## INVESTIGATION(cont.)

On 971014, INV. GEIER interviewed KATHERINE QUIRK, DAYTON's sister, telephonically. The contact was recorded by INV. GEIER and she advised what DAYTON had told her after he was assaulted.

On 971014, INV. GEIER received a medical release form from DAYTON, authorizing release of his medical records for treatment he received at FMH-ER on 971011. INV. GEIER then obtained the records from FMH.

On 971015, DET. RING advised INV. GEIER that he had interviewed ARLO OLSEN and that OLSEN had witnessed the assault of DAYTON. See DET. RING's supplement regarding the interview.

On 971016, INV. GEIER conducted a second interview with DAYTON at the FPD. The contact was recorded by INV. GEIER. DAYTON was issued a Grand Jury subpoena for 971022 regarding this incident.

NARRATIVE

## INTERVIEW WITH FRANKLIN DAYTON

On 971012, INV. GEIER interviewed FRANKLIN DAYTON at the FPD and the contact was recorded.

DAYTON advised that he left the Eagles Hall just after 0100 hrs., to catch up with some of his friends that were going downtown to drink. He said that he was walking on the sidewalk, along the south side of 1<sup>st</sup> Ave., when he heard a vehicle pulling up behind him. He thought the vehicle was turning into the parking lot (300 block 1<sup>st</sup> Ave., adjacent Golden Towers), but the next thing he heard was people directly behind him. One of the subjects then tripped DAYTON and he was shoved forward. DAYTON said that he fell to the ground, striking his right knee, right elbow and his head against the sidewalk. He attempted to push himself up, but one of the subjects stepped on his right hand. DAYTON was then kicked on the right side of his back. One of the subjects then reached into his right front pants pocket and took \$15.00 from him. DAYTON then saw there were four subjects and they got into the vehicle and fled WB on 1<sup>st</sup> Ave. DAYTON said that he laid there for a few minutes and wasn't sure if he passed out. He then walked to the Eagles Hall and contacted his sisters, KATHERINE

DAYTON, FRANKLIN

QUIRK, VAUGHN REITAN and his wife, JOSIE DAYTON. DAYTON was then transported to FMH-ER for treatment of his injuries.

The only description of the suspects that DAYTON was able to provide was that the subject who stepped on his hand was wearing high top tennis shoes, which were white. He described the vehicle as a "pretty good size car" and thought it was light colored, but said it was too dark to tell. DAYTON could not remember if any of the subjects had said anything at the time. DAYTON was specifically asked if he was kicked in the head and he said he didn't remember.

During the interview, DET. RING entered the room and showed DAYTON several Polaroid photo's of suspects, but DAYTON was unable to ID anyone. DET. RING also asked if any of the suspects remarked about going to get anyone else and he said he didn't hear any.

## OBSERVATIONS

While in contact with DAYTON, INV. GEIER observed that he had several injuries and subsequently they were photographed by INV. GEIER.

DAYTON had abrasions above and below his right eye that were scabbed over. Slight bruising was also present around the right eye.

DAYTON had abrasions to the back side of his right hand that were scabbed over.

DAYTON had an abrasion on his right knee.

DAYTON had a large bruise on the right side of his back, over his ribs, but closer to his right side.

## INTERVIEW WITH VAUGHN REITAN

On 971013, INV. GEIER conducted a telephonic interview with REITAN. The contact was recorded.

DAYTON, FRANKLIN

REITAN advised that she was at the Eagles Hall and that she was contacted by DAYTON after he was assaulted. She said that he did not say a whole lot about it, except that he was jumped by four boys and they beat him up really badly. She said that she took him to FMH along with KATHERINE QUIRK.

## INTERVIEW WITH KATHERINE QUIRK

On 971014, QUIRK was telephonically interviewed by INV. GEIER. The contact was recorded by INV. GEIER.

QUIRK advised that she was contacted at the Eagles Hall by DAYTON after he was assaulted. She said that DAYTON had told her that four guys had jumped out of a car; pulled a gun on him; told him that they wanted his money and that he was not the only one that they were going to hurt. He also advised her that one of the guys was a big guy, that had thrown him down.

## INTERVIEW WITH FRANKLIN DAYTON (second interview)

On 971016, INV. GEIER conducted a second interview with DAYTON at the FPD. The contact was recorded.

DAYTON told INV. GEIER about the incident as he had previously and INV. GEIER asked him some additional questions. DAYTON stated that he did not recall what he told KATHERINE QUIRK, the nurses or doctor after the incident. DAYTON was asked if remembered seeing or hearing any reference about a gun and he first answered no. DAYTON then advised that he was told not to look back and believed at that time some reference was made about a gun. He recalled that one of the suspects was a big guy and described him as being built like a football player. DAYTON was asked if he knew EUGENE VENT and he said no. DET. RING asked if he knew ARLO OLSEN and he said no. DET. RING said that OLSEN knew DAYTON as Frankie and had seen him in Kaltag. DAYTON confirmed that he had been to Kaltag and that people do call him Frankie, but didn't know OLSEN.

Dayton was asked if any of the subjects had made any sexual remarks to him and he didn't remember. He did remember one of the subjects stating words to the effect of hurry up, we have to get someone else. DAYTON did not see anyone else in the area at the time of the incident.

Det. FRANKLIN and Inv. GEIER returned to the Fairbanks Police Department where Lt. Officer was able to make contact with him due to shift commitments. Attempts to contact FRANKLIN DAYTON were made by Inv. GEIER; however, those attempts met with negative results.

Sgt. KENDRICK and Det. RING conducted a second interview with George FRESE at the Fairbanks Police Department. At the conclusion of the interview, they advised that FRESE made admissions to his involvement in the assault. They also suspected Kevin PEASE and Marvin ROBERTS as being involved. They further suspected that a car owned by ROBERTS, blue two-door, may have been used.

The vehicle was described as a blue 2-door and a subsequent APSIN check revealed that a 1992 Dodge Shadow, AK LIC CNE325, was registered to Marvin ROBERTS.

### INTERVIEW WITH MARVIN ROBERTS:

On 10-11-97, Sgt. KENDRICK and Inv. GEIER proceeded to ROBERTS' residence, 1031 26<sup>th</sup> Avenue, and observed ROBERTS' vehicle parked in the driveway. Contact was made with ROBERTS and he agreed to speak with officers.

ROBERTS admitted to having attended the wedding reception at the Eagle's Hall on the night of 10.10.97 through the early morning hours of 10.11.97. ROBERTS agreed to respond to the Fairbanks Police Department to speak with officers after being asked by Sgt. KENDRICK to do so. ROBERTS was advised that he could drive his own vehicle to the Fairbanks Police Department or ride with officers and ROBERTS elected to ride with officers.

While enroute to the Fairbanks Police Department, ROBERTS advised officers that he had gone to the Eagle's Hall at approximately 2300 hrs. after picking up a friend of his named Daniel HUNTINGTON. While at the Eagle's Hall, he came into contact with another friend, Angelo EDWIN, and the three of them were together throughout the evening at the Eagle's Hall. ROBERTS advised, after the reception had ended, the three of them drove around in the Fairbanks area. Subsequently they went to the Alaskan Motor Inn because they heard of a party that was going on there. ROBERTS said the party was out of hand at the Alaskan Motor Inn so they left. He then gave HUNTINGTON and EDWIN a ride home, and went home himself. ROBERTS was asked if he had driven down Barnette Street during the evening and he said "no".

GEIER he was telling the truth and he wasn't there; however, ROBERTS did make the statement, "Maybe my car was there or something." *but it wasn't in it.*

### INTERVIEW WITH DANIEL HUNTINGTON: *GEIER*

On 10.12.97, Sgt. KENDRICK and Inv. GEIER conducted an interview with Daniel HUNTINGTON, in the presence of his aunt and uncle. The contact was recorded by Inv. GEIER.

*17.30*  
HUNTINGTON advised on 10.10.97, he arrived at Eugene VENT's house at approximately 1930 hours. After he was at the residence for approximately twenty minutes, Eugene VENT left in a purple or pink van driven by a girl by the name of Tanya and numerous other people were in the vehicle. HUNTINGTON advised that he stayed at the residence and Ida VENT was present, along with Nadea and Tyrone PETERS. During that time, he watched television with them and, at approximately 2300 to 2330 hours, he telephoned Marvin ROBERTS.

Shortly after the telephone call, Marvin ROBERTS picked up HUNTINGTON and they drove downtown towards the Eagle's Hall. While driving down Second Avenue, they observed a couple of girls standing in front of the Co-Op Building. One was identified as Monica CARLO, and they spoke to them for a minute or two. Then they drove directly to the Eagle's Hall and arrived there approximately fifteen minutes after having left VENT's residence.

*Arrived @ the hall @ approx 10 AM*

HUNTINGTON stated they walked inside the Eagle's Hall and only stayed for approximately three minutes, then went to Harlan's residence at Wedgewood Manor, Building L, Apartment #22, but no one was home. Then they drove around and subsequently drove through the parking lot at the Klondike Inn to see if there was anybody they knew there; however, they did not observe anyone.

They returned to the Eagle's Hall and spoke with Shannon JENKINS, Harlan SWEETSIR and Brian KRUEGER, for about three minutes. Then they went to the Mapco on 3<sup>rd</sup> Street and the Old Steese Highway to page Conan. They waited approximately five to ten minutes but received no return call. HUNTINGTON advised that they returned to the Eagle's Hall and stayed there.

HUNTINGTON said that, at approximately 0100 hours, they went to the Alaskan Motor Inn to use the telephone; however, he was not allowed to use it. He then walked over to the Northward Building but couldn't get inside. He then walked to the Pastime Card Room on 3<sup>rd</sup> Avenue and was able to use the telephone, and again paged Conan. He waited for approximately five to ten minutes for a return call but did not receive one.

HUNTINGTON then returned to the Eagle's Hall but did not recall what time it was. He said he stood by the food table for approximately forty-five minutes and eventually saw Marvin standing near the rear door but was not certain of the time. He stated Angelo EDWIN was with Marvin, along with others, but he was not sure who they were.

He stated the band at the reception went on break between approximately 0200 to 0230 hours and several people thought the band had quit and left the reception. They found out the band did not quit and was only on break, so they went to Club Detour to find other people that had left, thinking the reception was over. HUNTINGTON went to Club Detour with ROBERTS, EDWIN and Gilbert FRANK. Gilbert FRANK was unable to get inside Club Detour, so they returned to the Eagle's Hall.

HUNTINGTON believed they were at the Eagle's Hall for approximately one hour or so and then it closed. HUNTINGTON stated that, when he went outside, he observed Calvin and Keith CHARLIE, Gilbert FRANK and Marvin in Marvin's car. The others then got out of the car and ROBERTS took HUNTINGTON and EDWIN to Club Detour to pick up Shannon JENKINS. Upon their arrival, they observed that Club Detour was closing. There were several people in the parking lot going to their vehicles and they could not locate JENKINS. Then they drove over to the Arctic Bar and made contact with JENKINS.

