January 20, 2017

Food Security in the Arctic Student Competition

Through a series of three contests, we invite students to address some of the issues inherent in developing environmentally responsible agricultural practices in the Arctic.

- Essay Contest • Media Contest • Engineering Contest

All students enrolled at UAF are eligible.

Guidelines available at www.uaf.edu/snre/fsa

Environmentally Smart Food Production Systems in the Far North

UAF is an AA/EO employer and educational institution.

Food Security in the Arctic Student Competition

Each contest will award 3 prizes for the best entries in its category:

1st place = \$1,000 cash prize and certificate

2nd place = \$500 cash prize and certificate

3rd place = \$250 cash prize and certificate

5 honorable mentions = certificate

**Guidelines
available at
