Applying for Admission: Occupational Endorsement Programs

When to Apply

Applications for admission to occupational endorsement programs are due no later than June 15 for fall semester, Nov. 1 for spring semester or May 1 for summer semester.

High school seniors are encouraged to apply for admission as early as the first semester of their senior year and should provide an official high school transcript including a list of courses in progress.

How to Apply

Apply online at www.uaf.edu/admissions/. Application forms may also be printed from the above website or requested from the Office of Admissions and the Registrar. Before an application can be reviewed, the Office of Admissions and the Registrar must receive:

- **Application for Admission**
Applications must be received before the published deadlines. There is no fee to apply for an occupational endorsement program.
- **Transcripts**
Most applicants to occupational endorsement programs are not required to submit high school or college transcripts but all are strongly encouraged to do so. Transfer students who want to receive credit for prior work must submit official transcripts.

Admission Requirements

For admission to occupational endorsement programs, official documentation must be provided showing that the applicant:

- A. is at least 18 years old, or
- B. has a high school diploma*, or
- C. has a General Educational Development (GED) diploma.

* To earn a high school diploma in Alaska, a student must fulfill all curriculum requirements and satisfactorily complete all three competency areas of the High School Qualifying Exam. Please note that in order to qualify for federal financial aid, you must have either a high school diploma or a GED.

Program Completion

Students should check with an advisor for the specific requirements for their program.

Occupational endorsement programs are designed to give students occupational training in a specific field. These programs require between 9 and 29 credit hours and will be posted to the student's transcript upon completion and approval by the academic department. The credit hours may be applied to other undergraduate degree programs (when applicable).

Applying for Admission: Certificate or Associate Degree Programs

When to Apply

Freshman and transfer applications for admission to certificate or associate degree programs are due no later than June 15 for fall semester, Nov. 1 for spring semester or May 1 for summer semester.

High school seniors are encouraged to apply for admission as early as the first semester of their senior year and should provide an official high school transcript including a list of courses in progress. Transfer students should apply at least three to four months prior to the beginning of the semester in which they plan to enroll.

How to Apply

Apply online at www.uaf.edu/admissions/. Application forms may also be printed from the above website or requested from the Office of Admissions and the Registrar. Before an application can be reviewed, the Office of Admissions and the Registrar must receive:

- **Application for Admission**

Applications must be received before the published deadlines, along with a \$40 nonrefundable processing fee. The fee should be paid by check, credit card or money order in U.S. funds to the University of Alaska Fairbanks. Please do not send cash.

- **Transcripts**

Most applicants to certificate and associate degree programs are not required to submit high school or college transcripts but all are strongly encouraged to do so. Transfer students who want to receive credit for prior work must submit official transcripts.

- **Test Results**

Certificate and associate degree applicants with fewer than 30 semester credit hours must submit the results of the ACT Plus Writing (preferred), SAT or ACCUPLACER test. Test results for English and composition must be less than two years old; for math, less than one year old. These test scores are used to place the student in English, mathematics and other freshman courses.

Contact Testing Services at 907-474-5277 or your high school guidance office for information concerning the ACT Plus Writing, SAT or ACCUPLACER tests.

- **International Students**

See page 31 for additional information.

Admission Requirements

For admission to associate/certificate programs, official documentation must be provided showing that the applicant:

- is at least 18 years old, or
- has a high school diploma*, or
- has a General Educational Development (GED) diploma.

* To earn a high school diploma in Alaska, a student must fulfill all curriculum requirements and satisfactorily complete all three competency areas of the High School Qualifying Exam.

Students under the age of 18 who will not have a high school diploma or GED prior to the start of their first semester are not admissible but may take courses as a non-degree student. Upon turning 18 they may apply for admission to an associate or certificate level program. Please note that in order to qualify for federal financial aid, you must have either a high school diploma or a GED.

TRANSFER STUDENTS

Transfer students are eligible for admission if they left their previous accredited institution(s) in good standing. Admission status will be determined on an individual basis if a student attended an unaccredited postsecondary institution. Students transferring with fewer than 30 semester hours of transferable credit must submit placement scores from the ACT Plus Writing (preferred), SAT or ACCUPLACER test. Test results must be less than two years old. See Transferring Credits on page 34 for more information.

HIGH SCHOOL STUDENTS

High school students may take classes at UAF. There are two enrollment options — Secondary Student Enrollment and TECH PREP; both have specific registration requirements but do not require admission to UAF.

HOME-SCHOOLED STUDENTS

Home-schooled students may be admitted to an associate or certificate program if the student is at least 18 years old, holds a GED, graduated from a state-sponsored correspondence program with a high school diploma or with the approval of the director of admissions.

After Acceptance

Qualified applicants will receive a letter of acceptance once all items are received and evaluated. This letter will list any conditions under which the student is being admitted.

Qualified applicants who are in their last year of high school or who are attending another college will receive conditional acceptance. Acceptance becomes final when the Office of Admissions and the Registrar receives official transcripts showing the student has satisfactorily completed all work in progress and that high school seniors have graduated. Acceptance to UAF is final only when the Office of Admissions and the Registrar has accepted all necessary credentials.

REQUEST TO POSTPONE

An offer of admission to UAF is valid for the semester for which the applicant applied. Requests to postpone admission until a later semester may be made in writing to the Office of Admissions and the Registrar. Admission may be postponed for up to one calendar year. Students are required to notify the Office of Admissions and the Registrar if they are attending another school outside the University of Alaska Statewide System.

READMISSION OF FORMER DEGREE-SEEKING STUDENTS

Undergraduate degree-seeking students who choose not to enroll for a semester or more may be eligible to re-enroll in their original degree program without reapplying for admission. Students remain eligible to register for classes if:

- they have not been academically disqualified,
- they have not attended a non-UA institution since they were last enrolled at UAF,
- their lapse in enrollment is less than five years, and
- they are continuing with the same degree program as before.

Students who meet all of the above requirements should consult with their academic advisor and register for classes. Students who do not meet all of these requirements should submit an undergraduate application for admission along with the \$40 processing fee and transcripts of any non-UA course work taken. Students who are unsure about their status should contact the Office of Admissions and the Registrar.

Fresh Start for Returning Students

Fresh Start can offer a new beginning for students who performed poorly at UAF when enrolled at least two years ago. Students who withdrew from school or were dismissed for academic reasons may apply for readmission and request that their entire prior academic record be disregarded. Students who qualify for Fresh Start will begin their college study anew with no credits attempted or earned, and no quality points reflected in future GPA calculations. Fresh Start can be used only once.

At least two years must have elapsed since the beginning of the last semester the applicant attended UAF. The applicant may be asked to present evidence that the conditions which resulted in poor academic performance have changed enough so there is a reasonable expectation that the student can perform satisfactorily if permitted to resume college study.

All prior course work will remain part of the student's overall academic record and appear on transcripts, but none of the previously earned credits can be used in a new program. These credits will be included only in GPA computations for graduation with honors (see Graduation with Honors, page 96). A student admitted under Fresh Start may be allowed advanced standing or a waiver of requirements just as any other student, but will not be allowed credit by exam for courses lost in Fresh Start. Students who are interested in Fresh Start should contact the Office of Admissions and the Registrar.

Readmission of Servicemembers

The Higher Education Opportunity Act of 2008 requires that students who left school to serve in the uniformed services be readmitted into the same program with the same standing they had when they left. UAF allows for special readmission of these students. More information is available at www.uaf.edu/admissions/other/military/.

