

# Testing Rules

## Testing is monitored by video camera

- No food or drink allowed in the testing area
- All personal items must be left with the testing proctor (i.e. cell phones, backpacks, jackets)
- Please take care of personal needs before entering the testing area (i.e. bathroom, meals, medications)
- Only materials approved by an instructor can be brought into the testing area
- **Tests will be confiscated and instructors informed if a student is found with unauthorized materials**
