To Whom it may concern,

We have been members of World Plus Travel since 1991. During that time there have been no indications that Jeanne Bonham has fraudulently misused any moneys.

Prior to investing with World Plus Travel, I personally looked into whether or not World Plus Travel was involved in a scheme to defraud the residents of Fairbanks. To my knowledge World Plus Travel has been in operation for the past 6 to 7 years. It has been a stable and solid Travel Agency in Fairbanks area, while others have come and gone. I have heard that World Plus Travel was possibly involved in a "Ponzi Scheme" however there is no indication by any members of the community that this is so. World Plus Travel in particular, Jeanne Bonham has acted in a very professional manner and has never tried to hide or conceal any derogatory information from her investors.

To my knowledge there have been no official complaints to the Fairbanks Police Department indicating that World Plus Travel was a fraudulent company. Myself and others whom I know, that are involved with World Plus Travel are very happy with the company and Jeanne Bonham.

Sincerely,

Paul A. Keller
