SYNOPSIS

On 971011, between 0100-0115 hrs., **FRANKLIN DAYTON** was walking along the 300 block of 1st Ave., when he was assaulted by (4) subjects. DAYTON was knocked down on to the sidewalk and then kicked by the subjects. One of the subjects then took \$15.00 from DAYTON's pants pocket and then the subjects fled in a vehicle.

DAYTON was subsequently transported to FMH-ER and treated for his injuries.

During homicide investigation 97-5823, DETECTIVE RING learned that **ARLO OLSEN** witnessed the assault and robbery of DAYTON. He said that he was standing outside the Eagles Hall, 200 1st Ave., and saw a vehicle stop behind DAYTON. Four subjects then exited the vehicle, assaulted and robbed DAYTON, then got back into the vehicle and fled. OLSEN advised DET. RING that the subjects were ID'd as **KEVIN PEASE, MARVIN ROBERTS, GEORGE FRESE and EUGENE VENT**. OLSON further advised that the vehicle was a blue Dodge Shadow, owned by ROBERTS.

NARRATIVE

REITAN advised that she was at the Eagles Hall and that she was contacted by DAYTON after he was assaulted. She said that he did not say a whole lot about it, except that he was jumped by four boys and they beat him up really badly. She said that she took him to FMH along with KATHERINE QUIRK.

INTERVIEW WITH KATHERINE QUIRK

On 971014, QUIRK was telephonically interviewed by INV. GEIER. The contact was recorded by INV. GEIER.

QUIRK advised that she was contacted at the Eagles Hall by DAYTON after he was assaulted. She said that DAYTON had told her that four guys had jumped out of a car; pulled a gun on him; told him that they wanted his money and that he was not the only one that they were going to hurt. He also advised her that one of the guys was a big guy, that had thrown him down.

INTERVIEW WITH FRANKLIN DAYTON (second interview)

On 971016, INV. GEIER conducted a second interview with DAYTON at the FPD. The contact was recorded.

DAYTON told INV. GEIER about the incident as he had previously and INV. GEIER asked him some additional questions. DAYTON stated that he did not recall what he told KATHERINE QUIRK, the nurses or doctor after the incident. DAYTON was asked if remembered seeing or hearing any reference about a gun and he first answered no. DAYTON then advised that he was told not to look back and believed at that time some reference was made about a gun. He recalled that one of the suspects was a big guy and described him as being built like a football player. DAYTON was asked if he knew EUGENE VENT and he said no. DET. RING asked if he knew ARLO OLSEN and he said no. DET. RING said that OLSEN knew DAYTON as Frankie and had seen him in Kaltag. DAYTON confirmed that he had been to Kaltag and that people do call him Frankie, but didn't know OLSEN.

Dayton was asked if any of the subjects had made any sexual remarks to him and he didn't remember. He did remember one of the subjects stating words to the effect of hurry up, we have to get someone else. DAYTON did not see anyone else in the area at the time of the incident.