Applying for Admission: Bachelor's Degree Programs

When to Apply

Freshman and transfer applications for admission to a bachelor's degree program are due no later than June 15 for fall semester, Nov. 1 for spring semester or May 1 for summer semester.

Students applying to baccalaureate programs after the published deadlines will be considered for admission into pre-major (see page 26), bachelor's intended status. Applications are processed in the order they are received. Applications received after the published deadlines may not be processed by the beginning of the semester.

High school seniors are encouraged to apply for admission as early as the first semester of their senior year and should provide an official high school transcript including a list of courses in progress. Transfer students should apply at least three to four months before the beginning of the semester in which they plan to enroll.

How to Apply

Apply online at www.uaf.edu/admissions/. Application forms may also be printed from the above website or requested from the Office of Admissions and the Registrar. Before an application can be reviewed, the Office of Admissions and the Registrar must receive:

- **Application for Admission**

Applications must be received before the published deadlines, along with a \$50 nonrefundable processing fee. The fee should be paid by check, credit card or money order in U.S. funds to the University of Alaska Fairbanks. Please do not send cash.

Students applying to baccalaureate programs after the published deadlines will be considered for admission into premajor, bachelor's intended status. Applications are processed in the order they are received. Applications received after the published deadlines may not be processed by the beginning of the semester.

- **Transcripts**

High school transcripts — Applicants with no college course work or fewer than 30 transferable semester credit hours of college credit must also submit official high school transcripts.

College transcripts — Applicants who have college-level coursework must send official college or university transcripts to UAF. To be considered official, transcripts must arrive in sealed envelopes from each institution attended.

International — International applicants must present an evaluation of all required academic transcripts compiled by an independent academic credential evaluation provider. UAF requires that all applicants use one of the providers listed at www.uaf.edu/admissions/international/undergrad/ for this service. Please make note of the following:

- Transcripts/credentials from Canadian institutions are exempt from this requirement; they may be sent directly to UAF from the issuing institution (this excludes institutions in the Province of Quebec).
- One official copy of the transcript(s) should be sent from the applicant's international university to UAF. A second copy should be sent to the credentialing agency directly.
- Request the comprehensive course-by-course credential report.
- Undergraduate students seeking to transfer credits to UAF must send course descriptions or course catalogs (in English) directly to the UAF Office of Admissions and the Registrar.
- **Test Results**
Freshman and transfer applicants with fewer than 30 semester credit hours must submit the results of either the ACT Plus Writing (preferred) or the SAT examination. Test results for English and composition must be less than two years old; for math, less than one year old. These test scores are used to help place the student in English, mathematics and other first year courses.
Contact Testing Services at 907-474-5277 or your high school guidance office for information concerning the ACT Plus Writing or SAT. Please note, the ACCUPLACER, ASSET, COMPASS or other placement tests do not satisfy this requirement.
- **International Students**
See page 31 for additional information.

Admission Requirements

For admission to baccalaureate level programs, applicants must fulfill either:

Option 1:

- have a high school diploma*, and
- pass the 16-credit high school core curriculum (see Table 1) with a GPA of at least 2.5, and
- have a cumulative GPA of 3.0. No minimum ACT or SAT score is required, **OR**

TABLE 1 **HIGH SCHOOL ENTRANCE REQUIREMENTS FOR ALL BACHELOR'S DEGREE PROGRAMS***

English	Math	Social Sciences	Natural/Physical Sciences	Foreign Language**
High School Core Curriculum—Required for all freshmen; 2.50 GPA in core; 16 credits total, which must include:				
4 cr	3 – 4 cr in college preparatory mathematics (selected from Algebra I, II, geometry, trigonometry, elementary functions, precalculus or calculus)	3 – 4 cr	3 – 4 cr (includes 1 cr lab science course in biology, chemistry or physics)	2 cr
College of Engineering and Mines • College of Natural Science and Mathematics • School of Fisheries and Ocean Sciences • School of Natural Resources and Agricultural Sciences				
4 cr	Algebra-2 cr; Geometry-1 cr; Trigonometry-½ cr; At least an additional ½ cr of advanced math is recommended for computer science, mathematics, physics, statistics and engineering.	3 – 4 cr	Physics or Chemistry-1 cr; Natural Sciences-1 cr; Elective-1cr. Both physics and chemistry are strongly recommended for engineering.	Same as high school core
College of Liberal Arts • School of Management • College of Rural and Community Development • General Studies (undecided or exploratory)				
4 cr	Same as high school core; School of Management students should be well prepared in mathematics with at least Algebra II, but precalculus or higher preferred.	3 – 4 cr	Same as high school core	Same as high school core

* To earn a high school diploma in Alaska, you must fulfill all curriculum requirements and satisfactorily complete all three competency areas of the High School Qualifying Exam.

** Recommended but not required.

Option 2:

- have a high school diploma*, and
- pass the 16-credit high school core curriculum (see Table 1) with a GPA of at least 2.5, and
- have a cumulative GPA of 2.5, and submit results of the ACT Plus Writing (preferred) with a score of 18 or SAT with a score of 1290.

Admission to a specific baccalaureate degree program is based on a combination of your high school GPA and completion of specific high school courses. See Table 1 above for entrance requirements to specific colleges and schools within the university.

Test results from the ACT Plus Writing (preferred) or SAT must be received before a student can be fully admitted. Test results for English and composition must be less than two years old; for math, less than one year old. This requirement will be waived for students who have successfully completed, with a grade of C or better, the equivalent of 3 credits of 100-level math and 100-level English composition from a regionally accredited institution of higher education within the last two years.

* To earn a high school diploma in Alaska, you must fulfill all curriculum requirements and satisfactorily complete all three competency areas of the High School Qualifying Exam.

PRE-MAJOR

Students who have not met the minimum requirements for admission to a baccalaureate degree program will be admitted to pre-major status within the department of their choice.

Students will be changed to major status when they are in good standing and have completed 14 credits at the 100-level or above with a C (2.0) average or higher, 9 credits of which must satisfy baccalaureate core requirements.

Please note that in order to qualify for federal financial aid, you must have either a high school diploma or a GED.

GENERAL STUDIES

Students accepted to baccalaureate-level programs who do not select a major will be admitted as general studies students. This program is administered by the vice provost. General studies students with 75 or more earned credits are required to declare a major prior to registration. Students receiving GI assistance or veterans' benefits may be required to change to a declared major to keep their benefits award. Students must have declared a major in order to participate in the Western Undergraduate Exchange program.

TRANSFER STUDENTS

A transfer student is defined as someone coming into the university with at least 30 transferable semester credits. Transfer students are eligible for admission to a baccalaureate program if they have a 2.0 GPA in their previous course work and left their previous institution(s) in good standing. If applying to a technical or scientific program, students may need to present a higher grade average and proof that they have completed appropriate background courses before they will be admitted. Students transferring into a baccalaureate degree program with fewer than 30 semester hours of transferable credit must also meet the freshman admission requirements listed on page 25. Admission status for students who have attended an unaccredited postsecondary institution will be determined on an individual basis. See Transferring Credits on page 34 for more information.

PROBATIONAL ACCEPTANCE

Applicants with previous college course work may be admitted with probationary status if their cumulative or most recent term grade point average is less than C (2.0).

HIGH SCHOOL STUDENTS

High school students may take classes at UAF. One program, Alaska Higher Education Admission Decision (AHEAD), requires formal admittance to UAF. The other two enrollment options, Secondary Student Enrollment and TECH PREP, have specific registration requirements but do

not call for admission to UAF. See the registration section for description of non-admission opportunities.

