MEMORANDUM

TO: UAF Office of the Bursar

FROM: Camille Carpenter, UA HR Accounting Manager

DATE: October 7, 2020

SUBJECT: Pre-Tax Parking Deduction

Myron Dosch, UA Statewide CFO instructed our department in the spring, 2020 to re-enact the pre-tax parking deduction code. We determined the best time to re-enact the pre-tax deduction code was August 1, 2020 and instructed HRIS to turn the pre-tax deduction code on. As of August 1, 2020, payroll parking deductions for UAF and UAA have been pre-tax deductions.
