Degree: B.B.A.

Minimum Requirements for Degree: 123 credits

The accounting department offers an extensive program for those interested in the fields of general accounting, auditing, managerial accounting, taxation and government accounting. The objectives of the program are to provide a strong business background through an understanding of accounting and to train students for employment in accounting work.

The UAF accounting program is accredited by AACSB, the International Association for Management Education. The AACSB accredits 120 programs nationwide, and the UAF accounting program is the only program in Alaska with AACSB accreditation.

The accounting program prepares students for certification as Certified Public Accountants (CPA), Certified Management Accountants (CMA), Certified Financial Managers (CFM), Certified Internal Auditors (CIA) and Certified Fraud Examiners (CFE). The UAF accounting program places nearly 100% of its graduates.