- **AHEAD Program**

The Alaska Higher Education Admission Decision program allows qualified high school students to be formally admitted to UAF as general studies students. AHEAD students are assigned an academic advisor and follow the registration timeline for degree-seeking students. To qualify, students must have completed three-fourths of their high school core curriculum and have a cumulative 3.0 GPA or higher. Students who wish to apply to the AHEAD program may pick up a program application and a UAF undergraduate application for admission from their high school counseling office, or from the UAF Office of Admissions and the Registrar. Please note that in order to qualify for federal financial aid, you must have either a high school diploma or a GED.

HOME-SCHOOLED STUDENTS

Home-schooled students who have gone through a state-recognized program and have a valid high school diploma may be admitted to a baccalaureate program according to UAF admission standards. See page 25 for more information.

For home-schooled students who have not gone through a state-recognized program, admission to a baccalaureate degree is through an individual review by the director of admissions (or a designee). Applicants are required to submit scores from either the SAT or ACT Plus Writing prior to an admission review. Additional supporting documentation, such as letters of recommendation, may be requested for review by the director of admissions. In some cases, files will be shared with department chairs or faculty for further review.

Students who have not met the minimum requirements for admission to a baccalaureate degree program will be admitted to pre-major status within the department of their choice.

Students will be changed to major status when their admissions file is complete, they are in good standing, and they have completed 14 credits at the 100-level or above with a C (2.0) average or higher, 9 credits of which must satisfy baccalaureate core requirements.

It is especially critical that home-schooled applicants request admission to a baccalaureate program if they anticipate receiving scholarships that require enrollment in a four-year degree program.

After Acceptance

CONDITIONAL AND FINAL ACCEPTANCE

Qualified applicants will receive a letter of acceptance once all items are received and evaluated. This letter will list any conditions under which the student is being admitted.

Qualified applicants who are in their last year of high school or who are attending another college will receive

conditional acceptance. Acceptance becomes final when the Office of Admissions and the Registrar receives official transcripts showing the student has satisfactorily completed all work in progress and that high school seniors have graduated. Acceptance to UAF is final only when the Office of Admissions and the Registrar has accepted all necessary credentials.

REQUEST TO POSTPONE

An offer of admission to UAF is valid for the semester for which the applicant applied. Requests to postpone admission until a later semester may be made in writing to the Office of Admissions and the Registrar. Admission may be postponed for up to one calendar year. Students are required to notify the Office of Admissions and the Registrar if they are attending another school outside the University of Alaska Statewide System.

APPLYING FOR A SECOND BACHELOR'S DEGREE

A student who has already earned a bachelor's degree at another institution and wants to complete a second bachelor's degree must apply for admission as an undergraduate transfer student. Upon official acceptance to a UAF undergraduate degree program, a student who earned a bachelor's degree from a regionally accredited institution will be considered to have completed the equivalent of the UAF baccalaureate core.

READMISSION OF FORMER DEGREE-SEEKING STUDENTS

Undergraduate degree-seeking students who choose not to enroll for a semester or more may be eligible to re-enroll in their original degree program without reapplying for admission. Students remain eligible to register for classes if:

- they have not been academically disqualified,
- they have not attended a non-UA institution since they were last enrolled at UAF,
- their lapse in enrollment is less than five years, and
- they are continuing with the same degree program as before.

Students should be aware that poor academic performance at other campuses in the UA system may affect academic standing upon their return to UAF. Students who meet all of the above requirements should consult with their academic advisor and register for classes. Students who do not meet all of these requirements should submit an undergraduate application for admission along with the \$50 processing fee and transcripts of any non-UA course work taken. Students who are unsure about their status should contact the Office of Admissions and the Registrar.

- **Fresh Start for Returning Students**

Fresh Start can offer a new beginning for students who performed poorly at UAF when enrolled at least two years ago. Those who withdrew from school or were dismissed for academic reasons may apply for readmission and request that their entire prior academic record be disregarded. Students who qualify for Fresh Start begin their college study anew with no credits

attempted or earned, and no quality points reflected in future GPA calculations. Fresh Start can be used only once.

At least two years must have elapsed since the beginning of the last semester the applicant attended UAF. The applicant may be asked to present evidence that the conditions which resulted in poor academic performance have changed enough so there is a reasonable expectation that the student can perform satisfactorily if permitted to resume college study.

All prior course work will remain part of the student's overall academic record and appear on transcripts, but none of the previously earned credits can be used in a new program. These credits will be included only in GPA computations for graduation with honors (see Graduation with Honors, page 134). A student admitted under Fresh Start may be allowed advanced standing or a waiver of requirements just as any other student, but will not be allowed credit by exam for courses lost in Fresh Start.

- **Readmission of Servicemembers**

The Higher Education Opportunity Act of 2008 requires that students who left school to serve in the uniformed services be readmitted into the same program with the same standing they had when they left. UAF allows for special readmission of these students. More information is available at www.uaf.edu/admissions/other/military/.

Applying for Admission: Graduate Degree Programs

When to Apply

Applicants should apply to a graduate degree program six to nine months before the beginning of the semester in which they plan to enroll. At the latest, applications for graduate admission with all supporting documentation, transcripts and test scores must be received by June 1 for the fall semester and Oct. 15 for the spring semester. Earlier deadlines apply for international applicants.

Most departments require much earlier submission of credentials for graduate study. Contact the prospective department for specific deadlines; the number of students accepted is limited.

Graduate students are strongly encouraged to apply early. Applications received near deadline will be processed as time permits or may be considered for the following semester.

How to Apply

Apply online at www.uaf.edu/admissions/. Application forms may also be printed from the above website or requested from the Office of Admissions and the Registrar. Before an application can be reviewed, the Office of Admissions and the Registrar must receive:

- **Graduate Application for Admission**

Applications must be received before the published deadlines, along with a \$60 nonrefundable processing fee. The fee should be paid by check, credit card or money order in U.S. funds to the University of Alaska Fairbanks. Please do not send cash.

- **Transcripts**

The Office of Admissions and the Registrar requires official transcripts of all college-level course work. To be considered official, transcripts must arrive in sealed envelopes from each institution attended.

- **Transcripts for International Applicants**

International applicants must submit official transcripts showing that a bachelor's degree has been or will be earned, and must submit certified English translations of transcripts of all college-level course work to the Office of Admissions and the Registrar.

- **Test Results**

Results of the Graduate Record Exam (GRE) are required from applicants to most graduate programs. Some programs also require GRE subject exams. MBA program applicants are required to submit scores from the Graduate Management Admission

Test (GMAT). Refer to the admission requirements of your prospective degree program to determine which tests are required. Results of the GRE are required for all students whose cumulative undergraduate GPA is below a B (3.0) average regardless of the departmental requirement.

- **Resume/Vitae**

Include work and research experience, publications, patents, honors, professional and civic memberships, and foreign travel.

- **Statement of Academic Goals**

Write a statement indicating why study is desired in a particular program. Include qualifications and educational experience. (For applicants to education programs, a four-to-five-page self-evaluation essay is required.)

- **Letters of Recommendation**

Send at least three letters of recommendation from people able to vouch for the applicant's academic work, character and ability to undertake graduate study and research.

- **Master of Fine Arts Applicants**

Master of fine arts applicants must submit writing samples when applying for admission to the creative writing program. An art portfolio (usually slides) must be submitted when applying to the program in art.

- **Interdisciplinary Applicants**

Submit a Graduate Study Plan (available for download at www.uaf.edu/inds/) and a short research proposal. Applicants must also obtain commitment from a UAF faculty member to serve as advisory committee chair. Contact the Graduate School for specific interdisciplinary procedures.

