**MISSION STATEMENT:** To be the leaders in foodservice education by providing our community with well qualified foodservice employees. We will continue to hold our students to the highest industry standards. The department is dedicated to student centered learning by providing focused educational subject matter, accomplished in part by leading a student operated restaurant service and externship opportunities.

**GOAL STATEMENT:** Upon completion of the AAS degree, students will have acquired a solid foundation of the knowledge, culinary skills and restaurant skills necessary to be successful in a professional foodservice setting. The advanced foundational knowledge and skills learned from a broad spectrum of topics will help students to secure gainful employment and begin their ascent up the employment ladder. Students will be on their way to achieving their personal goals in the foodservice industry.
