

Tribal Justice OE Student Learning Outcomes Assessment Plan

All courses within the Occupational Endorsement in Tribal Justice will be assessed in coordination with the Tribal Governance Student Learning Outcomes Assessment Plan.

In addition, the Occupation Endorsement will be assessed individually based on the below criteria.

Intended Outcomes	Assessment Criteria and Procedures	Implementation
1. Students will pass all classes with a “C” or better. 2. OE graduates and their employers will express overall satisfaction with the Occupational Endorsement	1. Classroom assignments and activities assessed upon practical application of skills and demonstration of course objectives. 2. 80% of graduate and employers will express overall satisfaction with the OE	1. Instructors monitor student performance and progress and provide extra assistance as needed. 2. Annual survey of OE graduates and tribal employers.
