

**Locally Owned & Operated
Manufacturer of Nordic Vinyl & Fiberglass Windows**

Hoffer Glass is a local full service glass company and the local manufacturer of Nordic vinyl fiberglass windows. We offer a wide variety of products to include windows, doors, patio glass, and saunas to commercial businesses and residences.

Locally owned and operated, the Cruikshank family first opened the doors of Hoffer Glass in Fairbanks, Alaska during the territory days in 1958. The company is operated by Terry Cruikshank and Lisa Bailey (Cruikshank) since 1981.

The Cruikshank family and Hoffer Glass understand the challenges of living in Interior Alaska. We work for you to provide the best products and customer service.
