1. Assessment information collected

   A1. Communications Written

   Writing Samples are collected from HSEM F607: Vulnerability and Protection
   and HSEM F603: Disaster Management Policy.

   A2. Communication-Oral

   Video captured oral presentations are collected from HSEM/MBA F665: Strategic
   Collaboration.

   B. Problem Solving

   i. Community and urban planning tools: Data is collected from HSEM F605:
      Community Planning in Emergency Management.

   ii. Disaster Management Cycle: Data is collected from HSEM F690: Security and
       Disaster Management Capstone.

   C. Critical Thinking

   Writing samples will be collected from HSEM F607: Vulnerability and Protection
   to show critical thinking skills evident within the program.

Note: Data is collected every semester and assessment is done every two years by faculty. In AY18
Problem Solving and Critical Thinking were assessed.

2. Conclusions drawn from the collected information summarized above

This program is just in its second year and assessment information is being collected. Next year
will be the first year that we will have enough information to assess.
Student Learning Outcomes Assessment Summary

3. Curricular changes resulting from the conclusions drawn above.
   
   This program is just in its second year and assessment information is being collected. Next year will be the first year that we will have enough information to assess and draw conclusions from.

4. Identify the faculty members involved in reaching the conclusions drawn above and agreeing upon the resulting curricular changes

   All undergraduate changes to the BEM program were addressed by the BEM Assurance of Learning Committee which consists of:

   Sean McGee, Chair
   Cam Carlson
   Sam Alexander
   Troy Bouffard
   Amber Lammers
   Ashley Witt (AOL Staff)
