

# Arctic Skills

**College of Rural Alaska  
Industrial and Service Technology Division  
(907) 474-7609  
Minor only**

The minor in arctic skills prepares a person to cope with the outdoor arctic environment. Anyone who lives and works in a northern climate will benefit from the skills developed in this minor.

Completion of the minor will also earn the student a State of Alaska EMT I certificate and may prepare a student to take the FAA written exam for partial fulfillment of the private pilot certificate.
