1. Assessment information collected

Data was collected from courses targeting each ABET Student Outcomes for the first two year cycle within the 6 year ABET review cycle.

2. Conclusions drawn from the information summarized above

Conclusions were drawn from review committees consisting of three faculty members for each of the ABET Outcomes. (full report available upon request) From this the entire faculty met to discuss program conclusions and recommendations which are contained in the “Faculty Recommended Response to 2012-2013 Outcomes Assessments Bachelor of Science in Civil Engineering Program (BSCE), December 4, 2012” attached.

3. Curricular changes resulting from conclusions drawn above

See “Faculty Recommended Response to 2012-2013 Outcomes Assessments Bachelor of Science in Civil Engineering Program (BSCE), December 4, 2012” attached.

4. Identify the faculty members involved in reaching the conclusions drawn above and agreeing upon the curricular changes resulting

See “Faculty Recommended Response to 2012-2013 Outcomes Assessments Bachelor of Science in Civil Engineering Program (BSCE), December 4, 2012” attached.
