TO: Alexis Knabe, Interim Vice Chancellor for Student Affairs
FROM: Daniel M. White, Chancellor 
RE: Vaccination Requirement Request Approval - The Pub

The University of Alaska System policy states that vaccination requirements may only be made by exception and must be approved by the President at the request of the Chancellor.

I have received your request for a vaccination requirement for the following:

GUESTS FOR CERTAIN EVENTS HELD AT THE PUB

This approval gives The Pub the latitude to require vaccinations for certain events, namely ones where a performer is requesting that the audience be vaccinated or other events that might make social distancing difficult.

Based on your request and President Pitney's approval, I am herewith authorizing a vaccination requirement (with medical and non-medical-religious exemptions) for that purpose.

Please see the procedures laid out in the September 17, 2021 memo from Chief Human Resources Officer Bishko titled "Guidelines for Supervisors Regarding COVID-19 Vaccinations and Face Coverings" (<https://sites.google.com/alaska.edu/coronavirus/general-info/updates>). The memo has links to exemption forms for employees. Student exemptions are issued by the Center for Student Rights and Responsibilities (non-medical), or the Student Health and Counseling Center (medical). The memo can be found at: <https://sites.google.com/alaska.edu/coronavirus/general-info/updates>