- **International Students**

See page 31 for additional information.

- **Students in Western Regional Graduate Programs**

Students from Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming may be eligible for resident tuition through the Western Regional Graduate Program/Western Interstate Commission for Higher Education (WRGP/WICHE). This program is for students pursuing a graduate degree in clinical-community psychology, justice, northern studies or rural development. For more information about this program, contact the Graduate School at 907-474-7464, gradschool@uaf.edu, or online at www.uaf.edu/gradsch/. Students with questions may

also contact the WICHE Student Exchange Program at P.O. Box 9752, Boulder, CO 80301-9752, 303-541-0210, or online at <http://wrgp.wiche.edu>.

Admission Requirements

In general, applicants may be admitted to a graduate program if they have a bachelor's degree from an accredited institution with at least a 3.0 (B) cumulative undergraduate GPA and a 3.0 (B) GPA in your major. Equivalent accomplishments at a foreign university may be substituted. The undergraduate major should provide suitable preparation for continuation of studies in the field of choice. Some programs require the Graduate Record Exam (GRE) or Graduate Management Admission Test (GMAT) and other special criteria for admission.

For the purposes of admission to graduate study, all grades, including those generated from retaking a course, are included in calculating GPA.

Program heads and/or committees in fields of interest will determine the adequacy of the student's preparation and whether or not departmental facilities are sufficient for their aims.

Information on specific degree programs is available from academic departments or by contacting the Graduate School at 907-474-7464, gradschool@uaf.edu, or online at www.uaf.edu/gradsch/.

After Acceptance

Qualified applicants can be accepted for admission while enrolled in their last semester at another college. Acceptance is conditional, however, pending receipt of the final transcript indicating satisfactory completion of work in progress and the completion of graduation requirements prior to enrollment at UAF.

Final acceptance to UAF is complete only when the Office of Admissions and the Registrar receives and accepts all credentials.

REQUEST TO POSTPONE

An offer of admission to UAF is valid for the semester for which the applicant applied. Requests to postpone admission until a later semester may be made in writing to the Office of Admissions and the Registrar. Admission may be postponed for up to one calendar year with the approval of the academic department and the dean of the graduate school. Students are required to notify the Office of Admissions and the Registrar if they are attending another school outside the University of Alaska Statewide System.

All graduate student requests to postpone are subject to approval by the department to which the student is applying.

Applying for Admission: International Students

When to Apply

Applications for admission from international students must reach the Office of Admissions and the Registrar before March 1 for the fall semester and Sept. 1 for the spring semester.

Processing applications for international students takes several months. International students must complete all UAF application requirements as well as meet requirements for U.S. immigration agencies.

Admission Requirements

Information regarding the process for application to baccalaureate or graduate programs can be found in the Getting Started section of this catalog beginning on page 25.

• Transcripts

The Office of Admissions and the Registrar requires official transcripts of all high school and/or college-level course work signed and sealed by the registrar of the institution(s) attended. Transcripts must be issued in the original language and also must include certified English translations. Please see page 25 for undergraduate student transcript requirements and page 29 for graduate student transcript requirements.

• Immigration requirements

Once a student has been accepted to UAF, the Office of International Programs and Initiatives will issue a Form I-20, which students must present at a U.S. embassy or consulate in their country of citizenship in order to obtain an F-1 (student) visa. The I-20 form requires the university to certify to U.S. immigration agencies that a student has been accepted for full-time enrollment and has sufficient funds to meet estimated expenses for an academic program.

Anyone who is already in the United States on an F-1 visa must maintain a full-time course load and may not enroll as a part-time student (less than 12 credits per semester for undergraduate students, or less than 9 credits per semester for graduate students).

• Financial Statements and Documentation

International students must sign a financial statement and provide documentation that they have funds available to pay all expenses at UAF, as well as round-trip transportation between their home and Alaska. Because the application for F-1 visas requires international students to affirm that they do not intend to live in the United States permanently, they are not eligible for resident tuition fees.

The minimum estimated cost for one school year at UAF for an international student is \$27,965 for undergraduate students, and \$28,195 for graduate students. This covers university fees, room and board on campus, and a reasonable amount of personal expenses. It does not include transportation to and from Alaska, summer living or winter clothing costs. Add approximately \$4,500 for summer living expenses.

Residents of countries which hold approved sister city/sister province agreements qualify for resident tuition. A complete list of sister cities and provinces can be found at www.alaska.edu/bor/policy-regulations/ in Chapter 5.10, Tuition and Student Fees. For additional information see Estimated 2012 – 2013 UAF Annual Costs on page 7.

English Proficiency Requirements

Students on an F-1 visa are required to submit scores from the TOEFL (Test of English as a Foreign Language) or the IELTS (International English Language Testing System) exam unless English is the primary language of their country of origin (i.e., Great Britain, New Zealand, Australia or Canada [except Quebec]). English proficiency may be demonstrated by:

1. Passing the TOEFL with a minimum score of 79 (Internet-based exam), or 213 (computer-based exam), or 550 (paper-based exam) or
2. Passing the IELTS with a minimum score of 6.5.

A score from the TOEFL or IELTS is required and cannot be waived even though English may be the language of instruction in your educational system. Additionally, some graduate departments may require a higher TOEFL or IELTS score in order to qualify for admission.

Requests for exception to this policy must be submitted in writing to the Office of Admissions and the Registrar. At minimum, students must demonstrate:

1. Completion of four years of college preparatory English and graduation from high school or the equivalent in a country where English is the official language of instruction; or
2. Successful completion (C or higher) of college-level English; or
3. Other substantiation acceptable to the Office of Admissions and the Registrar. Other tests may be required to satisfy application requirements for specific undergraduate or graduate degree programs.

Undergraduate Course Placement and Transfer Credits

Course Placement

PLACEMENT BY TEST

Students need to have UAF-approved placement test scores prior to registering for their first-semester classes. Students place into classes in the following ways: standardized test scores (ACT Plus Writing, SAT, ASSET, or ACCUPLACER), advanced placement credits, transfer credits or prerequisite coursework. Placement tests are available at every UAF community campus as well as Testing Services, the Academic Advising Center, Community and Technical College, Rural Student Services, e-Learning and Distance Education, and Northern Military Programs at Fort Wainwright, Eielson Air Force Base and Delta Career Advancement Center.

Students who meet basic skills standards in reading, writing and mathematics may enroll in the appropriate 100-level or above courses. Those whose scores place below these standards are required to enroll in the appropriate developmental education courses. Once these students have satisfactorily met the criteria for these courses, they may register for 100-level courses.

Students need English placement at ENGL F111X or above (including reading) in order to enroll in Perspectives on the Human Condition core courses. Students need mathematics placement at DEVM F105 or above, and ENGL F111X placement (including reading), to register for science courses.

Placement exams must be taken within two calendar years prior to the start of a course; mathematics placement exams must be taken within one calendar year prior. Students enrolling in developmental or lower division core

courses must have completed any prerequisite courses within two calendar years of their enrollment. Academic advisors will assist with proper course placement for incoming and continuing students.

Students who enroll in a developmental or core course without meeting placement or prerequisite requirements may be withdrawn from the course through the faculty-initiated withdrawal process.