The four of them drove over to an apartment in Executive Estates and stayed there for approximately five minutes, but HUNTINGTON did not know whose apartment it was. They left the apartment and then drove to the Alaskan Motor Inn where they observed Eugene VENT with Harley SEMAKEN. Those subjects were in a hotel room that was also occupied by Nicole PITKA and Gilbert FRANK; however, Gilbert FRANK was sleeping on the bed. They were there for approximately ten to fifteen minutes when they were advised that the police were coming so they left. He stated the others drove off but he took off walking by himself downtown to the Northern Lights Hotel.

He wanted to use the telephone again so he walked around the block and returned to the Alaskan Motor Inn. He saw the desk clerk talking to a police officer that he described as being Officer BARTHOLOMEW, so he continued walking downtown. He came in contact with Harley SEMAKEN by the Cottage Bar and found out that SEMAKEN had been sprayed with 'mace'. HUNTINGTON then continued walking to the Northern Lights Hotel where he spent the night. (Refer to tape recorded contact for further details.)

She advised that she arrived at Kevin BRADLEY's house between 2230 and 2300 hours. She said she was with Shawna GOEBEL, Dana ANDON, Joey SHANK and they were driven there by Kevin BRADLEY in his mother's car. She stated while they were at the house, BRADLEY had left to go pick up a friend named Clark and, while he was gone, Kevin PEASE, Eugene VENT, Allen SISTO, Eddy KOOTUK and Nathan CARROLL arrived.

10:30 11:00

Shara DAVID then described the time they left BRADLEY's house and she thought it was two twenty-something because she had glanced at a clock. When DAVID was questioned further about the time, she stated the clock may have been wrong or it might have actually been 12 twenty-something and didn't see the number one.

INTERVIEW WITH ELIJAH STEVENS:

On 10.14.97, Lt. KELLER and Inv. GEIER conducted an interview with Elijah "E.J." STEVENS in the presence of his mother. The contact was recorded. STEVENS advised he was dropped off with Chris STONE and John HARTMAN at Noah's Rainbow Inn so he could baby-sit for his uncle. He said his uncle returned to the apartment at approximately 0015 hours, on 10.11.97, and they took a cab to his house on Laurene Street. Upon arrival at his residence, he went inside while STONE and HARTMAN walked off toward Airport Way. He stated that was the last time he saw HARTMAN. (Refer to the tape recorded contact for further information.)

INTERVIEW WITH JOSIE DAYTON:

On 10.15.97, Inv. GEIER conducted a telephonic interview with Josie DAYTON in regards to her husband, Franklin DAYTON, having been assaulted. She stated it was approximately 0100 hours, on 10.11.97, at the Eagle's Hall that Franklin told her he was going to meet some friends downtown. She said he gave her some money and kept some for himself, and then left the hall. She said it was approximately thirty minutes later that she saw Franklin sitting by the restroom with his sisters, Vaughn and Kathryn, and that he had been assaulted. She said he told her he got mugged and he appeared really confused. She said he kept mentioning a car but didn't describe it. He said they got out of a car and one of them tripped him. He said he hit his head and it hurt his eye. He did not say anything about a gun or the race of the suspects to her. She said they took his money, stepped on his hand and kicked him when he tried to get up.

DAYTON advised Inv. GEIER she had observed the newspaper and the television news about the defendants that were arrested in the homicide of John HARTMAN. She stated she did not recognize any of the defendants of having been at the Eagle's Hall that night. She stated she knew who Eugene VENT was because she saw him in Koyukuk last summer but she added that Franklin didn't know him. She said she was not aware who else was in the lobby area when she contacted Frank when he was being treated by his sisters. DAYTON did state that her son, Ted JONES, saw the defendants getting into a King Cab later that evening.

INTERVIEW WITH TED JONES:

On 10.15.97, Inv. GEIER conducted a telephonic interview with Ted JONES. JONES stated he might have seen Eugene VENT and Marvin ROBERTS earlier at the reception before midnight but they were not together.

JONES did not recall seeing Kevin PEASE at the Eagle's Hall and stated he did not know him. JONES advised that, later in the evening, at the Eagle's Hall, he recalled speaking momentarily with VENT. VENT was with Marvin ROBERTS and two other people at the time; however, he did not know who the other people were.

INTERVIEW WITH TED JONES:

(Continued)

JONES advised Inv. GEIER that, between approximately 0230 and 0300 hours, when he was leaving the Eagle's Hall, he observed Eugene VENT, George FRESE and Marvin ROBERTS getting into a King Cab.

INTERVIEW WITH JOEY SHANK:

On 10.14.97, Inv. SULLIVAN conducted an interview with Joey SHANK at the Fairbanks Police Department and during that interview, Inv. GEIER was present for a portion of it.

Joey SHANK admitted that he was at Kevin BRADLEY's house with Shara DAVID, Shawna GOEBEL, Dana ANDON, Kevin BRADLEY and a subject by the name of Clark. He advised that, some time later, Kevin PEASE, Eugene VENT, Allen SISTO and Nathan CARROLL were dropped off by Tanya BEATTUS. Eventually, they all left BRADLEY's residence and Joey SHANK was driving BRADLEY's mother's car.

SHANK advised that, between 0150 and 0155 hours, they arrived at the Eagle's Hall. He stated they had stopped near the front entrance in the parking lot and Dana, Kevin, Eugene and Shawna got out to look for Conan. He said that Dana entered the club but the others waited at the front step, talking with other people. He said they returned to the car and Eugene sat in the front passenger's seat. Kevin PEASE then had Eugene move to the back seat so Kevin could sit in the front seat and Dana got in the car also. He stated they were only there for three to five minutes and then they drove off. SHANK advised they drove to the GOEBEL's residence and had arrived there at approximately 0210 hours. He stated everyone got out of the vehicle. They left shortly thereafter and Dana, Shawna, Eddy, Eugene and Allen were the only ones that got back into the vehicle. SHANK stated he was not sure if PEASE got back in the vehicle or not. Then he took all of the subjects to the Eagle's Hall and dropped them off.

SHANK advised that he returned to Kevin BRADLEY's house at approximately 0230 hours, at which time he received a telephone call from Conan who was asking where everyone else was.

INTERVIEW WITH JOEY SHANK AT THE D.A.O.:

On 10.15.97, Inv. GEIER conducted a tape recorded interview with Joey SHANK at the District Attorney's Office. Inv. GEIER again questioned SHANK in regards to him having dropped off PEASE at the GOEBEL's residence. SHANK stated it was possible that PEASE may not have stayed at the GOEBEL's, but may have gotten back into the car and was dropped off with the others at the Eagle's Hall. (Refer to tape recorded contact for further information.)

NARRATIVE

INFORMATION: On 971011 at approx. 0200 hrs. Ofc. Soden was notified that a Tactical Police Team callout was authorized for a situation that had developed at 1438 Noble St. #3. Ofc. Soden responded to that location and was assigned to the north side of the house to watch the doors and windows on that side.

At approx. <sup>3AM</sup> 0300 hrs. Ofc. Soden heard radio traffic about a domestic assault occurring at 109 5th Ave. involving Kevin Pease. Soden heard dispatch advise that Pease had left the house on a 3-wheeler. Soden listened as Ofc. Bartholomew searched the area but was unable to locate Pease.

Approx. 10 minutes later, at 0315-0320 hrs. Ofc. Soden heard the approach of what sounded like an ATV. The sound was coming from the core area and was travelling south. Soden listened as the sound came closer and then observed a 3-wheeler travelling east on the South Airport Access road going east-to-west. The 3-wheeler was travelling from the area of Eielson St. and headed west towards Cushman St. Soden lost sight of the vehicle as it passed the west side of Noble. The vehicle appeared to speed up when it saw the police cars blocking Noble St. Soden heard the vehicle travel south, possible on Lacey St.

Soden was able to see the driver of the vehicle. The driver was wearing a white jacket with dark colors on the sleeves. The three wheeler appeared to be a Honda 200X. On 971011 after Soden learned of Pease's possible involvement in the murder he drove by the residence on 5th Ave and observed a Honda 200X parked out in front of the house with the front tire against the fence.

FOLLOW UP: On 971014 at approx. 1930 hrs. Ofc. Soden met with detectives and viewed a coat they had seized from Kevin Pease at his residence. The coat matched the one that Soden saw the subject riding the 3-wheeler wearing on 971011. There was no evidence number assigned to the coat when Soden viewed it.

## INVESTIGATION:

(Continued)

All the subjects in the apartment were advised to get dressed and told that they were going to be taken to the Fairbanks Police Department for questioning. While Shannon CHARLIE removed keys from a nightstand drawer in her bedroom, Inv. SULLIVAN observed a Marijuana pipe. Removing the Marijuana pipe, Inv. SULLIVAN told Shannon CHARLIE that it was contraband and she was not allowed to have it. Shannon CHARLIE advised Inv. SULLIVAN that the pipe actually belonged to Harley SEMAKEN and she had only put it there when she found it on the stereo where he had put it after emptying out his pockets. The Marijuana pipe was taken as evidence and later turned over to Det. BROWN who was in charge of evidence.

At approximately 1018 hours, Inv. SULLIVAN was enroute to the Fairbanks Police Department, along with all the subjects from 311 11th Avenue, Apartment #3, and other investigators. Arrival at the Fairbanks Police Department was at approximately 1023 hours. While at the Fairbanks Police Department, another subject by the name of Christopher L. CHARLIE, aka, "Dingy", also arrived. All subjects were interviewed and Inv. SULLIVAN was instructed to take Shannon CHARLIE's jacket for evidence because it appeared to have possible bloodstains on it. Inv. SULLIVAN seized the jacket which was later turned over to Det. BROWN. Inv. SULLIVAN also took Polaroid photos of each subject.

Inv. SULLIVAN then interviewed Melanie DURHAM at the Fairbanks Police Department in reference to what she heard while she was a resident at WICCA during the early morning hours of 10.11.97.

## INTERVIEW: MELANIE DURHAM

DURHAM told Inv. SULLIVAN that she was watching the Conan O'Brien Show and that, when the segment where David BOWIE came on, she went outside to smoke a cigarette because she did not care for David BOWIE. She stated she believed it was around 0150 hours. DURHAM stated that, when she first went out, she didn't hear anything but she had gone upstairs on the top balcony to smoke a cigarette and then heard what she believed to be loud talking in Native accents, and there were drunk, angry voices but she was not sure what they were saying. She stated that she then started hearing what she described as very bad and very powerful fists hitting a body type of sound. She stated that it sounded as if there were numerous punches being hit onto the body, numerous blows, and she stated that she could hear small grunts coming about every fifth punch. She stated that she knew it was bad and she ran in to tell the counselor who was on duty at that time.

