TO: Nettie La Belle-Hamer, Vice Chancellor for Research
FROM: Daniel M. White, Chancellor 
RE: Vaccination Requirement Request Approval - Bonanza Creek LTER Fieldwork

The University of Alaska System policy states that vaccination requirements may only be made by exception and must be approved by the President at the request of the Chancellor.

I have received your request for a vaccination requirement for the following:

**UAF FACULTY, STAFF AND STUDENTS AND OFFICIAL VISITORS PARTICIPATING
IN BONANZA CREEK LTER FIELDWORK.**

Based on your request and President Pitney's approval, I am herewith authorizing a vaccination requirement (with medical and non-medical-religious exemptions) for that purpose.
