

Department of Anthropology

University of Alaska Fairbanks

1st Annual Photo Contest

The Department of Anthropology invites students and recent graduates to submit digital images and film to the annual Photo Contest. The goal of this contest is to obtain photos and short films that may be used on our website and for other departmental promotional purposes.

Please submit your original images that represent what Anthropology is, and your experiences and research being an anthropologist. Photos could include, but are not limited to: (1) pictures of you and your colleagues in the field, the lab, or the classroom, conducting anthropological research, science, or teaching; (2) pictures of anthropological subjects such as people, animals and landscapes; (3) anthropology of everyday life. Anthropology is an extremely broad and creative subject. Our hope is that submissions will reflect the breadth and depth of the field of anthropology that we as a department experience and research.