ENGLISH

Placement into English or developmental English courses requires a scored writing sample: SAT, ACT Writing, ASSET, COMPASS, ACCUPLACER, or a UAF-generated writing sample. Minimum scores for placement into English and developmental English courses are listed in Table 3 and Table 4. A student will be placed in English F111X if the student's ACT writing test score is 7 or above, the ACT English score is 18 or above, or the ACT reading score is 22 or above (or the student's SAT writing score is 430 or above, the SAT critical reading score is 510 or above, or the score on another university-approved placement test is equivalent). However, if the student's standardized test scores are below these minimums and the high school cumulative GPA is 3.0 or higher, the student may enroll in English F111X with permission of the director of composition or community campus English/humanities faculty.

On the basis of test scores, students may be required to take developmental English and/or developmental studies courses. These courses help students gain competencies necessary for success in college-level courses. Students who earn a C or higher in DEVE F070, DEVE F109 or DEVS F104 place into English F111X automatically and do not have to re-test.

MATHEMATICS

Mathematics course placement varies according to the type of degree the student is planning to pursue and the corresponding math course(s) needed. (See the degree program requirements for more detail.) ACT Plus Writing, SAT, ACCUPLACER, ASSET, or COMPASS test scores are used to determine math placement. Minimum test scores for placement into math and developmental math courses are listed in Table 2.

FOREIGN LANGUAGE

Students may not register for foreign language classes higher than F101 unless they have received credit through CLEP, AP, transfer or another UAF-approved test for the prior levels. Students may enroll in the level of a language at which they are competent, based on prior experience.

COURSE PREREQUISITES

Course prerequisites indicate what previous preparation is needed to enroll in a course. An instructor has the right to drop any student from the course if he or she does not meet the prerequisite or has not received a grade of C (2.0) or better in all prerequisite courses.

Transferring Credits

Credit accepted at UAF that has been earned from other regionally accredited institutions, through military educational experiences or credit accepted by special approval is considered transfer credit. Where possible, transfer credit is equated with UAF courses. See Table 5 for a list of substitutions within the University of Alaska System and Table 6 for substitutions from non-UA institutions. UAF is a member of the Servicemembers Opportunity Colleges network.

Note: In cases where a student has multiple placement test scores, placement recommendations will be made using the test scores which provide the highest placement.

Academic advisors should check test score dates on BANNER or UAOnline and strongly recommend that students retest if their scores are more than two years old.

* The ACT English Test score determines placement for students who have different placement actions based on their ACT Writing test score.

** The English department is working with community campuses to develop a separate process for students with limited access to ACT/SAT tests who are highly skilled in writing to be placed into ENGL F211X/213X.

*** DEVE F109—Preparatory College Writing III or DEVS F104—University Communications is strongly recommended for students who earn a grade of C or lower in DEVE F070 or earn lower than a C in ENGL F111X on their first attempt.

For additional information about the SOC program, contact the Office of Admissions and the Registrar.

UAF's transfer credit resource website at <http://uaonline.alaska.edu> shows most courses previously evaluated by UAF and is an unofficial reference for undergraduate students who are considering transferring to UAF. An official evaluation of transfer credits will be provided after formal application and admission to a degree program at UAF.

The following regulations apply to transfer of credit:

1. Students are eligible for transfer of credit if they have been admitted to an undergraduate degree or certificate program.
2. The applicability of transfer credit to a student's major and/or minor requirements is subject to approval by the major and/or minor department. Transfer students must fulfill the UAF graduation and residency requirements, including those specific to their programs.
3. Undergraduate credits earned at the 100-level or above with a C- grade or higher at institutions accredited by one of the six regional accrediting agencies will be considered for transfer. Transfer credit is not granted for courses with doctrinal religious content or for graduate courses (for undergraduate programs).
4. Transfer credit is awarded for courses in which the student received grades of C- or better. Instructor permission may be required for purposes of registration if the transfer credit courses have not satisfied the prerequisite requirements, or if the transferable grade is not equal to a C (2.0) or better (the minimum grade required for prerequisite courses).

5. Any student who has completed a bachelor's degree from a regionally accredited institution will be considered to have completed the equivalent of the baccalaureate core and the associate of arts core when officially accepted to a baccalaureate degree program or associate of arts program at UAF. These students will also be considered to have completed the equivalent of the communication, computation and human relations requirements for the associate of applied science and the certificate.
6. Any student who has completed an associate of arts or an associate of science degree from a regionally accredited school satisfying one of the criteria below will be considered as having satisfied the 100- and 200-level UAF general education (core) requirements:
 - a. The AA or AS degree is from the University of Alaska, or
 - b. The public universities in the state in which the community college is located also waive their core requirements in recognition of completing an AA or AS degree, that is, have established a 2+2 program, or
 - c. The community college and/or community college district is accredited by the Northwest Commission on Colleges and Universities (the agency that accredits UAF), or
 - d. The associate program has been approved by the UAF Core Review Committee as satisfying the 100- and 200-level general education (core) requirements.
7. Students who satisfy UAF core degree requirements by meeting criteria described in 5 or 6 above may still need prerequisite classes or instructor permission in order to register.
8. Transfer credit is not included in computation of the UAF GPA, except to determine eligibility for graduation with honors.

TABLE 6 **TABLE OF SUBSTITUTIONS: NON-UA INSTITUTIONS**

This table describes courses accepted by transfer to UAF, from institutions outside the University of Alaska system, which may substitute for UAF's core curriculum. Students transferring from either UAA or UAS should consult Table 5 – UA System 2012 – 2013 Table of Substitutions, or visit www.uaf.edu/admissions/undergrad/transfer/.

Core Curriculum Courses	Transfer Courses
MATH F107X—Functions for Calculus or MATH F103X—Concepts and Contemporary Applications of Mathematics	a 100-level or above mathematics course having a prerequisite of at least two years of high school algebra
MATH F200X, F201X, F202X, F262X, F272X, STAT F200X	a calculus or statistics course at the 100-level or above
ENGL F111X—Intro to Academic Writing	the required first semester composition course at the 100-level (must be basic freshman composition and not developmental)
ENGL F211X—Academic Writing About Literature OR ENGL F213X—Academic Writing About Soc & Nat Sciences	the second half of the introductory composition series at the 100-level or above
COMM F131X—Fundamentals of Oral Communication Group Context OR COMM F141X—Fundamentals of Oral Communication Public Context	a 100-level or above performance course in fundamentals of speech communication, public speaking or small group communication
Natural Sciences-8 credits	courses in basic natural sciences (biology, chemistry, earth sciences, physics) with labs, at the 100-level or above. Non-lab courses are transferable only as a second natural science course. To fulfill core requirements, a transfer student must complete two lab courses or two labs. Transfer of credit for courses in a natural science other than those listed requires approval of the dean of the College of Natural Science and Mathematics.
Perspectives on the Human Condition	
HIST F100X—Modern World History	a Western or non-Western civilization course at the 100- or 200-level (lower division), excluding individual national histories
ECON/PS F100X—Political Economy	a course in U.S. or comparative political economy, or U.S. economic history or macroeconomics at the 100-level or higher
ANTH/SOC F100X—Individual, Society and Culture	an introductory course in anthropology at the 100- or 200-level (lower division), an introductory-level course in sociology or lower-division social problems course, or a course in cross-cultural psychology
ENGL/FL F200X—World Literatures	an introductory or lower-division course in world or comparative literature
ART/MUS/THR F200X, HUMS F201X, ANS F202X—Aesthetic Appreciation	a history or appreciation course in art, theatre or music at the 100-level or above
BA F323X, COMM F300X, JUST F300X, NRM F303X, PHIL F322X, PS F300X—Ethics (Values and Choices)	an upper-division course in ethics, or, with approval of the philosophy department, a lower-division course in ethics
Other	
Library and Information Research (0–1 credit)	a 100-level library skills course
Foreign Language (may be substituted for 6 credits of Perspectives on the Human Condition)	two semester-length courses in a single Alaska Native language or other non-English language, or three semester-length courses (9 credits) in American Sign Language at the university level

9. Class standing (e.g., freshman, sophomore, etc.) is based on the number of college credits accepted in transfer by UAF, combined with any courses completed in residence at UAF.
10. Credits may be awarded for formal service schooling and military occupational specialties (MOS) based on recommendations in the "Guide to the Evaluation of Educational Experience in the Armed Services," published by the American Council on Education. Credit completed through the Community College of the Air Force or Department of Defense courses is included in the category of military experience.
11. A student will be awarded credit for currently valid government and professional certifications that have been reviewed and approved for designated course equivalencies at UAF. A list of these programs is available in the Office of Admissions and the Registrar.
12. Credit may also be awarded for satisfactory completion of training programs, based on recommendations of the American Council on Education and the National Program on non-Collegiate Sponsored Instruction. The award of credit is subject to review and approval of appropriate UAF faculty.

