**4-H Alaska State Fair Exhibit Goal Card**

You DO NOT have to fill this out to display your exhibit in the Tull Barn, BUT only exhibits with a Goal Card will be eligible for Grand/Reserve Champion and for premiums. Only one goal card needed per division entered. All Exhibit Goal Cards will be entered into a drawing for a prize at the end of the fair. This should be either typed or written in the 4-Hers own handwriting.

**What was your goal when you made this exhibit?**

This is a learning goal, not a product goal. Instead of saying "I wanted to learn how to make chocolate chip cookies," say "I wanted to learn how to measure ingredients properly to make chocolate chip cookies"

## What steps did you take to work toward your goal?

Think big picture, not methods of preparation. "I researched chocolate cookie recipes" instead of "1 cup flour, 2 sticks of butter."  
Include how many times you practiced, where your idea came from and resources you used. This can be a list, it doesn't have to be a paragraph. Put required information for Division 19 here.

## What are two important things you learned as you worked toward your goal?

Examples: What did you find most challenging? What did you learn accidentally? What surprised you? What would you change if you started all over? What problems did you have and how did you solve them?
