

The Student Ceramics Art Guild presents visiting artist

# NANCY HAUSLE-JOHNSON

Join ceramic artist Nancy Hausle-Johnson for a live demo and artist talk exploring a lifetime of making, from early influences and kiln techniques to tile murals, artistic growth, and building a creative community. Learn practical insights on process and developing a sustainable art practice.

Nancy Hausle-Johnson is a local ceramic artist specializing in tile murals, experimental kiln techniques, and collaborative, community-centered art practice.