## INTERVIEW: MELANIE DURHAM

(Continued)

DURHAM stated that the counselor's name was Laurie and she told Laurie about how it sounded, as if somebody was really getting beat up outside. She stated Laurie followed her back outside and, when they came to the doorway, they listened but it was quiet. They could not hear anything or see anything and Laurie went back inside after telling DURHAM to let her know if she heard anything else. DURHAM stated that she stayed outside for approximately another five minutes but didn't hear anything else. DURHAM stated that she called the Fairbanks Police Department on this morning at approximately 0800 hours because she stated one of the other residents at WICCA had gotten up at approximately 0400 hours and had seen police tape and police cars outside. DURHAM stated she knew it must have been bad and that's why she called the police.

## INVESTIGATION:

Sometime between 1300 hours and 1500 hours, Inv. SULLIVAN, along with Sgt. KENDRICK, returned to the scene at 9th Avenue and Barnette Street where they took photographs and collected evidence. Evidence collected at the scene, at that time, was blood found on the roadway, a liquid substance possibly believed to be urine, two different cigarette butts and an earring.

Inv. SULLIVAN and Sgt. KENDRICK then traveled to the Fairbanks Memorial Hospital where they took fingerprints of the victim who was still not identified. One of the ICU nurses also gave Inv. SULLIVAN a bag which contained hair from the victim that had been cut off during a medical procedure. All of these items of evidence were later turned over to Det. BROWN.

At approximately 1740 hours, via the telephone, Inv. SULLIVAN spoke to Mike BACCA of the Alaskan Motor Inn. (Reference Case 97-005824)

## INTERVIEW: MIKE BACCA

BACCA told Inv. SULLIVAN that, at approximately 0230 hours, on Saturday, 10.11.97, he called the Fairbanks Police Department in reference to a party that was going on in Room 107 at the Alaskan Motor Inn but he cancelled the request for their response after most of the subjects in the room left. He stated that approximately fifteen to twenty of the people got into a fight on 4th Avenue and he again called the Fairbanks Police Department but also cancelled that request when the subjects began to leave the area.

## INTERVIEW: MIKE BACCA

(Continued)

At approximately 0430 hours, a female by the name of Jessica BOYLE, the subject who had rented Room 107, told BACCA that she was not responsible for the damage in the room. At approximately 0445 hours, BACCA called for an Eagle Cab for BOYLE.

At approximately 0500 hours, Eagle Cab arrived and the driver had to fight off two subjects who tried to get into the cab. Those two subjects then went into Room 107. At approximately the same time, BACCA went over to Room 107 to tell those two subjects to leave. He observed one subject to be on the bed and one subject to be on the telephone. BACCA stated that the subject on the bed got up and attempted to attack BACCA; however, BACCA sprayed that subject with "OC". That subject then ran out of the room, southbound on Lacey Street. BACCA caught up with the subject and told him to sit down, telling the subject that the Fairbanks Police Department was on the way.

While with the subject BACCA had sprayed with "OC", the other subject who had been on the telephone ran up to BACCA, at which time BACCA sprayed "OC" on him but that subject had little round sunglasses on and it didn't seem to bother the subject. The subject with the sunglasses then reached into his pocket of his jacket, pulled out a gun and pointed it at BACCA's body. BACCA stated that the subject was between three and four feet away from him. BACCA stated that he asked, "What are you gonna do with that?", and the subject answered, "I'm gonna shoot." The subject with the gun then ran across the street into Maria's Cafe when BACCA told him that the Fairbanks Police Department was coming. The subject ran through the big parking lot and down 6th Avenue towards Cushman Street.

The subject who had first been sprayed with "OC" then ran off on 6th Avenue towards Noble Street. That subject was later identified to be Harley SEMAKEN. The Fairbanks Police Department arrived after BACCA called about a subject with a gun. BACCA was then brought over to a subject who had been caught and BACCA identified that subject to be the subject who had pointed the gun at him. That subject was later identified to be Eugene VENT.

BACCA described the gun to Inv. SULLIVAN. He stated that it was a medium-sized gun, an automatic, and it was real shiny silver. He believed that it was smaller than a 9MM.

## INTERVIEW: SHARA DAVID

(Continued)

DAVID stated that PEASE had stated to them that Conan was at Conan's cousin's house, Sam, and that Tanya and Christie had dropped Conan off there. DAVID stated that she believed Sam was actually a female. DAVID stated that Tanya BEATTUS had told her that she had picked up Kevin PEASE, Allen SISTO and Conan GOEBEL on Friday night and they had driven around for approximately two hours. During that time, they picked up Eugene VENT and Nathan CARROLL. She stated that someone told her, "Let's go to Kevin BRADLEY's house," so she dropped them off at BRADLEY's residence. DAVID stated that Tanya BEATTUS was driving her parents' big red van. *Conan Eugene stated was being in*

DAVID stated that, at approximately 0245 hours, Joey SHANK took Kevin BRADLEY's mother's vehicle, a dark green vehicle bigger than a Ford Escort, and drove himself, Kevin PEASE, Shawn GOEBEL, Dana ANDON, Shara DAVID, Eugene VENT, Allen SISTO, Nathan CARROLL and Eddy KOOTUK all over to the Eagle's Hall. DAVID stated she was not sure who was actually dropped off at the Eagle's or if anybody was dropped off at all. She then told Inv. SULLIVAN that maybe it was Eddy or then maybe it was Eugene. She stated the reason they went there was for Dana to run in and look for Conan. She stated that Dana did run in, look for Conan, did not find him and then came back to the vehicle. DAVID stated that they then all drove over to Shawna GOEBEL's house where Kevin PEASE, Nathan CARROLL and Shawna GOEBEL got dropped off. DAVID stated that they just dropped off those people and then drove back to the Eagle's Hall. She stated that Allen SISTO, herself, Dana ANDON, Eddy KOOTUK and Joey were the only subjects in the vehicle when they went back to the Eagle's Hall. DAVID then stated, "I guess that Eugene VENT did get dropped off at the Eagle's." DAVID stated she did not have any time as to when this all occurred. *MARVIN*

DAVID did state that Dana ANDON "ditched her" there at the Eagle's Hall and that she began to look for her parents to see if she could get a ride home but could not find them. DAVID stated that she saw Eugene VENT hanging around with George NOLLNER and that Eugene kept asking her for a dance. DAVID stated that she finally found a friend of either Allen SISTO or Eddy KOOTUK and that friend (unknown name) drove her, Allen and Eddy back over to Shawna GOEBEL's house sometime around 0400 hours, 0430 hours or 0500 hours. She stated that it was a little blue car that they were in. DAVID told Inv. SULLIVAN that, when she went inside Shawna GOEBEL's house sometime between 0400 hours and 0500 hours, she saw Shawna GOEBEL and Shawna's dad, and believed that Dana and Conan were also there but she did not see them. She stated that she did not see Nathan CARROLL and believed that he might have been gone.

*where is their parents*

DAVID stated that she slept on the couch and Allen slept on the living room floor while Eddy slept on the bedroom floor of Shawna's mom's room. DAVID stated that, when she had returned to the GOEBEL's house, Kevin PEASE was not there but, when she woke up, she saw PEASE sleeping on the living room floor. He was on his back and his knees were up and his hands were up near his face. She stated it was dark outside.

## INTERVIEW: MELISSA CARROLL

(Continued)

She was not sure who she heard it from, possibly a cousin or Antonio SISTO but she wasn't sure. She stated that Crystal SISTO had told her about a fight and someone was in the hospital.

CARROLL stated, when she arrived at Crystal SISTO's apartment, George FRESE was already there and Antonio SISTO came afterwards. She stated that she was upstairs and, when she came back downstairs, both FRESE and Antonio SISTO were gone. She did know if they had left together or not. She stated that Antonio SISTO came back by himself and she had no idea when George FRESE came back. She stated she was asleep and, when she woke up the next day, FRESE was there but she could not remember when she woke up. It was either 1030 hours or 1300 hours. CARROLL told Inv. Carol PEASE answered the door and investigators entered the residence. Kevin PEASE was upstairs and was ordered to come down. Kevin PEASE was then arrested. Inv. SULLIVAN then interviewed Carol PEASE.

## INTERVIEW: CAROL PEASE

Inv. SULLIVAN found PEASE's emotional state to be unstable. She went from yelling to laughing to crying, back to yelling and laughing. Carol PEASE told Inv. SULLIVAN that Conan GOEBEL and Allen SISTO had been over at the house earlier. She stated that she ordered pizza around seven or seven thirty and that, at some time, Kevin, Conan and Allen went outside and met somebody in a grey or mauve big older car. Carol PEASE stated that Kevin left the house at approximately 2030 hours. She stated that Kevin is usually in the house all the time and he went out just one night with "these kids". Carol PEASE stated that Kevin is usually with his girlfriend, Jessica LUNDEEN, but LUNDEEN had to work until 2100 hours and she did not come over at all on Friday night. During the search of the residence, investigators found a Marijuana 'grow' downstairs in the basement. Carol PEASE admitted to Inv. SULLIVAN that the Marijuana 'grow' was hers. She stated that it was for personal use only and she did not sell it. She stated she only smoked to calm her nerves and she used it whenever she could.

After interviewing Carol PEASE, Inv. SULLIVAN continued to assist in searching the residence. Inv. SULLIVAN assisted in dismantling the Marijuana 'grow'. While in the basement, Inv. SULLIVAN found a black and white Nike nylon windbreaker, size XXL. The windbreaker appeared to have blood on it and it was seized as evidence by Inv. BROWN. The search of the residence ended at approximately 2010 hours.

At approximately 2100 hours, on 10.12.97, Inv. SULLIVAN traveled to 1552 Turner Street, Apartment D, along with Det. RING, in order to attempt contact with Conan GOEBEL. Conan GOEBEL was not at the residence but investigators contacted his mother and father, and also his sister, Shawna GOEBEL, his girlfriend, Dana ANDON, and another friend, Shara DAVID.

At approximately 2123 hours, Inv. SULLIVAN interviewed Shara DAVID who told Inv. SULLIVAN that she had been up to Kevin BRADLEY's house off of Chena Small Tracts on Friday night, 10.11.97. ## INTERVIEW: SHARA DAVID

(Continued)

DAVID stated that she fell asleep again and woke up again and it was still dark outside. She stated that Allen was saying good-bye to her and telling her that he was going to go home. During that time, she saw PEASE get up and walk out of the house without saying a word. She stated that she then heard a three-wheeler start up. She knew that Kevin PEASE had a three-wheeler and asked Allen if PEASE had had his three-wheeler with him but Allen told her he didn't know. DAVID stated she went back to sleep and woke up at approximately 1000 hours and that was due to the fact that Eddy KOOTUK was being told to leave by Shawna's mom. She stated, at that time, the only people at the residence were Shawna's mom, Conan and Dana. She stated that Shawna's dad had already left. DAVID stated that Shawna GOEBEL told her that Kevin PEASE had come back over to the house while DAVID was sleeping and after PEASE had gotten a sandwich at Foodland. DAVID also stated that Dana had told her that PEASE was crying because he had beat up his mom. DAVID also told Inv. SULLIVAN that Kevin PEASE had called from jail several times and had spoken to her, Dana and Shawna. DAVID then stated she was not sure about all the times and that she could be wrong. She also stated that Dana might have come home after DAVID had gotten back to Shawna's house, and she also was not sure if Conan was there when she arrived over at Shawna GOEBEL's house but that they were both there in the morning when she woke up. The interview with Shawna DAVID ended at approximately 2245 hours.

