

Alice like me is confused and unknowing
Having to things she doesn't understand what she's doing
Walking endlessly in circles doing the same thing over and over
Alice will never know what to do and same with me
Ignorance is bliss but for people such as I it isn't.

I dislike those who tell lies like second nature and hide the truth. The truth should be spread among the youth. I sit and wait for the deceit to end but I know, like Alice, it will never end. So some spouses will lie, the president too, to be honest everyone will event but as long it doesn't hurt someone it's cool.
