UAF FAMILY FRIENDLY PARKING PERMIT APPLICATION

In support of the Chancellor’s efforts to make the University of Alaska Fairbanks campus more family-friendly, Parking Services initiated the following program to increase accessibility for expectant and new mothers who need to park close to their classes or workplace. The goal is to provide parking locations close to entrances for shorter, safer walks. The UAF Office of the Bursar, with the support of the UAF Office of Diversity and Equal Opportunity, will issue special Family Friendly permits for expecting and new mothers who demonstrate a need for close-in parking. This permit will allow parking in designated Pay-By-Plate lots in the core of campus without paying hourly prices.

Note: The permit is only valid with a current UAF decal or hanger.

Instructions: Employees should complete and sign the parking form. You will need the signature of your physician and the period for which you would require the permit. Please drop off the completed forms at the Bursar’s Office, First Floor Signers’ Hall, or mail them to the above address. Indicate whether you would like to pick up or have your permits mailed. If you have questions or need additional information, please do not hesitate to contact the Bursar’s Office.