## INVESTIGATION:

On Monday, 10.13.97, at approximately 0815 hours, Inv. SULLIVAN contacted Channel 11 KTVF to find out exactly when the Conan O'Brien Show was shown and to find out possibly when the David BOWIE segment was shown. Inv. SULLIVAN was told that the show began at 0035.02 hours and ended at 0133.25 hours. Inv. SULLIVAN was told that the actual tape of the Conan O'Brien Show was no longer available and that they actually recycle their tapes at KTVF every day. Inv. SULLIVAN was given the information on how to contact NBC.

At approximately 1000 hours, Inv. SULLIVAN went to 921 6th Avenue and contacted Evalyn THOMAS, Michael PROBERT, Thomas HARTMAN, Robert KELLY, Michael KELLY, Patrick LEVY and Angela HARMAN in order to find out if anything of John HARTMAN's was missing.

THOMAS told Inv. SULLIVAN that she last saw her son on Friday, 10.10.97, between the hours of 1500 and 1530. She stated that he was with Chris STONE and that they both stopped by her work place, 5 Aces Pull Tab, at the Eagle Mall, and she gave her son \$5.00. Her son told her that he was going to go over to the Bentley Mall McDonald's and then over to West Valley, and stated that he would probably spend the night over at his best friend, John DURHAM's house in Gold Rush Estates. THOMAS stated that her son, John, was known to babysit and could possibly have had up to \$40.00 on him. She stated what was missing and was not returned to her from the hospital was a black tri-fold leather wallet belonging to her son. She stated that he would have kept his money in it.

## INVESTIGATION:

THOMAS stated that her son had no State ID but had a library card from the Noel Wien Library, a UAF library card, a Fox Kid Club card, a 5 Aces Pull Tab card, a Gavora's Perk card, a North Pole Taxi card with Mike PROBERT's name on it, a King Cab card with Mike PROBERT's name on it and possibly a picture of his ex-girlfriend, Chris, the one that moved to California. She stated that it had been in there the last time she knew of. THOMAS also stated that the last time she saw her son, he had on the camouflage top and the camouflage bottom. THOMAS also told Inv. SULLIVAN that a friend of hers by the name of Beth O'ROURKE, and her sister, Kathy, told THOMAS that they had talked to somebody from WICCA who had told them that they had heard a scream, looked out the window and saw only kids so they ignored it.

PROBERT told Inv. SULLIVAN that another item that John HARTMAN would probably have with him, which they were not able to find and was not returned from FMH, was a small silver pocket knife. He stated that it was a real thin pocket knife, approximately two to three inches long, and that it had small diamond-shaped designed embossed in the handle. He stated that, at most, it had three blades on it and possibly only did have one blade. PROBERT was John HARTMAN's step-dad.

Thomas HARTMAN was John HARTMAN's real dad and he was unaware of any items that may or may not be missing. Both Robert and Michael KELLY, brothers of John HARTMAN, both stated that they believed that Kevin PEASE possibly knew who John HARTMAN was from him coming in to visit both of them at the Fairbanks Youth Facility during the time that Kevin PEASE was also there. Patrick LEVY was a friend of the family who lived in the downstairs apartment. He was unaware of what may or may not be missing but did help to describe the knife, along with PROBERT.

Angela HARMAN told Inv. SULLIVAN that John HARTMAN had called his house for a ride home the night of 10.10.97 and the early morning of 10.11.97. She stated it was sometime between 0045 hours and 0130 hours. She stated he asked for a ride home from the Rainbow Inn in Room 242. HARMAN stated she was the only one home at the time and went to the Rainbow Inn to Room 242 but no one was there. She stated she left and returned back to the house.

PROBERT advised Inv. SULLIVAN that he would contact the dispatchers of the cab companies to find out if anyone remembers picking up John HARTMAN at Noah's Rainbow Inn. PROBERT called King Cab and was advised that a call for a pick up at Noah's Rainbow Inn had come in at approximately 0053 hours on 10.11.97 and that the contact name was E.T. The destination was to be 1423 Laurene Street. The cab driver, at that time, was a Mr. WATERMAN. Inv. SULLIVAN left word for WATERMAN to contact her for an interview as soon as he was available.

At approximately 1344 hours, Inv. SULLIVAN attempted to contact O'ROURKE and was unable to contact anyone.

## INTERVIEW: THOMAS WATERMAN

At approximately 1427 hours, on Monday, 10.13.97, Inv. SULLIVAN interviewed Thomas WATERMAN, the cab driver for King Cab, who had responded to Noah's Rainbow Inn during the early morning hours of Saturday, 10.11.97. WATERMAN advised Inv. SULLIVAN that, according to his run sheet, he either wrote down or arrived at Noah's Rainbow Inn at approximately 0112 hours. He stated that his previous call on the run sheet was at 0055 hours which was a pick up from Safeway and drop off at Moore Hall at UAF, and that his next call was at 0151 hours, a pick up at the airport. WATERMAN advised that he recalled it was an extremely busy night and that he did not recall exactly who got into the cab at Noah's Rainbow Inn. When Inv. SULLIVAN advised that the destination was in the 1400 Block of Laurene Street, WATERMAN stated that his route from Noah's Rainbow Inn would have been from University Avenue to Airport Road, from Airport Road to Gillam Way, and then Gillam Way to Laurene Street. WATERMAN stated that he did not remember the camo jacket and actually did not remember the trip at all. He also stated that, since he was planning on going out to the airport at the time because the jets arrive at approximately 0130 hours, he would have just dropped the kids off and gone straight out to the airport, possibly arriving at the airport at approximately 0140 hours.

Inv. SULLIVAN made a copy of WATERMAN's run sheet and turned that over to Lt. KELLER.

## INVESTIGATION:

At approximately 1500 hours, Inv. SULLIVAN and Sgt. KENDRICK returned to the scene at 9th Avenue and Barnette Street. Sgt. KENDRICK and Inv. SULLIVAN observed what appeared to be a broken Budweiser beer bottle in the roadway. Sgt. KENDRICK stated that he had observed that to be in the roadway in larger pieces the night of the incident involving John HARTMAN.

At approximately 1530 hours, Sgt. KENDRICK took photographs of the smashed beer bottle in the roadway and Inv. SULLIVAN collected it for evidence. Sgt. KENDRICK also took photographs of larger pieces of what appeared to be a broken Budweiser beer bottle and Inv. SULLIVAN also took that for evidence. Sgt. KENDRICK also took photographs of a fully intact Budweiser beer bottle found in the northeast corner of the Fairbanks Realty parking lot. It was approximately 99 feet from the fully intact beer bottle to the south side sidewalk on 9th Avenue. That fully intact Budweiser beer bottle was also taken for evidence. Sgt. KENDRICK took photographs of the skid marks in the roadway. Inv. SULLIVAN observed that each tire track appeared to be six inches wide. A ruler was used to measure that. Measurements from the broken pieces of the Budweiser beer bottle to the blood in the roadway was 72 feet. The measurement from the inside curb of the north side sidewalk to the inside curb of the south side sidewalk was 36 feet 3 inches, the width of the roadway. The measurement from the right passenger side tire skid mark to the blood spot in the road was 7 feet 5 inches. Inv. SULLIVAN gathered the evidence and it was later turned over to Det. BROWN. Sgt. KENDRICK and Inv. SULLIVAN left the scene at approximately 1619 hours.

## INTERVIEW: LAURIE MONSEY

At approximately 1700 hours, Inv. SULLIVAN contacted Laurie MONSEY at WICCA. MONSEY advised that she was the counselor on duty Friday night, 10.10.97, and the morning of 10.11.97. MONSEY advised that sometime around 2:00 A.M., she was in the office that faces 10th Avenue. She stated that Melanie DURHAM came in and told her, "I thought I heard a guy yelling stop, don't, don't, help." MONSEY stated that she asked DURHAM if she had seen anybody, to which DURHAM had told her she had not. DURHAM told MONSEY that she believed it was coming from the fenced area on 9th Avenue. MONSEY advised that she went out to listen and to look but didn't see or hear anything. MONSEY stated she left it up to DURHAM to call the Fairbanks Police Department but did tell her to let her know if she saw or heard anything else. MONSEY stated that she went back to the her office but, approximately twenty-five minutes later, she looked out the window again and still did not see anything so she went back to her office.

## INTERVIEW: KATHY BELLMAY

On 10.13.97, at approximately 1745 hours, Inv. SULLIVAN contacted Kathy BELLMAY who told Inv. SULLIVAN that her daughter, Yolanda BELLMAY, had told her that a person by the name of Lavon HAUGEN, who lived at WICCA, had heard a scream and saw a bunch of kids. BELLMAY did not know anything more about what had occurred and did not have anymore information about HAUGEN.

## INFORMATION:

At approximately 1800 hours, Inv. SULLIVAN went over to WICCA to interview subjects at that location.

## INTERVIEW: MELANIE DURHAM

At approximately 1811 hours, Inv. SULLIVAN contacted Melanie DURHAM again. DURHAM again stated that she went outside to smoke a cigarette at the end of the Conan O'Brien Show. She stated that, as she was smoking, she went upstairs to see the Northern Lights and then heard what sounded as if someone was being beat up and that it sounded very bad. DURHAM stated that she could hear Native accents, possibly two voices but especially saying something in a deep angry voice. She stated she couldn't see anything because the roof of the adoption place blocked the view and she believed that the grunts she heard were coming from the victim as he was getting hit.

DURHAM stated that possibly the very first thing she heard when she went outside was "help me, help me". Then the blows started and she heard no more from the victim. She stated that the blows sounded as if they were very hard and stated that, approximately every third blow, she could hear the angry voice saying something but couldn't understand what they were saying. She stated that the "help me" sounded like it had come from a scared younger voice and she knew that that person was in trouble, and that it was a one-sided fight.

MELANIE DURHAM

(Continued)

She stated that she had run in and told Laurie, the counselor on duty, that she could hear the blows connecting and knew that it was very bad and knew that someone was really getting beat up.

She again stated that she and Laurie went outside but didn't see anything or hear anything so Laurie went back inside. DURHAM stated that she sat outside for approximately five minutes or so and saw a few cars go by on Barnette Street but not on 9th Avenue. She stated that she didn't feel right just sitting there but assumed that, if someone drove by, they would help if there was somebody there. DURHAM also stated that she thought Laurie would call the police and felt that would have more credibility than if she called.

## INTERVIEW:

LAURIE MONSEY

At approximately 1856 hours, Inv. SULLIVAN contacted MONSEY at WICCA. MONSEY stated that she was the counselor on duty at the time that DURHAM heard the commotion outside. MONSEY stated that DURHAM came to her office door and told her that she had heard some guys yelling. She stated that DURHAM had heard "stop, no, stop", and maybe "help". **INTERVIEW: CHRISTY MOSES (Continued)**

MOSES stated that she then paged Allen SISTO at approximately 2030 hours and he called her back about five minutes later. SISTO stated that he was at Kevin PEASE's house and Conan was also there. SISTO asked MOSES to come by and pick him up at PEASE's house.

MOSES stated that she and BEATTUS arrived at PEASE's house at approximately 2050 hours and that SISTO, Kevin PEASE and Conan GOEBEL all got in the van and BEATTUS told them that she would give them a ride but they were not going to ride around for long and asked them where they wanted to be dropped off. MOSES stated that they actually left Kevin PEASE's house at approximately 2055 hours and traveled over to 21st Avenue to Conan's cousin's house, Sam. They arrived there at approximately 2105 hours, according to MOSES, and Conan went inside. She stated that Conan wanted his cousin, Sam, to buy alcohol for all of the guys. MOSES stated that they waited for approximately 25 minutes for Conan to come outside but he never did. MOSES stated that she, BEATTUS, Kevin PEASE and SISTO were getting bored and decided to go to Foodland. She stated that the manager of the apartment building had also come out and told them to turn down their music because it was too loud. MOSES stated that they left at approximately 2130 hours and arrived at Foodland approximately 10 minutes later. She stated that Allen SISTO went in to use the phone and Kevin PEASE went with him. She stated that she and MOSES both bought orange juice and gum.

MOSES stated that, while they were leaving Foodland, they ran into her brother, Greg MOSES, and Greg MOSES told Christy MOSES to go home. She stated that he probably didn't like the boys that she was hanging around with because he believes that Kevin PEASE and Allen SISTO are rowdy and they drink a lot, and they hang around with the bad guys. Her brother, Greg, told her to go home early and don't stay out late, but Christy stated she remembered telling Greg it's only 9:15 P.M. and I don't have to go home now. MOSES stated that her brother, Greg, followed them over to Stacia Street where they talked for a few minutes. While they were there, SISTO had been getting pages from Conan and had gotten approximately seven pages from the time they left Foodland to Stacia Street. MOSES stated that they then traveled back over to 21st Avenue where SISTO went in to get Conan GOEBEL. She stated that, after about 10 minutes, GOEBEL, SISTO and GOEBEL's cousin, Sam, came out and all got into the van. Sam was going to buy Conan, Kevin PEASE and Allen SISTO a case of "40's". She stated that they left 21st Avenue and went over to Foodland where Sam went in to buy the alcohol. MOSES stated that Allen SISTO also went in to use the phone because he always got paged. While on the phone, Allen SISTO's brother, Vernon SISTO, walked into the liquor store just before Allen used the phone but Allen did not seem to see Vernon.

MOSES stated that, at approximately 2200 hours, they dropped Sam and Conan off at Sam's house and left right away. BEATTUS asked Kevin PEASE and SISTO what they were going to do. They wanted to go over to Eugene VENT's house but BEATTUS told them that she had to pick up her little sister. BEATTUS was also beginning to get mad at them because they were treating her like she was a taxi.

She stated that Shara called back at approximately 0130 hours and stated she was at Kevin BRADLEY's house and stated she was getting ready to leave and that Joey was going to drive everybody. Shara stated to MOSES that Joe was the driver because he was sober and that he was going to give Kevin, Eugene and Nathan a ride somewhere, maybe to the Eagle's Hall, and then Joe was going to come back to Kevin BRADLEY's house and give Shara and others a ride home. MOSES stated that she spoke with Shara only for approximately 5 minutes because she said she was getting ready to go and that MOSES told her to call her tomorrow or she would page her. MOSES stated that Shara then told her the next morning, Saturday, MOSES had actually paged her (Shara) around 0230 hours. MOSES told Inv. ## INTERVIEW:

BEATRICE VARIEUR

On 10.16.97, at approximately 1606 hours, Inv. SULLIVAN interviewed Beatrice VARIEUR who told Inv. SULLIVAN that she met Kevin PEASE through other friends about six years ago. She stated that they were just friends, not girlfriend and boyfriend. VARIEUR stated that PEASE was mean and he was mean to everyone. She stated he used to throw snowballs and push you in the snow and just laugh about it. She then stated he was more annoying than anything else. VARIEUR stated that she was a runaway at that time and was living on the streets, and used to hang out with friends at an abandoned house next to "D.J."s house (possibly D.J. CARLO). VARIEUR stated that PEASE used to hang out there too. VARIEUR stated that she and other female friends willingly had sex with "D.J." and also PEASE.

She stated, one day, she was at "D.J."s house when PEASE came by with some of his friends. VARIEUR stated that one friend's name was "Mikie" and then there was an unknown white male juvenile also. She stated they all came over to "D.J."s house and they were "high". Then they all left "D.J."s house and went over to another friend's house who lived near the TowneHouse Apartments. VARIEUR stated that "D.J." had to leave but then he could not get back in due to the security door so that left only VARIEUR, PEASE, "Mikie" and the white male juvenile. She stated that all of them went to the storage room downstairs in the basement and eventually they all ended up having gang sex. VARIEUR stated she was willing to do that at first and it was regular vaginal intercourse. VARIEUR stated that, after a while, she just wanted to leave but PEASE instigated and the others followed. He kept telling her he wanted her to "suck his dick". She told them no and told them she was ready to leave. VARIEUR stated that PEASE kept insisting that she "suck his dick" and then he got the others to insist that that's what they wanted her to do to them also. She stated that they began to slap her on her buttocks and then PEASE ended up shoving her head down with her mouth ending up on someone's penis while someone else put their penis in her vagina. VARIEUR stated that it seemed like forever but it probably only last about an hour to an hour and a half when they finally let her go.

VARIEUR stated that she did not know of any other people that PEASE might have raped but knew that he went to Howard Luke and stated that PEASE always had that "fuck you" attitude. She stated that PEASE drank a lot and did a lot of drugs. VARIEUR stated that she knew George FRESE because he also went to Howard Luke. She stated that FRESE also drank a lot and did a lot of drugs, and smoked cigarettes. She stated that FRESE seemed to be the quiet type who didn't talk with anyone unless he was your friend. She stated he used to come to school on drugs and be wearing sunglasses in class. She also stated that PEASE and FRESE used to hang out together during smoke breaks but she did not know if they hung out together after school. VARIEUR stated she was familiar with the names and photos of both Eugene VENT and Marvin ROBERTS but didn't know them and she was not sure if they went to Howard Luke or not.

## INTERVIEW:

JOSEPH SHANK

(Continued)

SHANK stated that he dropped Kevin PEASE, Shawna and Nathan off at Conan's house and that he, Eugene, Allen, Dana and Shara stayed in the car. SHANK stated that he drove them all back over to Eagle's Hall about 0110 hours to 0115 hours. He later then corrected himself to 0210 hours to 0215 hours. SHANK stated that he dropped everybody off there before going back up to Kevin BRADLEY's house alone.

SHANK stated that he knew Kevin and Eugene because they were friends from Howard Luke. SHANK also stated that he knows George and Marvin through other people and that he's played ball with Marvin ROBERTS before. SHANK also stated that, out of all of the people who were arrested, Marvin ROBERTS is the only one with a vehicle and that he had a blue Dodge Shadow. SHANK stated that Marvin was at the reception and so was his vehicle but SHANK didn't see it there.

At approximately 1619 hours, Inv. GEIER joined the interview with Inv. SULLIVAN and SHANK. SHANK then told investigators that somebody else had said that Marvin ROBERTS was at the Eagle's Hall and that he never saw Marvin ROBERTS or George FRESE at the Eagle's Hall. SHANK also told investigators that he didn't know Angelo or Daniel. Inv. GEIER asked SHANK about some type of seating arrangements in the vehicle, to which SHANK stated that Eugene sat in the front seat and then in the back seat because Kevin PEASE wanted to sit in the front because he's bigger.

## INVESTIGATION:

At approximately 1650 hours, Inv. SULLIVAN contacted the NBC switchboard in New York and was told that the Conan O'Brien Show had started at 0035 hours and ended at 0135 hours, New York Time, in the early morning hours of Saturday, 10.11.97. Inv. SULLIVAN was also told that she would have to speak with the production office for the Conan O'Brien Show to find out anymore details.

## INTERVIEW:

CHRISTY MOSES

Inv. SULLIVAN then interviewed Christy MOSES at approximately 1927 hours. MOSES stated that she was picked up at her house by Tanya BEATTUS at approximately 1800 hours on Friday, 10.10.97. BEATTUS was driving her parents' 1997 maroon Mercury Villager van. MOSES stated that, after BEATTUS picked her up, they went directly back over to BEATTUS' house and arrived there at approximately 1815 hours. She stated that they had planned on taking BEATTUS' mother over to the reception at the Eagle's Hall so MOSES and BEATTUS hung around and waited for approximately 45 minutes and then BEATTUS' mother decided not to go that early. She stated that the reception was to start sometime between 1900 and 2000 hours. MOSES stated that she then called her cousin, Jennifer MCGUIRE, at approximately 2030 hours, but MCGUIRE was sleeping and they did not go up to visit her.

NARRATIVE

## INVESTIGATION:

THOMAS stated that her son had no State ID but had a library card from the Noel Wien Library, a UAF library card, a Fox Kid Club card, a 5 Aces Pull Tab card, a Gavora's Perk card, a North Pole Taxi card with Mike PROBERT's name on it, a King Cab card with Mike PROBERT's name on it and possibly a picture of his ex-girlfriend, Chris, the one that moved to California. She stated that it had been in there the last time she knew of. THOMAS also stated that the last time she saw her son, he had on the camouflage top and the camouflage bottom. THOMAS also told Inv. SULLIVAN that a friend of hers by the name of Beth O'ROURKE, and her sister, Kathy, told THOMAS that they had talked to somebody from WICCA who had told them that they had heard a scream, looked out the window and saw only kids so they ignored it.

PROBERT told Inv. SULLIVAN that another item that John HARTMAN would probably have with him, which they were not able to find and was not returned from FMH, was a small silver pocket knife. He stated that it was a real thin pocket knife, approximately two to three inches long, and that it had small diamond-shaped designed embossed in the handle. He stated that, at most, it had three blades on it and possibly only did have one blade. PROBERT was John HARTMAN's step-dad.

Thomas HARTMAN was John HARTMAN's real dad and he was unaware of any items that may or may not be missing. Both Robert and Michael KELLY, brothers of John HARTMAN, both stated that they believed that Kevin PEASE possibly knew who John HARTMAN was from him coming in to visit both of them at the Fairbanks Youth Facility during the time that Kevin PEASE was also there. Patrick LEVY was a friend of the family who lived in the downstairs apartment. He was unaware of what may or may not be missing but did help to describe the knife, along with PROBERT.

Angela HARMAN told Inv. SULLIVAN that John HARTMAN had called his house for a ride home the night of 10.10.97 and the early morning of 10.11.97. She stated it was sometime between 0045 hours and 0130 hours. She stated he asked for a ride home from the Rainbow Inn in Room 242. HARMAN stated she was the only one home at the time and went to the Rainbow Inn to Room 242 but no one was there. She stated she left and returned back to the house.

PROBERT advised Inv. SULLIVAN that he would contact the dispatchers of the cab companies to find out if anyone remembers picking up John HARTMAN at Noah's Rainbow Inn. PROBERT called King Cab and was advised that a call for a pick up at Noah's Rainbow Inn had come in at approximately 0053 hours on 10.11.97 and that the contact name was E.T. The destination was to be 1423 Laurene Street. The cab driver, at that time, was a Mr. WATERMAN. Inv. SULLIVAN left word for WATERMAN to contact her for an interview as soon as he was available.

At approximately 1344 hours, Inv. SULLIVAN attempted to contact O'ROURKE and was unable to contact anyone.

NARRATIVE

Supplement of Sgt. D.P. Hoffman:

FOURTH JUDICIAL DISTRICT  
DISTRICT ATTORNEY

On 980805 Sgt. Hoffman accompanied Detective Ring to FYF where Detective Ring interviewed Chris Stone. Stone's mother Maggie Stone was also present for the interview at Chris's request. Sgt. Hoffman recorded the interview at the request of Detective Ring.

In interview Stone related to Detective Ring that after he had split from John Hartman at Airport Access Road, he walked to El Sombrero restaurant, which he found to be closed. Stone then walked to Carrs Foodland, where he used the pay-phone adjacent to the liquor store. Stone stated that while using the phone, Kevin Pease appeared at the entrance, and seemed to be waiting to use the phone. Stone stated that Pease was with a "group of guys", five or six total, "white and native" in a "small blue car". Stone stated that the blue car was parked right outside the liquor store entrance. When Stone was unable to contact anyone on the pay-phone, he states that he walked outside of the store for a bit before re-entering the main store. Stone stated that Pease left in the blue car while he was outside in the parking lot, and that he last saw the car headed toward Cushman Street.

Stone related to Detective Ring that he did not know Pease by name, nor did he know Pease at the time. Stone told Detective Ring that he saw Pease's color photo in the News-Miner when Pease was indicted, and recognized Pease as the same person that he had seen by the phone. Stone stated that Pease was wearing an orange jump-suit in the photo, and that the sight of Pease's long hair triggered his memory. Stone told Detective Ring that he saw this picture in February, and that he had signed up on the FYF phone list to call FPD to discuss this information with Detective Ring, which he "never got around to doing".

## INFORMATION:

Defense attorney Lori Bodwell requested several packets of negatives in this case be turned over to her so she could have them digitally enhanced. Fifteen packets of photos were turned over to her on a signed form. Approximately a week and a half went by and Detective Brown was phoned by Bodwell who said there were four packets of negatives that were not original negatives. Bodwell said these were all of head and body shots of Hartman.

Detective Brown responded to Colorworks and contacted Troy who showed Detective the negatives. It was apparent that the negatives were in fact duplicate copies. Detective Brown took these four packets and had Fairbanks Photos confirm these were duplicate copies. These copy negatives are on Konica film (3 packs) and bulk film (1 pack).

The Fairbanks Police Department does not use either Konica or bulk film. The two Developer Company's, Quality Photo and Fairbanks Photo were contacted and advised they do not use Konica or Bulk film. Detective Brown made a check with the crime lab to ascertain if anyone made copies of the three packs that were sent to them and only Jim Wolfe looked at the photos and negatives but never made any further copies.

Detective Brown had the records clerk check the photo log and there is no listing of anyone asking for duplicate copies of negatives in this case. Detective Brown learned that Nelsons Photography did some work for attorney Bob Downes. A check with Nelson photography showed they only took pictures of pictures and never touched or saw any negatives.

Detective Brown again checked all locations where any original film could be found in this case and none was found. Detective Brown and DAO Jeff O'Bryant checked his office for any possible negatives and there were none found.

At this time it is unknown where or how there are only four separate packets of negatives that are copies and not originals. All other photos in the case have original negatives. Detective Brown advised Bodwell and Madson that the medical examiner might have his original negatives. Detective Brown advised he would check and find out how they can be sent to Bodwell. Bodwell was advised the information.

On the left cheek and jaw bone areas, was distinct deep bruising in a straight line.

Numerous bruise marks were observed both outside and inside the upper and lower lip areas. The upper back portion of the victim's tongue was observed to be bruised.

On the upper right shoulder and clavicle area, was observed another distinct bruise mark.

There were bruise marks observed to the victim's right upper arm area. The bottom portion of the right elbow had an abrasion approximately one-half inch in diameter. When looking at the victim's back side, in the middle of the back on both right and left sides near the shoulder blade areas, were distinct bruise type marks.

No injuries were observed to the lower arms and from the middle of the torso down. There were no signs of abrasion, bruising, or tears to the victim's hands.

With the skin being pulled back from the skull area, blood clotting could be observed on both left and right sides of the head. The clotting was consistent with a blunt force injury. As Dr. FALLICO opened the skull area, significant amounts of blood could be observed on the right inside of the skull. Dr. FALLICO indicated multiple areas of blood vessel hemorrhaging throughout the brain. Dr. FALLICO explained this was due to acute subdural hemorrhaging.

Dr. FALLICO removed the anal and rectum area and indicated a circular bruise mark approximately four inches deep inside the anal and rectum area. The circular bruise pattern was approximately three quarters to one inch in diameter. Inside the circular bruise mark, was the lack of further bruising, indicating a ring type injury, which would be consistent with the opening of the top of a bottle.

## INTERVIEW WITH TED JONES:

(Continued)

JONES advised Inv. GEIER that, between approximately 0230 and 0300 hours, when he was leaving the Eagle's Hall, he observed Eugene VENT, George FRESE and Marvin ROBERTS getting into a King Cab.

## INTERVIEW WITH JOEY SHANK:

On 10.14.97, Inv. SULLIVAN conducted an interview with ~~Joey S~~ at the Fairbanks Police Department and during that interview, Inv. GEIER was present for a portion of it.

~~Joey S~~ admitted that he was at ~~Kevin B~~'s house with ~~S~~ ~~D~~, ~~Shawna G~~, ~~D~~ ~~ANSON~~, ~~Kevin B~~ and a subject by the name of Clark. He advised that, some time later, Kevin PEASE, Eugene VENT, ~~Alan S~~ and ~~Nathan C~~ were dropped off by ~~T~~ ~~B~~. Eventually, they all left ~~B~~'s residence and ~~J~~ ~~S~~ was driving ~~B~~'s mother's car.

SHANK advised that, between 0150 and 0155 hours, they arrived at the Eagle's Hall. He stated they had stopped near the front entrance in the parking lot and ~~D~~, Kevin, Eugene and ~~S~~ got out to look for ~~C~~. He said that ~~D~~ entered the club but the others waited at the front step, talking with other people. He said they returned to the car and Eugene sat in the front passenger's seat. Kevin PEASE then had Eugene move to the back seat so Kevin could sit in the front seat and Dana got in the car also. He stated they were only there for three to five minutes and then they drove off. ~~S~~ advised they drove to the ~~G~~'s residence and had arrived there at approximately 0210 hours. He stated everyone got out of the vehicle. They left shortly thereafter and ~~D~~, ~~S~~, ~~E~~, Eugene and ~~A~~ were the only ones that got back into the vehicle. ~~S~~ stated he was not sure if PEASE got back in the vehicle or not. Then he took all of the subjects to the Eagle's Hall and dropped them off.

~~S~~ advised that he returned to ~~Kevin B~~'s house at approximately 0230 hours, at which time he received a telephone call from ~~C~~ who was asking where everyone else was.

## INTERVIEW WITH ~~JOEY S~~ AT THE D.A.O.:

On 10.15.97, Inv. GEIER conducted a tape recorded interview with ~~Joey S~~ at the District Attorney's Office. Inv. GEIER again questioned ~~S~~ in regards to him having dropped off PEASE at the ~~G~~'s residence. ~~S~~ stated it was possible that PEASE may not have stayed at the ~~G~~'s, but may have gotten back into the car and was dropped off with the others at the Eagles Hall. (Refer to tape recorded contact for further information.)

## INFORMATION:

(Continued)

A small pool of blood on the street among the items was also noted and later collected as evidence.

During the scene investigation, Det. RING was advised of the following information: That an assault and robbery involving a beating had taken place outside of the Eagle's Hall where a dance had been held and that the victim was Frank DAYTON.

While still at the crime scene, at approximately 0430 hours, Det. RING followed police radio traffic involving an assault that had occurred at the Alaskan Motor Inn. That assault had involved a handgun and patrolmen were chasing a suspect. That suspect was caught at 5th Avenue and Barnette Street, and identified as Eugene VENT. The victim at the Alaskan Motor Inn, who was the clerk, Mike BACCA, had responded to the scene at 5th Avenue and Barnette Street and positively identified Eugene VENT as the person who had threatened him with a handgun. Eugene VENT was placed under arrest and transported to the Fairbanks Police Department. Det. RING was then asked to interview him. As VENT was underage, Det. RING had VENT transported to the Fairbanks Youth Facility.

## INTERVIEW: EUGENE VENT / 10.11.97

Eugene Vent was seventeen years old, soon to turn eighteen years of age. He was advised of his Rights per Miranda and he waived those Rights. He also waived the additional Right of having a parent present. During this interview, Eugene VENT made mention of leaving the area of the Elders Home by the Eagle's Hall, possibly the Golden Towers by the location description given by VENT, because "they" were getting in a fight. "It should be noted that that is the area where Frank DAYTON was assaulted and robbed."

When asked about the fight at 9th Avenue and Barnette Street, Eugene VENT originally stated that he got in a fight with Michael LUDENBACHER. When asked about the physical nature of that fight, Eugene VENT said, "The only physical thing about it is I beat his ass." When asked again about the victim at 9th Avenue and Barnette Street, Eugene VENT stated that he was "sorry ass drug dealer" and that he was only there for five minutes.

When asked about the Eagle's Hall fight and asked about Frank DAYTON (who Det. RING was under the impression was approximately 60 years of age), Eugene VENT responded that the only Frank DAYTON he knew was thirty-five years old.

