

UAF

Mission Fulfillment Indicators

UAF Mission:

The University of Alaska Fairbanks is a Land, Sea, and Space Grant university and an international center for research, education, and the arts, emphasizing the circumpolar North and its diverse peoples. UAF integrates teaching, research, and public service as it educates students or active citizenship and prepares them for lifelong learning and careers.

UAF is an AA/EO employer and educational institution and prohibits illegal discrimination against any individual:
