

JOINING ALASKA 4-H IS EASY AS ... 1, 2, 3!

Alaska 4-H Program — Tanana District Club List

Thank you for your interest in Alaska 4-H! If you'd like to join the fun in the Fairbanks/Tanana District area, follow these three easy steps:

1. **First, find the club below that interests you.** (Hint: Take a look at all the cool projects they typically do!) Don't see a particular club or project of interest? No problem! Just tell a leader what your youth is interested in (leaders LOVE to help youth find their niche and grow) or contact the Tanana District 4-H Office and we will try to find a good fit for you.
2. **Next, call around a bit.** Check out a few clubs by contacting the organizational leaders to see if new members are being accepted, to discuss if the club is a good fit for your youth and to receive confirmation of their meeting schedule. (If the organizational leader is not available, try a project or resource leader.) Most clubs welcome visitors, before enrollment, so youth and their parents/guardians can see the club in action and determine interest level.
3. **Finally, the leader will help you enroll.** We use the online ZSuite enrollment program to get youth growing! You also may reach out to the Tanana District 4-H Office for assistance with enrollment and fee payment.

For questions, call Matthew Anderson, Tanana District 4-H Program Coordinator, at 907-474-2427, mranderson@alaska.edu, or 907-474-2450. Also, be sure to check out our website at <https://www.uaf.edu/ces/4-h/>. We hope you join the Alaska 4-H family!
