Alaska 4-H Program — Tanana District Club List

Thank you for your interest in Alaska 4-H! If you'd like to join the fun in the Fairbanks/Tanana District area, find the club below that interests you. (Hint: Take a look at all the cool projects they typically do!)

Next, contact the organizational leader of that club to see if new members are being accepted, to discuss if the club is a good fit for your youth and to receive confirmation of their meeting schedule. (If the organizational leader is not available, try a project or resource leader.)

Finally, the leader will help you enroll in their club online and get you going. You also may reach out to the Tanana District 4-H Office for assistance with enrollment and fee payment. Don't see a particular project that interests you? No problem! Just ask a leader or the Tanana District 4-H Office and we will try to find a good fit for you.

For questions, call 907-474-2427 or 907-474-2450. Also, be sure to check out our website at <https://www.uaf.edu/ces/4-h/>. We hope you join the Alaska 4-H family!
