UAF COLLEGE OF BUSINESS AND SECURITY MANAGEMENT

ACCREDITATION
The UAF College of Business and Security Management holds both business accreditation and specialized accounting accreditation through The Association to Advance Collegiate Schools of Business International. This highly sought after dual accreditation has only been achieved by approximately 1.5% of AACSB universities worldwide, and the UAF College of Business and Security Management is the only university in Alaska with this distinction.

GREAT GRADUATES
• Our students have high CPA pass rates, often higher than the national average.
• College of Business and Security Management students, on average, have scored better than 91 percent of other students on the Educational Testing Service’s business field exam since 2005, when UAF students first started taking the test. Undergraduates in over 700 U.S. universities take the exam each year.
• We have approximately 700 undergraduate students and 150 graduate students.
• Our graduates earn jobs in top companies.