TRANSFERRING CREDITS WITHIN THE UA SYSTEM

In general, undergraduate credits earned at the 100-level or above at a University of Alaska institution will transfer to UAF. In addition, in order to serve students who transfer among the three institutions that make up the University of Alaska system, UAF, UAA and UAS have identified fully transferable general education requirements for baccalaureate degrees.

Credit for course work successfully completed at one UA institution which applies to general education requirements will fulfill the same categories at all other UA institutions. This applies even if there is no directly matching course work at the institution to which the student transfers.

Transfer students from UAA or UAS who have completed all general education requirements in the baccalaureate program prior to transferring to UAF will have completed all requirements for the UAF baccalaureate core. Courses taken to complete the general education requirements at UAA or UAS will meet UAF baccalaureate core requirements according to the current UA table of substitutions (see Table 5). Students should notify the UAF Office of Admissions and the Registrar if they completed the general education requirements at UAA or UAS prior to enrollment in a major program of study at UAF.

Completion of the 35-credit lower-division requirements (100- and 200-level courses) of the UAF baccalaureate core meets the general education requirements at UAA and UAS.

For more information about transfer credit visit www.uaf.edu/admissions/undergrad/transfer/.

Alternate Ways to Earn Credit

UAF ADVANCED PLACEMENT CREDIT

• English

Students with appropriate test scores may receive local advanced placement credit in English. Students with an SAT Writing score of 640 or higher, an ACT English score of 29 or higher, or an ACT Plus Writing score of 10 or higher, may receive credit for ENGL F111X upon completion of ENGL F211X or F213X with a C grade or better.

Students who have received transfer credit for ENGL F211X, F213X or F2X, with a C grade or better, who meet the SAT or ACT test score requirement, may also receive credit for ENGL F111X. To receive this credit, students must submit the application form for ENGL F111X credit to the Office of Admissions and the Registrar once ENGL F211X or 213X has successfully been completed. The form is available at the Office of Admissions and the Registrar.

• Alaska Native Language

After completing a course in which the student was placed (above 101) and earning a B grade or higher, the student may ask to receive credit for the two immediately preceding prerequisite courses, if any. However, credit cannot be awarded for such courses if university credit has already been granted. Credit will not be awarded for special topics courses, individual study courses, literature or culture courses, conversation courses, or any course taught in English.

• Mathematics

Students placed in an advanced math course who have completed MATH F201X, 202X or 302 at UAF with a C grade or better may receive credit for any prerequisite calculus course(s). Students should contact the Department of Mathematics and Statistics for more information.

CREDIT BY EXAM

There are several ways to earn college credit by receiving a passing score on an exam. For any of the following credit by exam options, grades are not computed in the UAF GPA. Credit by exam is not considered UAF residence credit and is not considered to be part of the semester course load for classification as a full-time student. Credit by exam is awarded to current or previously enrolled degree-seeking students at UAF. The credit by exam options are briefly outlined here. For more information contact the UAF Office of Testing Services, 211 Gruening, 907-474-5277, email uaf-testing-dept@alaska.edu, or www.uaf.edu/testing/.

• College Level Examination Program

CLEP is a national testing program that awards college credit for some introductory courses. The exams cost \$102 each (costs subject to change) and are administered daily.

* Does not satisfy Perspectives on the Human Condition core requirements.
X = Course meets baccalaureate core requirement.

Students should consult Table 5 or Table 6 (the tables of substitutions) to determine what other courses may meet baccalaureate core requirements.

NOTE: If an international baccalaureate exam is not in this table, contact the Office of Admissions and the Registrar at registrar@uaf.edu for more information.

See Table 7 for a list of CLEP exams accepted at UAF. To register for a CLEP exam or for more information, contact UAF Testing Services at 907-474-5277. The following criteria apply to CLEP exams:

1. If the student has already earned (from any source) 6 semester credits in the subject areas of humanities, social sciences/history, natural sciences or college mathematics, no credit will be awarded for successfully completing the general exam (identified as receiving elective credit only) in any of the subject areas listed above. For example, if the student has already earned 6 credits of humanities and he or she takes a CLEP general humanities exam, he or she will not receive any credit; if the student has only earned 3 humanities credits, he or she can be awarded an additional 3 credits for successfully completing the CLEP exam.
 2. Students may not duplicate a course for which credit has already been earned or in which the student is currently enrolled.
 3. Students must wait at least one year after the end of an audited course before taking the CLEP exam for that course.
 4. The minimum passing score for approved CLEP exams is 50 with the exception of the following listed foreign languages scores: French semester I and II, minimum 50, semesters III and IV, minimum 59; German semester I minimum 39, semester II minimum 50, semester III minimum 55, semester IV minimum 60; Spanish semester I minimum 39, semester II minimum 50, semester III minimum 57 and semester IV minimum 63.
- **College Board Advanced Placement Exams**
UAF grants advanced credit, with waiver of fees, for exam results of three or higher on the College Board (CEEB) Advanced Placement Tests (see Table 8). These exams are normally taken during the junior or senior year in high school.
To receive CEEB advanced placement credit, request that an official report of the exam results be sent to the Office of Admissions and the Registrar from the College Board. Credits may be earned for more than one advanced placement exam.
 - **Credit for Language Testing**
UAF accepts successful test results from Brigham Young University or other national testing programs (subject to Foreign Language Department approval) in languages for which no CLEP test is available, for a maximum of 12 credits. The first 10 credits may be applied to the core curriculum language requirement and any additional credits will be awarded general humanities credit. Results must be submitted directly to the Office of Admissions and the Registrar by the testing agency. For more information on foreign language testing opportunities, call UAF Testing Services at 907-474-5277, or email uaf-testing-dept@alaska.edu.

Students who are speakers of non-English languages transferring from foreign partner universities to UAF are exempted from taking a foreign language test to demonstrate fluency in that language. Complete the language exemption/core credit waiver form and file it with the Office of Admissions and the Registrar. Upon approval, 6 credits of core Perspectives on the Human Condition coursework will be waived. This applies only to students participating in formalized articulation agreements established between UAF and partner institutions.

- **DANTES-DSST (Standardized Subject Tests)**

DSST is a national testing program that offers exams in traditional academic, vocational/technical and business subject areas. Credit is awarded for successfully completing DSST tests as recommended by the American Council on Education. Acceptance of the DSST exam for a specific catalog course or as a major/minor requirement is subject to departmental approval. DSST exams cost \$105 each (costs subject to change). To register for a DSST exam, call UAF Testing Services at 907-474-5277, or email uaf-testing-dept@alaska.edu about the availability of DSST testing.

