The Accounting Lab is located downstairs in Bunnell Suite 101/105 and over Zoom.

Please visit uaf.traccloud.com to schedule an appointment for both in-person and online tutoring. Drop-ins are also welcome! Please note, even if you have an appointment, the lab tutors may be splitting their time between in-person appointments, drop-ins and online students so your patience is appreciated.

To book an appointment:

1. Go to uaf.traccloud.com
2. Log in with UA credentials
3. Go to "Schedule an ACCT Appointment"
4. Select the time, course and whether you would like to meet in person or online. Click Search.
5. You will see a list of available appointments. Once you select an appointment date/time, a window will pop up where you can adjust the appointment length. You are also encouraged to provide details of your question(s). Being as specific as possible helps our tutors to better assist you (ie chapter 2 homework problems E2-1 and E2-2). Please also ensure the correct modality is selected (in person or online). You may also upload documents in the document tab, if applicable.
6. Click Confirm. You should now see your appointment in your TracCloud dashboard.

For assistance with scheduling on TracCloud, please contact Satya Moehlin at skmoehlin@alaska.edu.