Again talking about the intersection at 9th Avenue and Barnette Street, Eugene VENT said that he had only stopped at 9th Avenue and Barnette Street to make a drug deal. When asked who was at 9th Avenue and Barnette Street with him, Eugene VENT stated, "Michael WILLIAMS, Michael LUDENBACHER and Dana ANDON." "VENT had already told Det. RING that Michael WILLIAMS was in Wisconsin. When asked about the fight, Eugene VENT stated that WILLIAMS and LUDENBACHER were trying to "hook up" some "weed" (Marijuana). Eugene VENT also stated that there was no fight at 9th Avenue and Barnette Street. VENT stated he was there but he didn't beat anybody up. VENT then stated that WILLIAMS and LUDENBACHER might have beat him up.

## INTERVIEW: EUGENE VENT / 10.11.97

(Continued)

VENT was shown a photograph of the victim and he stated that that was the person trying to sell "weed" to LUDENBACHER and WILLIAMS.

When asked about the details of the assault or fight, Eugene VENT stated that he heard it but didn't see it. He stated that his friends, WILLIAMS and LUDENBACHER, didn't like the "weed". He also stated, at this time, that they probably beat him up. When asked what they beat him up with, VENT responded, "All they had was their shoes." When asked, "Did the stomp him?", VENT stated, "They might have had a forty-ouncer." He then went on to state that obviously they had a little to drink, they could have had steel toe shoes, they could have had a forty-ouncer, but he got there after the fight was over. He stated that, when he saw the individual lying on the ground, he took off. He stated that he saw WILLIAMS and LUDENBACHER around the corner and, as VENT pointed to the picture, he asked them what happened to this person and they wouldn't tell him.

Det. RING was interrupted during the interview by a telephone call from the police station in which Det. RING was advised that Kevin PEASE had also been involved in an assault with his mother that morning and that he was believed to be a friend of Eugene VENT.

Det. RING then resumed the interview and asked about Kevin PEASE. Eugene VENT stated that he knew Kevin PEASE but he didn't see him tonight and he repeated that statement to Det. RING. Eugene VENT denied having a handgun at the Alaskan Motor Inn and stated that Det. RING should talk to Harley SEMAKEN and that Harley SEMAKEN's telephone number could be pulled from Eugene VENT's pager.

## INVESTIGATION:

Det. RING left the Fairbanks Youth Facility and telephone number 457-7429 was pulled from Eugene VENT's pager, and the number was traced back to 311 11th Avenue, Apartment #3, the residence of Shannon CHARLIE. Det. RING and other officers from the Fairbanks Police Department responded to 311 11th Avenue, Apartment #3, and contacted numerous people at that location. Of those people contacted, Det. RING first interviewed Harley SEMAKEN.

## INTERVIEW: HARLEY SEMAKEN / 10.11.97

Harley SEMAKEN stated that, on the previous night, he had left his house at approximately 7:00 P.M. He stated he went out to eat with his mother at the Bakery Restaurant and that his mother dropped him off at Shannon CHARLIE's residence at approximately 8:00 P.M. He stated he next walked to the Eagle's Hall somewhere between 10:00 P.M. and midnight, and that he did observe Eugene VENT, George NOLLNER and Marvin ROBERTS all standing on the porch outside the Eagle's Hall. Harley SEMAKEN stated that he did not see Kevin PEASE. Harley SEMAKEN stated that Eugene VENT, Marvin ROBERTS and George NOLLNER had been drinking and were attempting to pick fights with him, although he is their friend. Harley SEMAKEN stated that he believed they were joking around and that they eventually backed down from their attempts to pick a fight with him.

Vernon CHARLIE left the Alaskan Motor Inn and walked to Shannon CHARLIE's residence where he had been since.

## INFORMATION:

During the course of these interviews and interviewing other individuals contacted at 311 11th Avenue, Apartment #3, it was determined that Michael WILLIAMS had left for Wisconsin during the summer and was currently living there with his family. No one knew anyone by the name of LUDENBACHER but it was determined that Eugene VENT did have a friend by the last name of LUDECKER, that person being James LUDECKER.

## INTERVIEW: JAMES LUDECKER

James LUDECKER was contacted and he stated that he was working at his job at the University of Alaska - Fairbanks until approximately 10:30 P.M. when he walked down to the Mapco Express at Geist Road and was picked up by a friend, Lisa VOIGHT, who drove him to the Midtown Apartments where he spent the night playing Chess and watching TV.

## INTERVIEW II: EUGENE VENT

Det. RING then responded back to the Fairbanks Youth Facility and re-contacted Eugene VENT at approximately 1250 hours. VENT again agreed to talk to Det. RING and he acknowledged that Michael WILLIAMS and James LUDECKER or LUDENBACHER were not present during the fight or assault. When questioning VENT about the assault at 9th Avenue and Barnette Street, Det. RING asked VENT, "Why did you feel it necessary to hit this guy when you saw him?" VENT responded, "Cause I was drunk, I guess." Det. RING asked VENT what made him so angry and what the guy was doing, to which VENT responded, "Just walking along."

## INTERVIEW II: EUGENE VENT

(Continued)

Eugene VENT then asked to call his mother, Ida VENT, on the telephone and he was allowed to do so. Det. RING also spoke with Ida VENT to apprise her of the situation. Eugene VENT then agreed to talk further with Det. RING.

Eugene VENT next said that he probably did beat him up but he didn't remember it right now, and he alluded to having black-outs. When asked what he remembered about the fight on the street corner, Eugene VENT responded that he just remembered being there and didn't beat the individual up. Eugene VENT then recanted, when asked, "What did you do to take part in this assault?", by responding, "Probably kicked him, probably hit him, too." When asked with his right hand or left hand, Eugene VENT responded, "Both."

When asked if he was in a car or walking, Eugene VENT responded, "Probably in a car." Det. RING asked VENT who was the first to see the guy on the street and VENT responded, "It probably was me." VENT also stated that he was just driving along, being stupid, and that it was out of anger. VENT stated the assault happened outside of the car and, when asked what the person was hit with, VENT responded, "Probably a bunch of hands and feet." When asked how many people participated in the assault, VENT initially responded three people. When asked if he was one of those three people, VENT responded, "Yeah." When asked how many times he hit the person, VENT stated just once, but that he kicked him a couple of times. When asked who the other two people were, VENT initially stated that he didn't remember. VENT also made the statement that he should take all of the blame.

When asked again for the reasons behind the assault, VENT responded anger, and that alcohol "riled me up". VENT stated that, after the assault, he left on foot. When asked specifically about Marvin, Eugene VENT responded, "Who?" When asked about NOLLNER, Eugene VENT again responded, "Who?", but then stated, "I left him at the Eagle's." When asked about Kevin, Eugene VENT responded that he did not know where Kevin was but that he might have been there and then added that Kevin probably was there. When asked who got out of the car during the assault, VENT responded, "Me and Kevin and some guy who knows Kevin," and that he did not know who was driving.

When asked who had pulled the victim's pants down and put something up him, VENT responded that he didn't know, that's probably why they did it, because he was "queer". He then stated that he didn't have anything to do with that part of the assault and didn't know who did. VENT then stated that "he" probably did it after he (VENT) left. When asked again who had sexually assaulted the person, Eugene VENT responded that it was probably Kevin or the driver or Kevin's friend. When asked where he was sitting in the vehicle, VENT stated that he was sitting in the back seat behind the front seat passenger and that Kevin PEASE was sitting up front. VENT initially described the car as a little car like an Escort, red in color.

## INTERVIEW II: EUGENE VENT

(Continued)

When asked again about the individual on 9th Avenue who was walking and what kind of things were said about him, VENT stated, "I think it happened because he was queer." When asked how he knew that, VENT stated that he guessed one of the people in the car knew. When asked what he might have against homosexuals, VENT responded, "I just don't like them."

Det. RING then asked VENT what happened when the people in the car got out and VENT responded, "We beat him up." When asked what he did himself, VENT responded, "Beat him up." When asked with what, VENT stated, "My shoes and knuckles, kicking him in the arms mostly." When asked about kicking the individual in the head, VENT admitted that he had done that once or twice. When asked about the sexual assault again, VENT stated that he didn't think anyone raped him, "he's just queer".

When asked about the individual down by the Eagle's Hall who was assaulted, VENT stated that he didn't remember. When asked if he had taken part in that assault, VENT stated, "I guess so. I told you I don't know. I was drunk." When asked if he had a fight with an individual down by the Eagle's Hall, VENT stated, "I don't know. I suppose I did."

Again returning to the incident at 9th Avenue and Barnette Street, Det. RING asked what the individuals were doing around the victim when he left. VENT stated they were standing around, hollering at him, and that they were drunk and "wound up".

Det. RING then drew Eugene VENT a rough sketch of the intersection and asked him to point to the area of the intersection where the individual was assaulted. Eugene VENT indicated the southwest corner where the victim had been found. Det. RING then left the Fairbanks Youth Facility.

## CONTACT WITH GEORGE FRESE, AKA. GEORGE NOLLNER AT F.M.H.:

Sgt. KENDRICK and Det. RING had responded to the Fairbanks Memorial Hospital to view the victim in the Intensive Care Unit. While at the hospital, Det. RING was advised that a George FRESE had come to the hospital and told the hospital staff that he had broken his foot kicking someone. (Refer to Det. BROWN's supplement for a complete statement from the hospital staff.)

Det. RING then contacted George FRESE and his girlfriend, Crystal SISTO, in one of the Emergency Room examining rooms. George FRESE was observed to have a waffle-stomper type boot on his right foot-but his left boot was off and he was observed to have a deep bruise on his instep. FRESE stated that he had hurt his foot kicking someone in a fight but that he couldn't remember who he had kicked or where the fight had taken place other than downtown. Det. RING then obtained a tape recorder and continued the conversation with FRESE, advising him that he was not under arrest, and FRESE agreed to talk with Det. RING.

## CONTACT WITH GEORGE FRESE, AKA, GEORGE NOLLNER AT F.M.H.:

(Continued)

After an x-ray examination determined that FRESE's foot was not broken, he agreed to respond to the Fairbanks Police Department to speak with detectives on this matter. Crystal SISTO had responded to their residence and returned with FRESE's left boot which he turned over to Det. RING. FRESE also stated that he is known by the name of George NOLLNER.

At the Fairbanks Police Department, George FRESE stated that he walked downtown but did not remember anything after that or how he got home. Sgt. KENDRICK then continued the interview with George FRESE with FRESE still stating that he didn't remember the events of the previous night. During that interview, Det. RING interjected that he was going to look for Marvin ROBERTS, that these guys were all riding in Marvin's car the previous night. The next words out of FRESE's mouth were, "I just kicked him a couple of times."

While Det. RING was monitoring the conversation, FRESE was asked who kicked him first and FRESE responded, "Kevin." FRESE also stated that all he remembered was that "we kicked his ass and I don't know why". When asked how he had kicked him, FRESE stated, "Just kicked him, I'm not sure how." When asked at what point he had hurt his foot, FRESE stated, "Fuckin' after I kicked him in the face." FRESE also stated that Kevin kicked the individual "a lot" and that Kevin started it. George FRESE also stated that he was sitting in the back of the car.

