

Pre-Event
**Virtual Workshop
Series 2025**

Information Security for Electric Utilities

MARCH 4th-5th ON zoom

8:30 AM - 12:30 PM AKT | 12:30 - 4:30 PM ET

Join us virtually as we will provide an overview of cybersecurity in Alaska's critical infrastructure energy sector. This workshop will cover the state's cybersecurity compliance landscape and regulations while offering resources for building effective cybersecurity programs. Participants will also learn strategies to reduce the cybersecurity risk footprint of energy utilities in Alaska.

This event is part of a series of four virtual workshops held this spring as two half-day Zoom sessions, free of charge, leading up to the Alaska Sustainable Energy Conference:

June 3rd-5th at the Dena'ina Center in Anchorage, Alaska
