WHAT'S HAPPENING AT THE LIBRARY?

Summer sun, summer fun, summer reading!

Toddler Time is on Wednesday July 5th & Wednesday July 19th at 11 a.m. in the Cultural Center. This program is designed for kids under 5 but older kids are welcome to join in the fun!

We have a variety of programs for adults this month, including a painting program, kayaking basics, and a screening of "Lord of the Rings".

Kids are invited to join us for crafting, creating, and connecting on Saturday July 29th at 12 p.m. in the cultural center. We will have a variety of crafting activities including a fun one with Perler Beads!

Summer Reading Ends on August 18th so be sure to log those pages to win epic prizes like a Baba's Pizza and Sub gift card, Pokemon cards, or even one of three bikes donated from AC! The more pages you log, the more chances you'll have to win. To learn more about summer reading, go to the library's website at uaf.edu/bethellibrary. You can sign up and log pages there! The raffle will be held during our End of Summer Reading Talent Show. Want to show off your amazing talents? Sign up here <https://forms.gle/S9SVTWyeGsnPUoT96> or by scanning the QR Code:

Yup'ik/Yugtun Language User Guide

Every year, our Jesuit Volunteer works on a capacity building project to help us better serve the community. This year, Olivia Stemkowski made a libguide compiling Yup'ik language resources available from a variety of places. Check it out here!

<https://www.livebinders.com/b/3379246#anchor>

The benefit of this guide is to help people navigate and easily access a variety of materials for the Yugtun language. Most of the materials that are listed are based on the collection of the Kuskokwim Consortium Library.

This guide contains several resources including a map of Alaska Native Languages, Alaska Native language archive, LKSD Yugtun bookstore, and so much more. For more information or for assistance finding additional resources, please contact the KCL Librarian at 907-543-4517.

Quyana Dr. Sally Samson (UAF Kuskokwim Campus), John DiCandeloro (UAF Alaska Native Language Archive), Alice Rearden (Lower Kuskokwim School District) and Ann Fienup-Riordan (Cultural Anthropologist) for your expertise in developing this guide.

Summer Reading is just getting started!

Maximum Ride:

A review

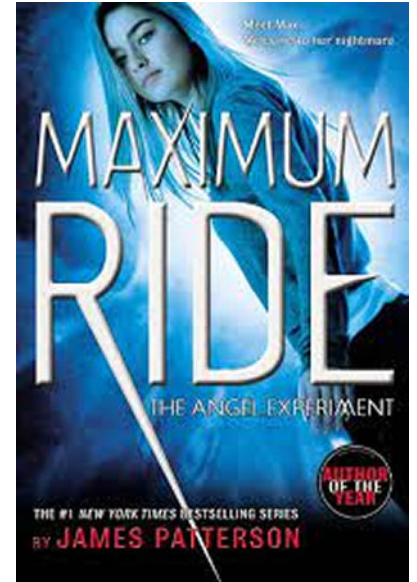

-Thomas Daniels,
Circulation Assistant

Maximum Ride by James Patterson is a young adult fiction series. We recommend it for lovers of science fiction adventure with a hint of mystery to spice things up. The novel has been made into a movie and a graphic novel series.

The story follows a group of teens and twin kids who are living in hiding in the mountains until they are found by a group of scientists-- the same scientist who genetically modified Max and her comrades. They were implanted with avian DNA which granted them wings on their back and made their bones lightweight like a birds so they can fly.

After their second escape from the lab--known as "the school"-- the flock decided to travel the world and somehow ended up trying to save it.

You can find the series and the manga adaptation in our library collection!

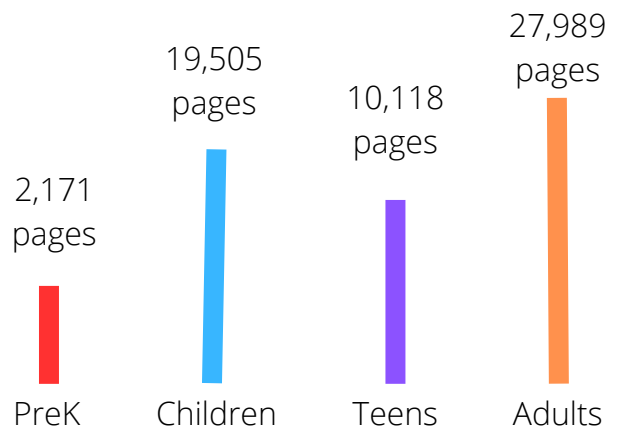

This series, both novel and manga, has a special place in my heart because it was one of the first books that got me interested in reading. I read the manga adaptation of the novel first and love it so much I started reading the actual novel series.

Race to 25k: Congrats to the Adults

What a great job all of the age levels did in the race to 25,000 pages. Children and adults were tied for most of the month of June but adults came through at the end and won our Ice Cream Sundae party and movie showing.

Congrats to our winners! Please fill out this form to let the library know what days work best for you and what movie you would like to see:
