

# Midnight Sun Visiting Writers Series

**PUBLIC READING**

**with Annie Wenstrup**

The UAF Department of English invites you to wrap up the season with an extraordinary evening with Dena'ina poet Annie Wenstrup, celebrating the launch of her debut poetry collection, *The Museum of Unnatural Histories*. This compelling work delicately weaves personal history with the imagined space of a museum, curating stories of dissonance and connection. Through love letters, found text, and inventive forms, Wenstrup's poems explore themes of identity, embodiment, and the lingering impact of colonial histories.