- **International Baccalaureate**

The International Baccalaureate Diploma Program is a two-year curriculum for students aged 16 to 19 and is similar to the final year of secondary school in Europe. UAF grants advanced credit, with a waiver of fees, for IB higher-level and some standard-level exams on which students have earned a score of 4 or better, or a score of 5 or better for mathematics (see Table 9). To receive IB credit, students should submit an official copy of their IB exam results to the Office of Admissions and the Registrar.

- **UAF Credit by Exam**

Credit by exam can be earned at UAF by students who are currently enrolled. Most courses are available for credit by exam, except those with numbers ending -90 through -99 (193, 292, 497, etc.). A course challenged for credit cannot duplicate a course for which credit has already been granted or in which the student is currently enrolled. Credit by exam may not be requested for audited courses until one year has passed since the end of the semester in which the course was audited.

Credit by examination forms may be obtained online at www.uaf.edu/testing/, under UAF-Specific Tests, or at the Office of Testing Services in 211 Gruening. For more information on challenging a course call Testing Services at 907-474-5277.

- **Testing Services**

As a national test center, UAF Testing Services administers paper-and-pencil and computer-based exams. The office advises UAF students, prospective students and the community on national testing matters for college admissions and placement and for career and professional certification. Testing Services also coordinates credit by examination for local

tests and for the College Level Examination Program (CLEP). The office also does private proctoring. For more information and registration materials, visit Testing Services in 211 Gruening Building, call 907-474-5277, email uaf-testing-dept@alaska.edu, or visit www.uaf.edu/testing/.

CREDIT FOR PRIOR LEARNING

The Academic Advising Center administers the credit for prior learning program, wherein students may earn credit based on learning they have obtained outside the classroom. Students can document the university-level learning they have gained through employment, volunteer service or other life experiences with a portfolio or copies of licenses and certificates earned. Certificate, associate or bachelor's degree students may earn up to 25 percent of total program requirements through the credit for prior learning program.

Credentials for admitted degree students who are currently enrolled are reviewed by faculty from participating departments who determine if this process is appropriate and make recommendations for awarding prior learning credit. Review is based on equivalency to courses listed in this catalog. Credit received for prior learning does not affect your GPA and is not considered residence credit. The university will award transfer credit for specified national and state authorizations, certificates, credentials and/or examinations (see Transferring Credits, page 34) that do not need credit for prior learning review. For further information or assistance, contact the Academic Advising Center, 509 Gruening Building, 907-474-6396 or uaf.advising@alaska.edu. To access the credit for prior learning student handbook online, go to www.uaf.edu/advising/cpl/.

COMPETENCY TESTING

Students with appropriate background experience may address two components of the UAF Core Curriculum via competency testing. Credit by exam is not available.

- **Library Competency Exam**

The Library Competency Exam, administered by UAF Testing Services, is offered to fulfill the core curriculum requirement for LS F101X and LS F100X. The LCE, offered daily in Testing Services for \$25, is designed to test or verify a student's existing knowledge of standard library functions, services and organization. While no credit is awarded for passing this exam, a score of at least 85 percent will fulfill the core curriculum requirement for LS F101X and LS F100X. Please contact Testing Services at 474-5277 or 211 Gruening Building for more information.

- **Computer Skills Placement Exam**

The Computer Skills Placement Exam, administered by UAF Testing Services, is offered to fulfill the degree requirement for AIS F101, required by students seeking a BBA degree at UAF. The CSP, offered daily in Testing Services for \$25, is designed to test or verify a student's existing knowledge of information technology and file management procedures; word processing

(Word), spreadsheets (Excel), databases (Access) and presentation (Powerpoint) software; and information and communication skills. While no credit is awarded for passing this exam, a score of at least 70 percent will fulfill the degree requirement for AIS F101. Please contact Testing Services at 474-5277 or 211 Gruening Building for more information.

- **Oral Communication Competency Exam**

Requests for competency testing for COMM F141X—Fundamentals of Oral Communication, Public Context, will be considered only if, in the opinion of a member of the Communication Department faculty, a student presents evidence of substantive prior experience in formal public speaking situations (competency testing is not available for COMM F131X). Neither prior oral intensive coursework, nor COMM F442—Professional Public Speaking, are considered evidence of substantive prior experience. If the prior experience is sufficient, the individual will be asked either: a) to provide a video (not audio) recording of a formal public speaking presentation at least 10 minutes in length, or b) to present a 10 minute persuasive speech before a live audience, with at least one member of the Communication Department faculty present. This process may be attempted only once. The date for live speeches will be established each semester, at a single time during the fourth to sixth week of classes. While no credit is awarded for passing this exam, a grade of at least a B (3.0) for either type of presentation will fulfill the core curriculum requirement for COMM F141X. For more information and an application for competency testing, contact the Department of Communication at 474-6591 or 503 Gruening.

E-LEARNING

E-Learning, administered by UAF e-Learning and Distance Education, offers an alternative for people who seek a college education but cannot attend classes. The unique advantage of e-learning, also known as online learning, is its flexibility. Students select their own hours of study and work in surroundings they choose. E-learning offers the freedom to structure a personal academic schedule and continue educational progress, even when personal circumstances make it impossible to attend scheduled classes.

For UAF students, e-learning courses count as residence credit. When a student enrolls in an EDE course during the regular semester enrollment period and completes the course during the same semester, the course may be used to determine full-time/part-time status and eligibility for financial aid and scholastic action. The grade will average in your semester and cumulative GPAs.

When students enroll in an e-learning course at other times of the year, the credit and grade will not affect the credit load or semester GPA for any other semester enrollments but will be counted in cumulative totals. It's important to realize that enrollment in these year-based courses does not count toward the current semester's credit load, and therefore is not included in determining full-time or part-time student status. The student's status (full- or part-time) can affect things like financial aid or athletics eligibility.

E-Learning and Distance Education maintains a comprehensive website at <http://distance.uaf.edu> where policies regarding enrollment, transfer, withdrawal, fees, materials and course descriptions may be found. A printed listing of courses and EDE policies may also be requested. For more information contact e-Learning and Distance Education at 2175 University Avenue South in Fairbanks, phone: 800-277-8060 or 907-479-3444, fax: 907-479-3443, email: distance@uaf.edu or online at <http://distance.uaf.edu>.

The University of Alaska provides many possibilities for students to take distance-delivered courses. The campuses at Anchorage, Fairbanks and Juneau, along with their community college networks, offer hundreds of courses using a variety of delivery modes. Opportunities for students who prefer distance-delivered courses can be found at the University of Alaska Distance Learning website at <http://distance.alaska.edu>.

Registration

You must register and pay tuition and fees to attend classes and earn credit. Registration is held each semester on dates published in the academic calendar (see inside front cover for the Fairbanks campus). For special programs, short courses, seminars and other classes not part of the regular academic calendar, registration is as needed.

Details about procedures and schedules for registering are published online and in separate publications at each campus and branch campus. Registration instructions for the Fairbanks campus are provided in the UAF registration guide, available at the Office of Admissions and the Registrar and online at <http://uaonline.alaska.edu> or www.uaf.edu/register/.

The first day of instruction for all semester-length courses is the date indicated in the official semester academic calendar. That date might not be the first day that a class meets.

If you register for courses, the university holds you financially responsible for payment of your tuition and fees.

The university **may drop your registration** if you do not pay. Other consequences for non-payment include not being able to receive your grades or transcripts.

