M.Ed. Degree

Minimum Requirements for Degree: 48 or 51 credits

The primary purpose of this program is to prepare counselors at the graduate level with specific training in the areas of counseling and consultation for education, social and career decisions. Completion of this program meets requirements for Alaska licensure as a school counselor. In addition, this program may also serve as a basis for pursuing additional requirements necessary for licensure as a professional counselor (i.e., mental health).

The program emphasizes a developmental perspective, focusing on issues pertinent to providing guidance and counseling services, consultation and program development in multicultural settings.
