Degree: A.A.S.

Minimum Requirements for A.A.S. degree: 60 credits

The applied accounting program prepares students for entry-level accounting positions in payables and/or receivables, bookkeeping and payroll accounting. This program covers financial decision-making tools for the small business operator as well.

Courses in the applied accounting program address the concerns of modern business people and provide the training necessary to enhance business success. The applied accounting program may prepare a student to enter the Rural Development B.A. degree program and the Technology B.T. degree program.

Classes are scheduled in the evening to accommodate working students. Microcomputer and office technology labs are available for "hands on" training.