ACADEMIC ADVISING IS REQUIRED

Academic advising is an important part of planning for your education. Degree-seeking students must obtain an academic advisor's signature every semester to begin the registration process. All degree and certificate students are required to have an academic advisor. You will work in tandem with your academic advisor to develop a viable educational plan that reflects your academic interests and goals. Your academic advisor will assist you in determining the best options, alternatives and sequences of classes to take. Non-degree students may also see an academic advisor, and it is recommended for those taking 9 or more credits in a semester or for those who have accumulated 30 or more UAF credits. Non-degree students who have been academically disqualified must meet with an academic

Add/drop forms (if necessary), total withdrawal forms and credit-no-credit forms must be submitted to the Office of Admissions and the Registrar by the appropriate deadlines.

* Add, drop, withdrawal and credit-no-credit option deadlines will be adjusted proportionally for courses that are less than a semester in length.

** The first day of instruction for all semester-length courses is the date indicated in the official semester academic calendar. It might not be the first day that a class meets.

*** Late withdrawals are allowed for exceptional cases only and approval is not automatic.

advisor each semester to develop a realistic and timely educational plan. Academic advising is available at several campuses. See Services and Resources, page 75, for more information.

PLACEMENT TESTS

Test results are required for first-time degree or certificate students, transfer students with fewer than 30 acceptable credits, or students planning to take 100-level English, reading, mathematics, natural sciences core and perspectives on the human condition core courses. Results from American College Testing Program (ACT) or the Scholastic Aptitude Test (SAT) or, for associate degree or certificate students, the ASSET, ACCUPLACER or COMPASS test must be on file with the Office of Admissions and the Registrar before you can register for classes. A hold may be placed on your ability to register if you have not submitted required test scores.

NON-DEGREE STUDENTS

Anyone who wants to attend classes at UAF as a non-degree student may register, as long as they have the appropriate permissions. Students under the age of 18 may take courses as a non-degree student. Upon turning 18, they may apply for admission to an associate or certificate program. Current high school students should refer to the High School and Secondary School Students section below.

Non-degree students are subject to placement examination requirements for courses, and they must maintain a 2.0 GPA to remain in good standing. Any non-degree student who wants to be considered a degree candidate must submit an application for admission, meet regular admission requirements and submit transcripts. Non-degree students are not eligible for financial aid or priority registration.

It's important for potential graduate students to understand that credits earned as a non-degree student might not be accepted for use toward a graduate degree program. Please see the transfer credit section of How to Earn a Graduate Degree (page 202).

HIGH SCHOOL AND SECONDARY SCHOOL STUDENTS

High school and secondary students may take classes at UAF. One program, Alaska Higher Education Admission Decision (AHEAD), requires formal admittance to UAF (see Admissions Requirements). Secondary student enrollment and TECH PREP, however, do not entail formal admission.

- **Secondary Student Enrollment**

The secondary student enrollment process allows secondary school students to register for UAF classes. A student meeting course prerequisites may enroll in university classes with permission of the instructor or the department head. Students must consult their appropriate school district officials and school counselors for approval prior to registration if they wish to use university courses to meet high school graduation requirements.

Registering for courses at UAF establishes a permanent academic record that reflects student academic performance in all courses attempted.

Note: Enrollment in UAF courses as a secondary student does not constitute formal admission to the university for the purposes of earning a certificate or degree. Please note that in order to qualify for federal financial aid, you must have either a high school diploma or a GED.

- **TECH PREP Opportunities**

The TECH PREP program allows students to earn credits toward a UAF certificate or associate degree by completing career and technical education classes in high school that have been approved for college credit by UAF. The classes available for credit vary from school to school, but in general, they are taken from the following areas: applied business; automotive; airframe and powerplant; human services; computer information office systems; allied health; drafting; emergency medical services; and welding. For more information, contact your high school counselor or the Community and Technical College at 907-455-2800.

Adding, Dropping and Withdrawing from Classes

Information about the add/drop process can also be found at <http://uaonline.alaska.edu>, in the registration guide at the Office of Admissions and the Registrar or at www.uaf.edu/register/. Adds, drops and withdrawals are not final until the student has completed the appropriate procedure, paid any relevant fees or tuition and submitted all necessary paperwork to the Office of Admissions and the Registrar. If you drop a class within specified time frames, the course will not be part of your academic transcript. Important deadlines are listed in Table 10.

NON-ATTENDANCE DROP POLICY

Students are expected to begin attending classes on the first day of instruction. Some departments, in trying to find space for students on wait lists, require that you attend the first class session or notify the department in advance that you cannot attend the first class. If you miss the first class without notifying the department, you may be dropped from the course, and the space may be assigned to a student on the wait list.

Because of the high demand for composition (ENGL F111X, 211X, 213X, 313 or 414) and basic speech (COMM F131X or 141X) courses, students who fail to attend either of the first two meetings of a basic course will be dropped even if they registered in advance and paid their fees. If space becomes available in a class from which you have been dropped by the department, you need to follow the add procedure to re-enroll.

WITHDRAWING

- **Withdrawing from a Class**

If you withdraw from a class later than the third Friday after the first day of instruction (last day to drop classes), a grade of W appears on your academic record. The W grade does not affect your GPA. However, it may impact your financial aid. Be sure to check with the Financial Aid Office before withdrawing from classes. The last day you can withdraw from a class is the ninth

Friday after the first day of instruction. For specific dates, see the academic calendar on the inside cover of this catalog. Fees and tuition are not automatically refunded for W grades.

- **Total Withdrawal from All Your Classes**

If you want to withdraw from all your classes later than the third Friday after the first day of instruction (last day to drop classes), use a Total Withdrawal form available at www.uaf.edu/reg/ or from the Office of Admissions and the Registrar. You'll receive a W grade for all classes, which does not impact your GPA. A student-initiated total withdrawal is subject to the same deadlines as withdrawal from a class. For specific dates, see the academic calendar on the inside cover of this catalog. Fees and tuition are not automatically refunded for W grades.

WITHDRAWALS AFTER THE DEADLINE

Appeals for a late withdrawal after the student-initiated withdrawal deadline — the ninth Friday after the first day of instruction — are exceptions to policy and are allowed only in exceptional cases. Approval is not automatic, and you need to provide documented evidence to support your request. Acceptable serious and compelling reasons may include: 1) death in immediate family; 2) serious illness or injury of student or immediate family; and 3) factors outside of student's control (for example, major employment change, fire, flood). Failing a course, avoiding an unsatisfactory grade or ignorance of policies are not serious and compelling reason for seeking a late withdrawal and will not be approved.

Appeals for late withdrawals must be submitted within 30 class days after the beginning of the next regular semester. Forms for an appeal for late withdrawals are available online at www.uaf.edu/reg/forms/, through the Office of Admissions and the Registrar in Signers' Hall at the Fairbanks campus or through local campus student services offices. Once received, the appeal will be evaluated by a campus-wide committee which will return a decision to the student. The decision of the university is final and a student who files a written appeal under these procedures shall be expected to abide by the final disposition of the review, as provided, and may not seek further appeal of the matter under any other procedure within the university.

FACULTY-INITIATED DROP OR WITHDRAWAL

Class instructors have the right to drop students who do not meet course prerequisites, did not obtain a grade of C (2.0) or better in all prerequisite courses or who have not participated substantially in a course. Faculty-initiated drops submitted through the third Friday after the first day of instruction will be treated as a dropped class and will not appear on any student transcript. The faculty-initiated withdrawal may occur after the third Friday but before the ninth Friday after the first day of instruction. A grade of W will appear on a student's academic record for faculty-initiated withdrawals.
