A PolarExpress card is required to access meal plans at any UAF Dining Services location and on-campus vending machines. Lost or stolen cards must be replaced at the PolarExpress office located next to the Office of the Bursar in Signers' Hall.

ELIGIBILITY: Any student attending University of Alaska Fairbanks may purchase a meal plan. Students living in residence halls or Cutler Apartment Complex are required to purchase a meal plan with the exception of graduate students. Requirements for meal plan selection are determined by class standing and housing assignment. Freshman students, with less than 30 credits, living in residence halls are required to select one of the designated Freshman Meal Plans. All other students in residence halls may select from the Residence Hall Meal Plans. Residents of Cutler Apartment Complex must select at least the minimum required meal plan. Campus residents that are not required to purchase a meal plan or students that do not live in campus housing may select any of the offered meal plans or customize a Commuter Bundle.

Only the customer named on this application is entitled access to their meal plan options; these plans are non-transferable.

EXEMPTIONS: Graduate students are excluded from the meal plan purchase requirement in residence halls. No other exemption can be made by the university except as authorized in writing by UAF Dining Services. Students with documented health conditions or other circumstances that require special diets that cannot be accommodated by the dining services provider may petition for an exemption by contacting UAF Dining Services at uaf-dining@alaska.edu. Exemption requests should be submitted no less than 14 days prior to start of classes. Requests received later may result in either charges at a weekly rate or consideration for future term only.

USE OF BLOCKS AND MUNCH MONEY: Block meals are accessible after 11:00 a.m. until closing. Blocks are used for the all-you-care-to-eat dinner at Dine 49 and may be exchanged for up to a \$7.00 equivalency at all dining locations with the exception of Subway. There is no limit to the number of blocks used at any one time. Block equivalency is not redeemable for cash. **Weekly blocks** reset on Monday mornings. Unused block meals are non-refundable and expire when the plan resets. **Block Bundles** expire at the end of the semester.

Munch Money is used like cash any time of day at all UAF dining locations and most campus vending machines. Munch Money remaining on accounts at the end of the Fall semester will roll into the Spring meal plan. All unused Munch Money is non-refundable and expires after the last day of the Spring semester.

LOCATIONS AND HOURS OF OPERATION: Information for all Dining locations and hours of operation may be found at www.uaf.edu/dining.

NOTE: Food service on campus is limited during holidays, winter break, spring break and commencement weekend. Adjustment to hours will be posted in advance at all locations and on the above website. Block meals are not accessible during winter break; however, Munch Money is accessible throughout the academic year.

UNIVERSITY AUTHORITY: The University reserves the right to:

- Assign a default meal plan if a selection is not submitted to UAF Dining Services a minimum of 10 days prior to Halls opening each semester or within 48 hours if room assignment is after this date. Change requests to the default plan are permitted as defined in the **Changes/Cancellations/Refunds** section.
- Change the available meal plan options, associated costs and hours of operation after showing due diligence to inform meal plan participants of the change.
- Close food service facilities for maintenance or an emergency with or without advance notice.
- Terminate or temporarily cancel individual meal plans privileges upon indication of non-payment of fees or misuse.

PRICING: Meal Plan price is listed for each semester. Students are automatically enrolled in the same meal plan for the Spring semester, unless Dining Services is notified in writing of a different plan selection or cancellation. Add On and Commuter Bundles are a one-time purchase and do not automatically renew. All institutional charges including meal plan fees are due prior to the fee payment deadline (see schedule above). For plans purchased after the fee payment deadline, payment arrangements must be made via UA Online or with the Office of the Bursar within **5 business days** to avoid late fees and interruption of meal plan privileges.

By signing this agreement student affirms the information provided on this application is true and is in agreement with any additional charges that may be added to their account resulting from the selection on this form. The student agrees to pay any attorneys' fees and collection costs, which may be based on a percentage at a maximum of 40% of the debt, necessary for the collection of any amounts owed to University of Alaska. If student does not pay, University of Alaska may take student's Permanent Fund Dividend under Alaska Statutes 14.40.251 and 43.23.073 and pursue other collection methods.

CHANGES/CANCELLATIONS/REFUNDS: Only the student may request a change/cancellation and must do so in writing. Submit request to UAF Dining Services at uaf-dining@alaska.edu or in person at Room 101M in the Wood Center. Changes/Cancellations to meal plans are permitted based upon the refund schedule above. Cancellation date will be determined by the later of: date cancellation request is received, move out date or last day of meal plan use.

Refunds are calculated based on weekly block access and Munch Money used and refund period of request. No changes/cancellations after the 50% refund deadline. All meal plan fees to be reimbursed for changes or cancellations may be used to pay for other obligations owed by the student to the University.
