Mechanical Engineering, MS  
College of Engineering & Mines, UAF  
2011-12, 2012-13

1. Assessment information collected  
   a. Oral comprehensive exam report from committee chair  
   b. Graduate study plan and GPA  
   c. Authorship in journal manuscripts, reports, and technical documents.

2. Conclusions drawn from the information summarized above  
   a. Graduates are knowledgeable in the advanced topics of their research projects, and able to communicate quantitative information in both oral and written form.  
   b. Graduates are competent in a wide range of advanced mechanical engineering topics.

3. Curricular changes resulting from conclusions drawn above  
   a. A recommended reporting format will be distributed to faculty committee chairs to improve lateral assessment in future.  
   b. No curriculum changes are necessary

4. Identify the faculty members involved in reaching the conclusions drawn above and agreeing upon the curricular changes resulting
