

Studying, teaching, or researching abroad with

FULBRIGHT

featuring panelists Carol Gray, Tyler Kirk, Carolyn Kremers, Mary Beth Leigh, and Dogacan Ozturk

Join our UAF faculty panel of former **Fulbright scholars** as they discuss their experiences in Russia, Canada, Thailand, and as a Fulbright student in the U.S. Scholars will discuss how they set up their Fulbright program, what research and/or teaching they did in these countries, what it was like living in that country for the semester or year they were there, and what impact that experience had on their later careers.

**Though panelists will discuss and provide tips for applying for Fulbright grants in the future, all Fulbright grants are now frozen as part of federal cuts, but we are hopeful that the opportunity to apply for Fulbright grants will return in the future.*

All are welcome! Light refreshments will be served.

RSVPs are appreciated but not required. Please contact Carol Gray at cjgray5@alaska.edu.