FRESE then asked to have a cigarette and, while having a cigarette, asked to be taken home. Det. RING rode with Sgt. KENDRICK and George FRESE. On the ride home, Sgt. KENDRICK stopped at the intersection of 9th Avenue and Barnette Street where FRESE indicated that, after the assault, Marvin had given him a ride from that point to Second Avenue. George FRESE stated that, from Second Avenue, he got a ride with his uncle, John DAVID, to the Midtown Apartments and then received a ride from there back to his residence.

## INTERVIEW: MARVIN ROBERTS

Marvin ROBERTS was contacted and interviewed at the Fairbanks Police Department by Sgt. KENDRICK and Inv. GEIER, as well as Det. RING briefly. Marvin ROBERTS gave a description of his night's activities to Inv. GEIER and made no admissions other than that his car could have been at the assault scene but he wasn't.

## INTERVIEW III: EUGENE VENT (10.11.97, 1900 HOURS at F. Y. F. )

Eugene VENT was re-advised of his Rights per Miranda and VENT indicated that he understood those Rights. Eugene VENT again agreed to speak with Det. RING without a parent being present. Det. RING advised Eugene VENT that George NOLLNER and Marvin ROBERTS had been been spoken with and photographs of George NOLLNER and Marvin ROBERTS were set in front of Eugene VENT. Det. RING advised Eugene VENT that it was believed Marvin was the driver of a little blue car, not a red car, and Eugene VENT answered that that was correct. VENT added that Marvin ROBERTS' car was a two-door blue car, not a red one as he had previously told Det. RING. Eugene VENT was asked if it was the truth, if Marvin ROBERTS and George NOLLER were both in the vehicle and he stated that it was.

## INTERVIEW III: EUGENE VENT

(Continued)

Eugene VENT also agreed that he did not divulge this information earlier because they were friends of his. Eugene VENT again affirmed that Marvin ROBERTS was the driver of the vehicle but initially stated that he did not remember if Marvin ROBERTS got out of the car too.

Det. RING drew a diagram of the vehicle seating area while talking to Eugene VENT and VENT indicated that Marvin ROBERTS was the driver and that he believed Kevin PEASE was the front passenger and that George NOLLNER was sitting next to him in the back seat. In talking with Eugene VENT, he stated that it was possible that he was also dropped off on Second Avenue along with George NOLLNER by Marvin ROBERTS.

When asked specifically how many times he remembered kicking the individual himself, Eugene VENT responded, "Ten times." Eugene VENT stated that the kicks were to the body, to the arms and a couple of times to the head. When asked what shoes he was wearing, Eugene VENT stated, "The black Nikes." When asked what type of shoes George was wearing, Eugene VENT responded that he didn't know. When asked about Marvin's shoes, VENT stated he believed they were some sort of hiking boots. When asked about Kevin's shoes, VENT stated, "Regular tennis shoes."

When asked, on this occasion, whose idea it was to pull over, Eugene VENT responded he didn't know but that it wasn't his. Eugene VENT again denied seeing or participating in any sexual assault of the individual. He also denied taking anything from the individual who was assaulted. When asked about the other's participation in the assault, Eugene VENT, on this occasion, stated that he just remembered George and himself doing most of the assaulting. When Det. RING indicated the photographs of Marvin ROBERTS and Kevin PEASE, and asked if these two individuals were out of the car too, VENT stated, "I think they were outside the car, kicking and yelling." When asked who was doing the yelling, VENT responded that it was Kevin, that he was hollering and drunk. When asked for the identity of the person who had been assaulted, VENT stated that was the first time that he had ever seen him. When asked why he had been picked out for the assault, VENT stated, "I don't know. I guess he was just walking. I don't know. I don't really remember."

At the conclusion of this interview, Eugene VENT stated that he was sorry for what had happened and that he felt bad. He stated that he had not felt forced to talk about this in any way or coerced. Eugene VENT also indicated that he did not feel threatened in any way by the police and that he was glad that he had given the statement that he gave.

## INVESTIGATION: 10.12.97

On this date, George FRESE, Kevin PEASE and Marvin ROBERTS were arrested for the murder of the victim now identified as fifteen year old John HARTMAN.

Det. RING responded, along with other officers, to this residence to take PEASE into custody. PEASE was upstairs at the residence upon entry and then came downstairs.

PEASE was advised that he was under arrest and placed in handcuffs. Seeing that PEASE was not wearing shoes, Det. RING picked up a pair of tennis shoes, at which time Lt. MILLER stated that Det. RING should check those shoes. Without knowing what he was being arrested for, PEASE responded, "There's no blood on those shoes." PEASE did not answer when Det. RING asked, "Why would there be blood on your shoes?"

Det. RING rode with Kevin PEASE to the Fairbanks Police Department and advised him of his Rights. PEASE responded, "What do you want to know?" PEASE stated that he wasn't at the Eagle's Hall and did not see Marvin, Eugene or George all night. Kevin PEASE stated that he was with his girlfriend, Jessica LUNDEEN, at her sister's apartment at Fairview Manor on Friday night/ Saturday morning and provided Det. RING with Jessica's telephone numbers. PEASE then asked for an attorney.

During Det. RING's contact with Kevin PEASE, he was wearing a shirt which appeared to have a bloodstain. This shirt was seized as evidence.

Prior to Kevin PEASE being booked, Jessica LUNDEEN was contacted and she stated she was working Friday evening and did not see Kevin PEASE until Saturday afternoon. PEASE was then booked at the Fairbanks Correctional Center.

Inv. SULLIVAN and Det. RING responded to [REDACTED] and contacted Shawna GOEBEL, Dana ANDON and Shara DAVID. The three females were interviewed separately but stated, in substance, the same circumstances. They stated that they had been at a party at Kevin BRADLEY's residence off Chena Pump Road and, while there, Kevin PEASE, Eugene VENT, Allen SISTO, Nathan CARROLL and Eddy KOOTUK were dropped off at BRADLEY's residence between 10:30 P.M. and 11:30 P.M. They stated that they did not return back into town until approximately 2:30 A.M. when Joey SFANK drove them back down to the Eagle's Hall where Eugene VENT was dropped off. Kevin PEASE, Nathan CARROLL and the females were driven back to Shawn GOEBEL's residence on Turner Street where they were dropped off, but Kevin PEASE did not go in but walked back towards town. Det. RING then discovered that the three females had been called by Kevin PEASE after he was booked at the Fairbanks Correctional Center and that, even during the interviews, Kevin PEASE was calling and speaking to the females, trying to find out what the police were doing. All three females denied that they had altered the times to fit Kevin PEASE's new alibi.

**INVESTIGATION: 10.13.97**

On 10.13.97, Shara DAVID was re-interviewed and she stated that, after the police had left, Shawn GOEBEL and Dana ANDON had told her that it had actually been much earlier that they had come back to town from Kevin BRADLEY's residence. Shara DAVID then stated that it had possibly been 12:27 A.M. rather than 2:27 A.M. that they had left Kevin BRADLEY's residence to come back to Eagle's Hall.

Ida VENT stated that this individual had, in fact, loaned her the pistol but Eugene VENT had sold it to another individual. Ida VENT did state that, on Friday night, she had been told by Eugene VENT that he was going out with Marvin ROBERTS but that she did not see who Eugene VENT left with that evening. Inv. GEIER was later to contact that individual who stated that he had not purchased the pistol from Eugene VENT. Det. RING then re-contacted Ida VENT who stated that she was wrong, that Eugene VENT had sold it to her nephew, Kevin ESMAILKA. ESMAILKA was also contacted by Inv. GEIER and ESMAILKA stated that he had purchased the handgun from Eugene VENT but that it was "in the village".

**INTERVIEW:** GARETH EDWIN

Gareth EDWIN was contacted by Det. RING and stated that, of the four individuals arrested, Marvin ROBERTS was the only one that he recalled seeing at the Eagle's Hall because Marvin ROBERTS had sat at his table from approximately midnight until 1:00 A.M. **INTERVIEW: ARLO OLSON**

(Continued)

Arlo OLSON stated that he was outside of the Eagle's Hall again at approximately 1:15 A.M., possibly later, though OLSON stated that he was not drinking at the time. At that time, he saw Marvin ROBERTS' car again. Marvin ROBERTS had in his car three other individuals. OLSON stated that he knows George NOLLNER and saw that he was sitting in the back seat of the vehicle. Arlo OLSON stated that he knows Eugene VENT and saw that he was sitting in the back seat of the vehicle as well. Arlo OLSON stated that the four individuals circled the Eagle's Hall a couple of times during this time frame and then drove west on 1st Avenue. Arlo OLSON stated that, approaching the intersection of 1st Avenue and Noble Street in the vicinity of the day care, he saw the vehicle come to a stop and the four individuals jump out. Arlo OLSON stated that Frankie DAYTON was walking along 1st Avenue at this time. Arlo OLSON stated that the four subjects attacked Frank DAYTON from behind, punching him and knocking him down. Arlo OLSON stated that he believes that Frank DAYTON was kicked as well. Arlo OLSON stated that, from that distance, he did hear an individual yell, "Give us your fuckin' money, bitch." Arlo OLSON stated that he observed Frank DAYTON reach into his pocket and hand something to the individuals. The vehicle then drove off, continuing westbound on 1st Avenue and Frank DAYTON walked back to the Eagle's Hall. Arlo OLSON stated that he was informed that the individuals had taken \$15.00 from Frank DAYTON.

Arlo OLSON stated that he did not report this assault because he believed Frank DAYTON knew Eugene VENT and would report it to the police if he wanted to. Arlo OLSON positively identified Marvin ROBERTS' vehicle as the vehicle he had seen the four defendants in when Frank DAYTON was assaulted.

Arlo OLSON stated that he next saw anyone connected with the assault at approximately 3:15 A.M. to 3:20 A.M. in front of Tommy's Elbow Room. Arlo OLSON stated that he was standing on the sidewalk there when George NOLLNER limped up to him. Arlo OLSON stated that he did not see where NOLLNER came from but did see Marvin ROBERTS' car across the street in the parking lot. OLSON stated that, from the distance he was at and because of the darkness, he could not see if anyone was in Marvin ROBERTS' car at this time. OLSON stated that, when George NOLLNER approached him, George NOLLNER asked him if he wanted to "do some shit". Arlo OLSON stated that George NOLLNER was attempting to sell him some Cocaine. OLSON stated that, in response to the question of why George NOLLNER was limping, George NOLLNER told OLSON; "We beat someone's ass." Arlo OLSON stated that George NOLLNER appeared to be "on an adrenaline high".

Arlo OLSON stated that he refused George NOLLNER's offer of Cocaine, at which time OLSON and Baron CHARLIE walked to the Alaskan Motor Inn where he observed Gilbert FRANK, Harley SEMAKEN and Conan GOEBEL there. Arlo OLSON stated that he and Harley SEMAKEN became involved in a food fight and that Vernon CHARLIE, Harley SEMAKEN and he then walked with two young girls in the direction of Shannon CHARLIE's house.
