANS F202X .......... (3)

**MATH (3)**

Complete the following:

- MATH F103X, MATH F107X, MATH F161X OR STAT F200X ................................................................. (3 – 4)

* No credit may be earned for more than one of MATH F107X or F161X.

OR complete one of the following:* MATH F200X, MATH F201X, MATH F202X, MATH F262X OR MATH F272X ................................................................. (4)

*Or any math course having one of these as a prerequisite.

**NATURAL SCIENCES (8)**

Complete any two (4-credit) courses:

- ATM F101X ........................................................................ (4)
- BIOL F100X ........................................................................ (4)
- BIOL F103X ........................................................................ (4)
- BIOL F104X ........................................................................ (4)
- BIOL F111X ........................................................................ (4)
- BIOL F112X ........................................................................ (4)
- BIOL F115X ........................................................................ (4)
- BIOL F116X ........................................................................ (4)
- CHEM F100X ........................................................................ (4)
- CHEM F103X ........................................................................ (4)
- CHEM F104X ........................................................................ (4)
- CHEM F105X ........................................................................ (4)
- CHEM F106X ........................................................................ (4)
- GEOG F205X ......................................................................... (4)
- GEOS F100X ......................................................................... (4)
- GEOS F101X ......................................................................... (4)
- GEOS F112X ......................................................................... (4)
- GEOS F120X ......................................................................... (4)
- GEOS F125X ......................................................................... (4)
- MSL F111X ............................................................................ (4)
- PHYS F102X ........................................................................ (4)
- PHYS F103X ........................................................................ (4)
- PHYS F104X ........................................................................ (4)
- PHYS F113X ........................................................................ (4)
- PHYS F116X ........................................................................ (4)
- PHYS F175X ........................................................................ (4)
- PHYS F211X ........................................................................ (4)
- PHYS F212X ........................................................................ (4)
- PHYS F213X ........................................................................ (4)

**LIBRARY AND INFORMATION RESEARCH (0 – 1)**

Successful completion of library skills competency test OR LS F100X or F101X prior to junior standing .......... (0 – 1)

**UPPER-DIVISION WRITING AND ORAL COMMUNICATION (0)**

Complete the following:

- Two writing intensive courses designated *(W)* .................. (0)
- One oral communication-intensive course designated *(O)* ....... (0)
- OR two oral communication-intensive courses designated *(O)/(2)*, at the upper-division level (see degree and/or major requirements)........ (0)

**TOTAL CREDITS REQUIRED** ........................................................................................................... 38 – 39
